The exclusive use of the common area shall be reserved equally to all Owners, except as herein specifically provided, and every Owner shall have a right and easement for enjoyment in and to the common area, which easement shall be appurtenant to and shall pass with the title to every lot, subject, however, to the following limitations and restrictions:

(a) The use of the common area shall be subject to the Mililani Town Rules.

(b) The use of the common area shall be subject to such easements and rights-of-way reserved therefrom at the time of conveyance thereof to the Association, to such road and public utility easements and rights-of-way as may from time to time be taken under the power of eminent domain, and to such other road and public and private utility easements as may from time to time be granted or conveyed by the Association, pursuant to the provisions of paragraph (c) of section 5.05.

(c) No improvement, excavation or other work which in any way alters any common area from its natural or existing state upon the date which such common area was conveyed to the Association, shall be made or done except upon strict compliance with and within the restrictions and limitations of the provisions of section 3.05.

(d) Except to the extent otherwise permitted pursuant to the provisions of paragraph (b) above and section 3.05 there shall be no use of the common area, exclusive of roads, except natural recreational uses which do not injure or scar the common area or the vegetation thereof, increase the cost of maintenance thereof, or cause unreasonable embarrassment, disturbance or annoyance to Owners in their enjoyment of their private areas, or in their enjoyment of the common areas; without limiting the generality of the foregoing:

(1) There shall be no camping in common areas, except as permitted by the Board by written license.

(2) There shall be no fires started or maintained on the common area, except fires started and controlled by the Association incidental to the maintenance and preservation of property within Mililani Town, and cooking and campfires in proper enclosures in picnic or other areas within recreational facilities developed therefor by the Association.

(3) No animals shall be permitted on common areas except generally recognized house or yard pets when accompanied by and under the control of the Owners to whom they belong, livestock owned by the Association, and horses upon paths and other areas from time to time designated as bridle paths by the Association and upon such areas developed or maintained as equestrian recreational facilities by the Association.

(e) The rights to use and enjoy the common areas shall extend to the members of the families of all Owners and to their invitees.

Section 3.05 - Common Area; Construction and Alteration of Improvements. No improvement, excavation or work which in any way alters any common area from its natural or existing state on the date when such common area was acquired by the Association, shall be made or done, except in strict compliance with and within the restrictions and limitations of the following provisions of this section:

(a) Except to the extent otherwise provided in paragraph (d) below, no person other than the Association or its duly authorized agents, shall construct, reconstruct, refinish, alter or maintain any excavation or fill upon or shall change the natural or existing drainage of, or shall destroy or remove any tree, shrub or other vegetation from or plant any tree, shrub or vegetation upon any common area.

(b) Except to the extent otherwise provided in paragraph (c) below, if the Association proposes to construct, reconstruct, refinish or alter the exterior of any improvement located or to be located upon any common area, or if the Association proposes to make or create any excavation or fill or to change the natural or existing drainage or surface waters, or to remove any trees, shrubs or ground cover or plant any trees, shrubs or ground cover upon any common area, the Association shall submit to the Design Committee for approval the final plans and specifications for any such work in

such form and containing such information as the Design Committee may from time to time require. The Design Committee shall approve the plans and specifications submitted to it pursuant to this paragraph only if the following conditions have all been satisfied:

(1) If the plans are to construct any new improvements, including any alteration of the exterior appearance of any existing improvement upon any common area, the Design Committee finds that such improvement complies with the standards and restrictions set forth in subparagraphs (2) through (5) inclusive, of paragraph (b) of section 3.03 with respect to private areas, which standards and restrictions will also apply to common area, and that the design of such improvement is reasonably necessary or desirable in order to carry out the aims of the Association and is in harmony with other improvements and the overall appearance of Mililani Town as planned.

(2) The Design Committee finds that the proposed work shall not because of its design materially prejudice Mililani Town or any Owner therein in the use and enjoyment of its property. Such approval shall be in writing provided, however, that plans which have neither been approved or rejected within forty-five (45) days from the date of submission thereof to the Design Committee, shall be deemed approved. Rejection of plans by the Design Committee shall be in writing and shall set forth with particularity the reasons for such rejection. In the event of any such rejection any member of the Board shall have the right to submit to a meeting of the Association duly called, the notice of which shall contain reference to the consideration of the matter the question of whether to abandon the proposed improvement, excavation or work or to have the same redesigned and resubmitted to the Design Committee for approval.

(c) The Association may, at any time and from time to time:

(1) Reconstruct, replace or refinish any improvement or portion thereof upon a common area in accordance with the last plans thereof approved by the Design Committee, or if such improvement existed upon the common area when such common area was conveyed to the Association, then in accordance with the original design, finish or standard of

construction of such improvement when such common area was conveyed to the Association.

(2) Construct, reconstruct, replace or refinish any road improvement upon any portion of the common area designated on a subdivision map as a road.

(4) Place and maintain upon any common area such signs and markers as the Association may in its sole discretion deem necessary for the identification of Mililani Town and of roads, for the regulation of traffic, including parking, and for the regulation and use of the common area and for the health and welfare and safety of Owners and the public, provided that the design of any such signs or markers be first approved by the Design Committee.

(d) Any Owner may, at any time and from time to time install and maintain within a common area any subsurface utility system, provided the same be approved by the Design Committee and an easement therefor be obtained from the Association.

Section 3.06 - Cotenancy Areas; Uses, Restrictions; Construction and Alteration of Improvements. Each parcel which is a cotenancy area shall be subject to the exclusive use and benefit of the Owners thereof, subject, however, to all of the following limitations and restrictions:

(a) The Association, or its duly authorized agents, shall have the rights set forth in section 5.05 with respect to each parcel.

(b) No improvement or other work which in any way alters any parcel from its natural or improved state existing on the date the first undivided interest in such parcel was conveyed by the Declarant to an Owner, shall be made or done except upon strict compliance with and within the following restrictions:

(1) No Owner will make any such improvement or work without the written concurrence of all other Owners of undivided interests in the parcel involved.

(2) If under the provisions of Article III any lot to which an undivided interest in such parcel

is appurtenant is subject to the restriction that any improvement or other work done thereon requires approval of the Design Committee, then similar approval shall also be required for any improvement or other work on the subject parcel.

(c) No Owner shall use any cotenancy area, in which he owns an interest, for any use to which he cannot also put his lot under the provisions of the Mililani Town Restrictions.

(d) The Owners shall be jointly and severally responsible for maintaining their cotenancy area in good and clean condition and repair and in such manner as not to create a fire, safety or health hazard to Mililani Town or any part thereof. Each Owner of a parcel of cotenancy area shall reimburse any co-owner or the Association for his share of any expenses incurred by such co-owner or Association in so maintaining the area in proportion to his undivided interest therein.

(e) An Owner of an undivided interest in a cotenancy area shall not convey it separately from the lot to which it is appurtenant or convey the lot to which it is appurtenant without conveying also to the same party his undivided interest in the cotenancy area, provided, however, that all of the Owners owning a parcel of cotenancy area may, acting jointly, convey such parcel to the State of Hawaii or City and County of Honolulu for public purposes, or to the Association to be held as common area if the Association is willing to accept the same.

Section 3.07 -- Presumption of Compliance. All of the following improvements, excavations, fills and other work shall for all purposes of the Mililani Town Restrictions be conclusively presumed to be in compliance with and within the restrictions and the provisions of this Article III:

(b) Those existing or maintained within a private area at the time such private area was first conveyed by the Declarant to an Owner.

(c) Those from time to time constructed, reconstructed, refinished, altered, installed or maintained upon any property by the Declarant, or, if not in conflict with any specific restriction in the Mililani Town Restrictions, pursuant

to plans and specifications approved by the Design Committee.

Section 3.08 - Governmental, Eleemosynary, Religious, Educational, Community and Civic Organizations. Anything in the foregoing sections of this Article III to the contrary notwithstanding, the restrictions on improvements, use and occupancy set forth in said sections shall not apply to any lot or other area while and so long as the same is owned by or leased to State of Hawaii or City and County of Honolulu, or any governmental agency, public utility, eleemosynary institution, religious or educational institution, or community or civic organization (other than the Association) and used for public, governmental, public utility, charitable, religious, educational, community or civic purposes, whenever and to the extent, but only to the extent, that such restrictions shall prevent reasonable use of such lot for said purposes. All restrictions not so preventing shall continue to apply as if not so used, including without limitation, the requirements of Design Committee approval regarding improvements to be made by said State of Hawaii, City and County of Honolulu, agency, public utility, institution or organization in the same manner as if the same were to be made by any private individual or Owner. On cessation of such use, the restrictions of this Article III shall become applicable again in their entirety. The Declarant and the Association shall each have the power to release any lot or other area owned by it, temporarily or forever from any restrictions in this Article III if, in its discretion, such waiver shall be necessary or advisable to obtain acceptance of the same by said State of Hawaii, City and County of Honolulu, agency, public utility, institution or organization. While so owning or leasing and so using, said State of Hawaii, City and County of Honolulu, agency, public utility, institution or organization shall have no right to vote as a member of the Association, nor shall it be liable for any assessments under the provisions of Article VI, but shall be liable for all costs and expenses incurred by the Association in enforcing against it any of the provisions of this Declaration or arising out of any default by it of said provisions.

Article IV

(e) The right from time to time to appoint and remove members and alternate architect

(2) From and after ten (10) years from the date first above written, the Association shall have the right to appoint and remove the two members of the Design Committee other than the member designated the architect member or an alternate architect member.

(3) The Association shall have the right to appoint and remove all members, including the architect and alternate architect members of the Design Committee from and after twenty (20) years from the date first above written, provided, however, that if the Declarant fails to exercise its rights under paragraph (d) above, or records a declaration waiving such rights, the Association shall thereupon and thereafter have the right to appoint and remove all members and alternate architect members.

Section 4.02 - Design Committee Duties. (f) Any member of the Design Committee may at any time resign from the Design Committee upon written notice delivered to the Declarant or to the Association, whichever then has the right to appoint and remove members.

Section 4.03 - Design Committee Meetings, Action, Compensation, Expenses. The Design Committee shall meet from time to time as necessary properly to perform its duties hereunder. The vote or written consent of any two members shall constitute the act of the Design Committee, unless the unanimous action of its members is otherwise required by the Mililani Town Restrictions, provided, however, that the architect member shall have the power and authority to disapprove plans,

drawings and specifications submitted to the Design Committee for approval pursuant to any applicable section of Article III whether or

not any other member shall agree with him except with respect to approvals required under section 3.05. The Design Committee shall keep and maintain a record of all actions from time to time taken by the Design Committee at such meetings or otherwise. A copy of the Design Committee Rules, as they may from time to time be adopted, amended or repealed, certified by any member of the Design Committee shall be kept available at all times at the office of the Association and at the office of Declarant, for the inspection of any Owner, architect or agent of the Owner or architect. The Design Committee Rules shall, to the extent practical, establish the standards which shall be required in the construction of any residences, apartment or condominium buildings to be constructed in Mililani Town.

Section 4.05 - Non-Waiver. The approval by the Design Committee of any plans and specifications for any work done or proposed or in connection with any other matter requiring the approval of the Design Committee under Mililani Town Restrictions, shall not be deemed to constitute a waiver of any right to withhold approval as to any similar plan, drawing, specification or matter whatever subsequently or additionally submitted for approval.

Section 4.06 - Within thirty (30) days after written demand

Estoppel Certificate. therefor is delivered to the Design Committee by any Owner, and upon payment therewith to the Association of a reasonable fee from time to time to be affixed by the Association, in no event to exceed \$25.00, the Design Committee shall deliver to such Owner an estoppel certificate executed by any two of its members in form suitable for recording in the Bureau of Conveyances of Hawaii and in the Office of the Assistant Registrar of the Land Court, certifying with respect to any lot of said Owner that, as of the date thereof, either (a) all improvements and other work made or done upon or within said lot comply with the Mililani Town Restrictions, or (b) such improvements and/or work do not so comply, in which event the certificate shall also (i) identify the noncomplying improvements and/or work, and (ii) set forth with particularity the cause or causes for such noncompliance. Without in any way limiting the generality of the foregoing, the Design Committee, or any member thereof may, but is not required to, consult with or hear the Association or any Owner or his architect with respect to any plans, drawings or specifications or any other proposals submitted to the Design Committee.

Section 4.08 - Non-existence of Design Committee. In the event that at any time through death, absence from the State, resignation, or for any other reason, there shall not be a Design Committee or there shall not be the members

Class A. Class A members shall be the owners, as defined in Article V hereof, of lots, excepting the Class B member as hereinafter defined. The owner, or owners in the aggregate, of any lots, whether individuals, corporations or other legal entities, shall be entitled to one vote per lot. If more than one person or entity owns one given lot, any one of said persons or entities may exercise said one vote on behalf of all the owners of said lot, but no such vote shall be exercised without the unanimous consent of all such persons or entities.

(b) The Association shall accept title to all common areas and other property from time to time conveyed to it, pursuant to section 7.05.

The Association may also acquire and accept title to any other property, real, personal or mixed, nothing herein to be construed to authorize the Association to acquire or invest in property simply for the purpose of acquiring income or otherwise making a financial profit therefrom, and the Association shall not carry on any business, trade, association or profess for profit, but nothing herein shall prevent the Association from charging reasonable fees to Owners for use by them and their families and guests of the recreational facilities on the common areas to help defray the costs of construction, maintenance, repair or operation of such facilities, or of other facilities owned by the Association.

(c) The Association shall maintain or provide for the maintenance of common areas and other property owned by the Association, including without limitation recreational facilities, and all improvements of whatever kind and for whatever purpose from time to time located on the common areas and other such property in good order and repair, provided, however, that notwithstanding the foregoing the Association shall have no obligation to maintain in good order and repair any improvement constructed upon the common areas by any Owner, but may use all legal means to force such Owner to maintain the same himself.

the Owners, the Association shall pay all real property taxes and assessments levied upon any portion of the common areas.

Such policy or policies shall protect each of the insureds as if each were separately insured under separate policies, provided, however, that such policy or policies shall not require the insured or insurers to pay any amounts in excess of the maximum limits stated therein. Each and every policy of insurance obtained by the Association, whether or not required to be obtained, pursuant to the provisions of Mililani Town Restrictions, shall expressly waive any and all rights of subrogation against the Declarant, its representatives

and employees, and any Owner.

The Association may also obtain and maintain in force any policies of insurance covering any other reasonable risks as may be determined to be proper and necessary or advisable in the discretion of the Board.

**Section 5.05 -
Powers and
Authority of
Association.**

The Association shall have all the powers set forth in the Charter, together with its general powers as a nonprofit corporation, subject, however, to the limitations upon the exercise of such powers as are expressly set forth in the Charter and By-Laws and in the Mililani Town Restrictions, to do any and all lawful things which may be authorized, required or permitted to be done by the Association under and by virtue of Mililani Town Restrictions, and to do and perform any and all acts which may be necessary or proper for, or incidental to, the exercise of any of the express powers of the Association or for the peace, health, comfort, safety and/or general welfare of the Owners of Mililani Town. Without in any way limiting the generality of the foregoing, the Association shall have the following powers:

The Association may maintain and repair any roads, sidewalks, schools, parks or other public areas in or adjoining Mililani Town, including landscaping and planting the same and repairing improvements thereon when public authorities, in the opinion of the Directors, have failed to do so in a manner befitting the standards of the community. The Association shall also have the power and authority from time to time in its own name, on its own behalf, or in the name and behalf of any Owner or Owners who consent thereto, to commence and maintain actions and suits to restrain and enjoin any breach or threatened breach of Mililani Town Restrictions, or to enforce by mandatory injunction or otherwise all of the provisions of the Mililani Town Restrictions.

(b) In fulfilling any of its obligations or duties under the Mililani Town Restrictions, including without limitation, its obligations or duties for the maintenance, repair, operation or administration of the common area, and to the extent necessary by the failure of the Owners thereof of private areas, or in exercising any of its rights to construct improvements or other work upon any common area, including, without limitation, any recreational facility, the Association shall have the power and authority:

(1) to contract and pay for or otherwise provide for the maintenance, restoration and repair of all improvements of whatever kind or whatever purpose from time to time located upon common areas, and to contract and pay for or otherwise provide for the construction of improvements or other work upon common areas, or otherwise in carrying out its functions as set forth in the Mililani Town Restrictions on such terms and conditions as the Association shall deem appropriate, and to pay and discharge all liens arising out of any work;

(2) to obtain, maintain and pay for such

insurance policies or bonds whether or not required by section 5.04 as the Association may deem to be appropriate for the protection or benefit of Mililani Town, the Association, the members of the Board, the members of the Design Committee, or the Owners, including but without limitation, war risk insurance, builders' risk, workmen's compensation insurance, malicious mischief insurance, automobile, non-ownership insurance and performance and fidelity bonds;

(c) The Association shall have the power and authority from time to time to grant and convey to any third parties for reasonable compensation and on such other terms as the Board may approve such easements, rights-of-way, parcels or strips of land in, on, over or under any common area, for the purpose of:

(1) constructing, directing, operating and maintaining thereon, therein and thereunder, public roads, streets, walks, driveways, parkways and park areas;

(2) installing, operating and maintaining poles, wires, conduits, transformers, switching terminals and other equipment for the transmission of electricity for lighting, heating, power, telephone, television and other purposes, and necessary facilities in connection therewith; and

(d) The Association may from time to time employ the services of a manager to manage the affairs of the Association, and to the extent not inconsistent with the laws of the State of Hawaii and upon such conditions as are otherwise deemed advisable by the Association, the Association may delegate to the manager any of its powers under the Mililani Town Restrictions, provided, however, that the Association cannot delegate to such manager the power to execute any contract binding on the Association for a sum in excess of \$10,000 or for the performance of any work or services, which work or services are not to be completed within sixty (60) days, nor the power to sell, convey, mortgage or encumber any property of the Association other than unserviceable maintenance or recreation equipment.

(e) The Association shall have the right from time to time to pay, compromise or contest any or all taxes and assessments levied against all or any part of the common area, or upon any personal property belonging to the Association, provided, however, that prior to the sale or disposition of any property to satisfy the payment of any such tax assessments, the Association shall pay and discharge the lien imposed with respect to such property.

(f) The Association shall have the authority to exchange or to sell and convey, or otherwise dispose of, for cash or on such terms as it shall approve, any portion or portions of the common area, with improvements thereon, or other property of the Association, the retention of which is no longer necessary, advantageous or beneficial for the Association or for the Owners, and to borrow money, without limit as to the amount, for any purpose within the powers and authority of the Association under

this Article V and to secure the same by a mortgage of the common area then owned by the Association, or any part thereof, provided, however, that no such exchange, sale or other disposition of any real property in fee and no such borrowing and mortgaging shall be made unless the same shall have been approved by an affirmative vote of not less than two-thirds (2/3) of each class of members who may vote in person or by proxy at a meeting of the Association duly called, the notice for which shall have described the real property to be sold or otherwise disposed of, or the amount of the borrowing and the security to be mortgaged, and shall have given the reasons therefor.

All proceeds of any disposition or borrowing, less the expenses thereof, shall be invested by the Association in additional property acquired for the benefit of the Association and the Owners, or in improving the properties of the Association.

Section 5.06 - Mililani Town Rules.

(a) The Association may from time to time and subject to the provisions of the Mililani Town Restrictions, adopt, amend and repeal rules and regulations to be known as the Mililani Town Rules governing, among other things:

- (1) the use of common areas, including without limitation the recreational facilities;
- (2) the use of roads;
- (3) the collection and disposal of refuse;
- (4) the burning of open fires; and
- (5) the maintenance of animals within Mililani Town.

(b) With respect to subparagraph (a)(1) above, the Mililani Rules may without limitation and to the extent deemed necessary by the Association in order to preserve the benefits of Mililani Town for all Owners, their families, invitees, licensees, lessees, and guests, restrict and/or govern the use of common areas by any Owner or by the family, invitees, licensees, or lessees of such Owner.

(c) With respect to subparagraph (a)(2) above, the Mililani Rules may without limitation provide for:

- (1) parking restrictions and limitations;

(2) maximum speeds for vehicular traffic on roads other than public roads;

(3) the time or times when commercial vehicles may be permitted to use roads other than public roads; and

(4) the type or types of vehicles other than conventionally equipped passenger automobiles which may be permitted to use the roads other than public roads.

(d) A copy of the Mililani Rules as they may from time to time be adopted, amended or repealed, certified by the secretary or any assistant secretary of the Association, shall be filed in and available at all times at the office of the Association and duplicate copies thereof shall be delivered to each Owner on his acquisition of a lot, and a copy of each new rule or of any amendment of an existing rule and notice of repeal of any rule shall be given to each Owner when the same becomes effective. Upon the promulgation and filing thereof in said office, the Mililani Rules shall have the same force and effect as if they were set forth and were a part of the Mililani Town Restrictions. Failure to deliver to any Owner a copy of any rule, amendment of a rule, or notice of repeal of a rule shall not render such rule, amendment or repeal invalid.

Section 5.07 - Liability of Member of the Board. No member of the Board shall be personally liable to any Owner, guest, lessee or to any other person, including the Declarant, for any error or omission of the Association, its representatives and employees, the Design Committee or the manager, provided, however, that such member has with actual knowledge possessed by him, acted in good faith.

Section 5.08 - Exclusive Powers of the Association. The Association, through the Board and its duly authorized representatives, shall have the exclusive right to exercise the powers and authorities referred to in paragraphs (b) through (f) inclusive of section 5.05.

Article VI Funds and Assessments

Section 6.01 - Operating Fund. There shall be an operating fund in which the Association shall deposit all monies paid to it as:

- (1) maintenance assessments;
- (2) special assessments;
- (3) use fees paid by users of recreational facilities;
- (4) miscellaneous fees; and
- (5) income and profits attributable to the operating fund

and from which the Association shall make disbursements in performing the functions for which the foregoing assessments are levied.

Section 6.02 - Maintenance Assessment. (a) Within thirty (30) days prior to the commencement of each fiscal year, the Board shall estimate the costs and expenses to be incurred by the Association during such fiscal year in performing its functions under Article V (including a reasonable provision for contingencies, reconstruction and replacements, and for alterations, modifications and improvements to existing recreational facilities, but excluding any development of substantial new recreational facilities) and in paying all fees and expenses of the Design Committee and its operations, and shall subtract from such estimate:

- (1) an amount equal to the anticipated balance (exclusive of any accrued reserves for contingencies and replacements) in the operating fund at the start of such fiscal year which is attributable to maintenance assessments; and
- (2) the estimated receipts for all use fees to be collected from users of recreational or other facilities during such fiscal year.

(b) The sum or net estimate determined

pursuant to paragraph (a) shall be divided and assessed by the Board as a maintenance assessment against the Owners, excluding those exempt pursuant to any provision of the Mililani Town Restrictions, in proportion to the numbers of lots owned by each Owner, excluding as aforesaid; provided, however, that the maximum annual assessment for the year 1968 shall not exceed a rate of \$180.00 per year (to be prorated for any portion of a year) per lot, and for any subsequent year shall not exceed an amount which shall bear the same relationship to said annual rate for 1968 that the Cost of Living Index as of January first of the year for which the assessment is to be levied bears to the Cost of Living Index as of January 1, 1968, unless such excess be approved by the affirmative vote of 66% of each class of members who are voting in person or by proxy at a meeting duly called for this purpose, provided that such affirmative vote of Class A members shall constitute not less than 20% of the total Class A members. Written notice of such meeting must be sent to all members not less than 30 nor more than 60 days in advance of the meeting, setting forth the purpose of the meeting.

(c) If at any time and from time to time during any fiscal year, the maintenance assessment proves inadequate for any reason, including nonpayment of any Owner's share thereof, the Board may levy a further assessment in the amount of such actual or estimated inadequacy which shall be assessed to the Owners in the manner set forth in paragraph (b) above, subject to the maximum therein expressed.

(d) Maintenance assessments shall be due and payable by the Owners to the Association in equal quarterly installments on or before the first day of each January, April, July and October, or in such other manner as the Association shall designate, but not in advance in any amount in excess of the estimate for the full year.

Section 6.03 - Special Assessment. The Board shall levy a special assessment against any Owner as a direct result of whose acts or failure or refusal to act or otherwise to comply with the Mililani Town Restrictions, the Mililani Rules or the Design Committee Rules, monies were expended from the operating fund by the Association in performing its functions under the Mililani Town Restrictions.

Such assessments shall be in the amount so expended and shall be due and payable to the Association when levied. Monies so expended shall include, without limitation, engineers' architects', attorneys' and accounts' fees where reasonably incurred by the Association.

Section 6.04 - Association, Declarant and Other Exemptions. Anything herein to the contrary notwithstanding it is understood that the following parties and their lots shall be exempt in whole or in part from assessments under this Article VI as follows: (a) the Association shall be wholly exempt; (b) Declarant shall be exempt to the extent of 80% of the assessment per lot, until such time as it shall have completed any residence (other than a model home for display purposes) on such lot; and (c) those specified in section 3.08 shall be wholly exempt.

Section 6.05 - Default in Payment of Assessments. (a) Each assessment under this Article VI shall be a separate distinct and personal debt and obligation of the Owner against whom it is assessed, and each Owner of any lot by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed, is deemed to covenant and agree to pay the same to the Association. If the Owner does not pay such assessment or any installment thereof when due, the Owner shall be deemed in default and the amount of the assessment not paid, together with the amount of any subsequent default, plus interest at ten per cent (10%) and costs, including reasonable attorneys' fees, shall be and become a lien upon the lot or lots of such Owner upon recordation by the Association of a notice of default. Such lien shall be subject and subordinate to the lien of any mortgage upon the lot or lots of such Owner, and the sale or transfer of any lot in foreclosure of any such mortgage, whether by judicial proceedings or pursuant to a power of sale contained in such mortgage, or the transfer or conveyance to the mortgagee in lieu of foreclosure, shall extinguish the lien as to payments of assessments which became due prior to such sale, transfer or conveyance, but no such sale, transfer or conveyance shall relieve such lot or the purchaser or transferee thereof with regard to assessments thereafter becoming due. The Association shall record such notice of default within ninety (90) days following the occurrence of such default and shall commence proceedings to enforce such lien within six (6) months following such recordation. Such lien may be foreclosed by suit by the Association in like manner as a mortgage of real

property, and the Association shall have power to bid on the lot at foreclosure sale and to acquire and hold, lease, mortgage or convey the same. A suit to recover a money judgment for unpaid assessments shall be maintainable without foreclosing or waiving the lien securing the same. The foregoing remedies shall be in addition to any other remedies provided by law for the enforcement of such assessment obligation.

(b) The Association shall execute and acknowledge a certificate stating the indebtedness secured by the lien upon any lot or lots and such certificate shall be conclusive upon the Association and the Owners in favor of all persons who rely thereon in good faith as to the amount of such indebtedness as of the date of the certificate. The Association shall furnish a copy of such certificate to any Owner upon request at a reasonable fee.

Article VII

Miscellaneous Provisions

Section 7.01 - Amendment or Repeal - Duration.

(a) In addition to the rights reserved to the Declarant pursuant to section 2.02 to modify or supplement the Mililani Town Restrictions with respect to property annexed to Mililani Town, and unless specifically provided to the contrary herein, the Mililani Town Restrictions, or any part thereof, as from time to time in effect with respect to all or any part of Mililani Town, and any limitation, restriction, covenant or condition thereof may, at any time, be amended or repealed upon the happening of all of the following events:

(1) the vote of Owners having not less than three-fourths (3/4ths) of the total votes of each class of Owners of lots within Mililani Town, approving the proposed amendment or amendments or the repeal of Mililani Town Restrictions at a meeting of the Association duly held, the notice of which shall have stated as a purpose the consideration of the amendment

or repeal of the Mililani Town Restrictions, giving the substance of any proposed amendments or indicating the provisions to be repealed, as the case may be;

(2) the recordation of a certificate of the Secretary or an Assistant Secretary of the Association setting forth in full the amendment or amendments to the Mililani Town Restrictions so approved, including any portion or portions thereof repealed, and certifying that said amendment or amendments have been approved by vote of the Owners pursuant to this paragraph;

(3) the recordation of a written instrument also setting forth in full said amendment or amendments to the Mililani Town Restrictions, executed by the Owners having not less than three-fourths (3/4ths) of the total votes of each class of Owners of lots within Mililani Town; and

(4) as long as there is a Class B membership, the approval of the Federal Housing Administration or its successor.

(b) All of the limitations, restrictions, covenants

and conditions of the Mililani Town Restrictions shall continue and remain in full force and effect at all times with respect to all property, and each part thereof, included within the Mililani Town, to the Owners and to the Association, subject, however, to the right to amend and repeal as provided in paragraph (a) above, for a period of twenty-one (21) years following the death of the survivor of Lyndon

B. Johnson, President of the United States, and all his descendants living on the day and year first above written, but not beyond the year 2000 A.D., provided, however, that unless within one (1) year prior to the expiration of said twenty-one (21) year period or prior to December 31, 1999, whichever first occurs, there shall be recorded an instrument directing the termination of the Mililani Town Restrictions signed by the Owners of not less than two-thirds (2/3ds) of the lots within the Mililani Town, the Mililani Town Restrictions then in effect immediately prior to the expiration date shall, subject to the provisions of paragraph (a) above, be continued automatically without further notice for an additional period of ten (10) years, and thereafter for successive periods of ten (10) years each unless, within one (1) year prior to the expiration of any such period, the Mililani Town Restrictions shall be terminated as set forth above in this paragraph (b).

**Section 7.02 -
Enforcement,
Non-Waiver.**

(a) Except to the extent otherwise expressly provided herein, the Association or any Owner or Owners shall have the right to enforce any and all of the limitations, restrictions, covenants, conditions, obligations, liens and charges now or hereafter imposed by the Mililani Town Restrictions upon other Owners or upon any property within the Mililani Town, and the costs of enforcement, including court costs and attorneys' fees, shall be paid by any Owner who violated any such limitation, restriction, covenant or condition, or failed to pay and satisfy when due any such lien or charge. No entry upon the lot of any Owner or other action to enforce any such limitation, restriction, covenant, condition, obligation, lien or charge may be made or taken without first giving not less than thirty (30) days' written notice and demand to the Owner concerned to cure or rectify the default or breach involved.

(b) Except to the extent otherwise expressly provided herein, any Owner or Owners shall have the right to enforce any and all limitations, restrictions, covenants, conditions and

obligations now or hereafter imposed by the Mililani Town Restrictions upon the Mililani Town Association, provided, however, anything herein to the contrary notwithstanding, no Owner as such shall have any right to enter upon the property of any other Owner or to abate any nuisance or enforce any provision hereof against another Owner or the Association except by proper legal proceedings and authority of a court having jurisdiction.

(c) Every act or omission whereby any restriction, condition or covenant of the Mililani Town Restrictions is violated, in whole or in part, is hereby declared to be and to constitute a nuisance and may be enjoined or abated, whether or not relief sought is for negative or affirmative action, by the Association or by an Owner or Owners as provided for in paragraphs (a) and (b) above, provided, however, that any provision to the contrary notwithstanding only the Association or its duly authorized agents may enforce any limitation, restriction, covenant, condition or obligation herein set forth by its or their own action without authority of a court having jurisdiction.

(d) Each remedy provided for in the Mililani Town Restrictions is cumulative and non-exclusive.

(e) The failure in any case to enforce the provisions of any limitation, restriction, covenant, condition, obligation, lien or charge of the Mililani Town Restrictions shall not constitute a waiver of any right to enforce any such provision or any other provisions of the Mililani Town Restrictions in another case against or with respect to the same Owner or lot or any other Owner or lot.

**Section 7.03 -
Construction,
Compliance
with Laws,
Severability,
Singular and
Plural, Titles.**

(a) All of the limitations, restrictions, covenants and conditions of the Mililani Town Restrictions shall be liberally construed together to promote and effectuate the fundamental concepts of Mililani Town as set forth in the introductory paragraphs of this Declaration.

(b) No provision of the Mililani Town Restrictions shall be construed to excuse any person from observing any law or regulation of any governmental body having jurisdiction over such person or over Mililani Town or any part thereof. Anything in the Mililani Town Restrictions to the contrary notwithstanding, if all uses to which a lot may be put under the

provisions of the Mililani Town Restrictions are illegal under the applicable zoning ordinances or statutes, an Owner may use his lot for any purpose which is lawful under such ordinance or statute, subject, however, to all other provisions of the Mililani Town Restrictions which can lawfully apply to the lot as so used.

(c) Notwithstanding the provisions of paragraph (a) above, the limitations, restrictions, covenants and conditions of Mililani Town shall be deemed independent and severable and the invalidity or partial invalidity of any provision or portion thereof, or of any such limitations, restrictions, covenants or conditions shall not affect the validity or enforceability of any other provision.

(d) The singular shall include the plural and the plural the singular unless the context requires the contrary, and the masculine, feminine and neuter shall each include the masculine, feminine or neuter as the context requires.

(e) All titles used in the Mililani Town Restrictions, including those of Articles and sections, are intended solely for convenience of reference and the same shall not, nor shall any of them, affect that which is set forth in such Articles and sections, nor any of the terms or provisions of the Mililani Town Restrictions.

**Section 7.04 -
Subdivision
and
Consolidation.**

(a) No lot within the Mililani Town shall be subdivided by any Owner, unless the same has been first approved by the Design Committee to which application shall be made, together with a reasonable fee as required by the Design Committee. The Design Committee shall review the same to determine whether or not the same complies with the basic intent and purposes of the Mililani Town Restrictions and to determine whether or not any Owner or the Owners of lots within Mililani Town will be prejudiced as a result of such subdivision. The Design Committee shall approve or disapprove the same within thirty (30) days after such subdivision map has been submitted to it and in the event of disapproval shall give written notice of the reasons therefor. Failure to disapprove within said period of thirty (30) days shall be deemed approval thereof. The Design Committee shall furnish to the Owner of any map which has been approved on his request a certificate executed by one of the members thereof, stating that the map has been so approved.

(b) No two or more lots within Mililani Town shall be consolidated into one lot by the Owner or Owners thereof without the approval of the Design Committee in the manner set forth in paragraph (a) above.

(c) The provisions of section 4.08 shall be applicable to this section 7.04 also.

(d) Nothing contained in this paragraph shall apply to the subdivision of any lot owned by the Declarant or the consolidation of two or more lots into one or more lots by the Declarant.

**Section 7.05 -
Conveyance of
Common
Area;
Reservation of
Easements and
Right-of-Way
and
Classification
of Land Area,
Sewer &
Water System.**

(a) The Association shall accept all of the real property and interests in real property conveyed to it as common area by the Declarant, provided that the Association need not accept any such property in fee subject to any exceptions, liens and encumbrances except as follows:

(1) the lien of any real property taxes and assessments non-delinquent;

(2) such easements and rights-of-way on, over or under all or any part thereof as may be reserved to the Declarant or granted to any Owner in accordance with the provisions of the Mililani Town Restrictions;

(3) such easements and rights-of-way on, over or under all or any part thereof as may be reserved to the Declarant for access to real property contiguous to the common area, and such easements and rights-of-way on, over or under all or any part thereof as may be reserved to the Declarant or granted to or for the benefit of the United States of America, the State of Hawaii, the City and County of Honolulu, or any other political subdivision or public organization, any public utility corporation, or any lot for the purpose of constructing, erecting, operating and maintaining thereon, therein and thereunder at any time or at any time in the future, (aa) roads, streets, driveways, walks, parkways and park areas, (bb) poles, wires and conduits for the transmission of electricity for lighting, heating, power, telephone, television and other purposes, and for necessary facilities in connection therewith, and (cc) public and private sewers, sewage disposal systems, storm water drains, land drains and pipes, water systems, water sprinkler systems, water, heating and gas lines or pipes, and any and all equipment in connection therewith;

(4) the obligations imposed directly or indirectly by virtue of any statute, law, ordinance, resolution or regulation of the United States of America, the State of Hawaii, the City and County of Honolulu or any other political subdivision or political or governmental organization having jurisdiction over such property;

(5) the rights reserved to the Declarant pursuant to paragraph (d) of section 7.05;

(6) easements for roads, pipelines, ditches, telephone, gas and electric lines and any other utilities in favor of public utilities, governmental agencies or private corporations or individuals; and

(7) any other lien, encumbrance or defect in title of any kind whatsoever (other than of a type which would at any time or from time to time create a lien upon such properties to secure an obligation to pay money) which would not materially and actually prejudice the Owners in their use and enjoyment of such property.

(b) The Declarant may convey to the Association the sewer treatment plant and system serving Mililani Town after the same has been constructed on Lot 85-A as shown on Map 243 filed with Land Court Application 1000, together with said lot and all easements and other appurtenances thereto, and may also convey to the Association the water supply system serving Mililani Town, or parts thereof, including the well site and the reservoir site, being Lots 2130-B-1 and 2137 as shown on

Maps 242 and 241, respectively, filed with said Land Court Application 1000, together with all easements and other appurtenances thereto, and the Association shall accept said sewer treatment plant and system or said water supply system, or both, together with all obligations and responsibilities pertaining thereto or to the operation thereof, and shall thereafter keep, maintain and operate the same, provided, that Declarant shall indemnify the Association against any mechanics' and materialmen's liens arising out of the construction by it of said sewer plant and system or water supply system. After such conveyance, the Declarant may from time to time at its own expense construct extensions and enlargements of said facilities serving the area included in Mililani Town at the time of such conveyance, or adjacent lands,

and may join and incorporate such extensions and enlargements with the original facilities so conveyed, and the Association shall accept such extensions and enlargements and keep, maintain and operate them along with the initial facilities. The expense of keeping, maintaining and operating all such facilities shall be borne by the Association after such conveyance and an assessment shall be levied therefor in the same manner as provided for the maintenance assessment under Article VI, and all provisions in this Declaration for collection of maintenance assessments shall apply equally to assessments for keeping, maintaining and operating all such facilities, including without limitation, the lien provisions, and provided that the Declarant covenants and agrees to and with the Association that, until such time as it has sold 500 lots, it will contribute in cash each year to the Association to help defray the expenses of such keeping, maintenance and operation, a share of such expenses in the proportion that the number of lots less than 500 not sold bears to 500. In the case of the water system, the Association shall charge users at the rate approved by the Public Utilities Commission, if any, otherwise at the same rate charged by the Board of Water Supply for equivalent service, and the expenses for which assessments shall be levied by the Association shall be limited to any excess over such revenues. The Association shall maintain accounts regarding sewer and water facilities separate from other funds of the Association and all revenues received in connection therewith shall be applied only toward the expenses thereof. To the extent that said sewer treatment plant or water system shall actively serve adjacent lands not in Mililani Town pursuant to the rights of the Declarant to extend or enlarge said facilities as hereinabove set forth, the obligation of the Association to provide such service shall be conditioned on the following:

(a) the cost of any such extension or enlargement shall not be borne by the Association; (b) the capacity of the facilities are adequate to handle such extension or enlargement or shall be made so without cost to the Association; (c) the Declarant or other owners of such adjacent lands shall pay assessments for service at the same rate as paid by an Owner; and (d) the assessments for service shall be made enforceable by liens equivalent to the liens on the lots of the Owners under the provisions of Article VI hereof.

The Association may at any time convey and transfer said facilities or any part thereof to City and County of Honolulu or other governmental agency authorized and able to continue operation thereof. Said facilities, while so owned by the Association, shall not be deemed common area.

(c) The land classification of any property within Mililani Town which is not a common area may be changed to a common area by the transfer of such property to the Association from all persons having any right, title or interest therein and the acceptance by the Association of such property. Notwithstanding anything else herein, the Declarant may change the land classification of any property not previously designated as common area as to which it is the Owner and may convey such property to the Association pursuant to the provisions of section 7.05(a) hereinabove, and the Association shall accept the same and such property shall thereupon become common area for all purposes hereunder.

(d) At any time and from time to time following conveyance of common area by the Declarant to the Association pursuant to this section, the Declarant may construct, reconstruct, refinish or alter any improvement upon or make or create any excavation on or fill upon or change the natural or existing drainage of or remove or plant any trees, shrubs or ground cover upon such common area if the Declarant shall determine that any such work (i) is reasonably necessary for any utility installation serving any property within Mililani Town, (ii) is reasonably necessary for the construction of any facility for use by the Owners, (iii) is desirable in order to provide or improve access to or to enhance the use and enjoyment of such common area, or (iv) is desirable to protect, support or preserve any property which constitutes a part of Mililani Town.

**Section 7.06 -
Assignment of
Powers.**

Any and all of the rights and powers vested in the Declarant pursuant to the Mililani Town Restrictions may be delegated, transferred, assigned, conveyed or released by the Declarant to the Association and the Association shall accept the same effective upon the recording by the Declarant of a notice of such delegation, transfer, assignment, conveyance or release.

Section 7.07 -

portion of the common area or any interest there be taken by the right of eminent domain or by purchase in lieu of eminent domain, the entire award and compensation shall be paid to the Association. No Owner shall be entitled to any portion of such award and no Owner shall be entitled to participate as a party or otherwise in any proceedings relating to such condemnation, such right of participation being herein reserved exclusively to the Association which shall in its name alone represent the interest of all Owners.

**Section 7.08 -
Obligations of
Owners,
Avoidance,
Termination.**

(a) No Owner through his non-use of any common area, including any recreational facility, or by abandonment of his lot, may avoid the burdens or obligations imposed on him by the Mililani Town Restrictions by virtue of his being an Owner.

(b) Upon the conveyance, sale, assignment or other transfer of a lot to a new Owner, the transferring Owner shall not be liable for any assessments levied with respect to such lot and payable after the date of such transfer, and no person after the termination of his status as an Owner and prior to his again becoming an Owner shall incur any of the obligations or enjoy any of the benefits of an Owner under the Mililani Town Restrictions following the date of such termination.

**Section 7.09 -
Notices,
Documents,
Delivery.**

(a) Any notice or other document permitted or required by the Mililani Town Restrictions to be delivered may be delivered either personally or by mail. If delivery is to be made by mail, it shall be deemed to have been delivered to the Association twenty-four (24) hours after a copy of the same has been deposited in the United States mail, postage prepaid, addressed to the Mililani Town Association at the address designated by the Association from time to time by written notice to the Owners, and shall be deemed to have been delivered to the Design Committee twenty-four (24) hours after a copy of the same has been deposited in the same manner addressed to the Design Committee in care of the Mililani Town Association at the latter's then current address.

The post office address of an Owner shall be the street address in Mililani Town of such Owner, and delivery by mail shall be deemed complete to an Owner twenty-four (24) hours after a copy of the same has been deposited in the United States mail, postage prepaid,

addressed to the Owner at such address.

(b) Delivery to any member of the Board of Directors of the Association shall be deemed adequate delivery to the Association and delivery to any member of the Design Committee shall be deemed adequate delivery to the Design Committee.

(c) Where there is more than one Owner of a lot the delivery personally or by mail to any Owner shall be effective delivery to all Owners of such lots.

(d) The address of the Declarant may be changed by notice in writing -delivered to the Association and the address of the Association may be changed by notice in writing delivered to all Owners.

In Witness Whereof, the Declarant has executed this Declaration the day and year first above written.

The directors of the second class shall hold office until the second annual election of the directors by the members of the corporation; and the directors of the third class shall hold office until the third annual election of the directors by the members of the corporation. At each annual election of directors, the successors to the class of directors whose terms shall expire in that year shall be elected directors for a term of three years, so that the term of office of one class of directors shall expire each year, but each director of whatever class shall hold office until his successor shall have been elected and shall qualify, or until his death, or until he shall resign or shall have been removed in the manner herein provided. Except with respect to their respective terms of office, all directors shall have equal powers. In case of any increase in the number of directors, each class shall be respectively increased so that after any such increase, each class shall consist as nearly as possible of one-third of the members of the whole Board of Directors. In case of any decrease in the number of directors, each class shall be decreased so that after any such decrease, each class shall consist as nearly as possible of one-third of the members of the whole Board of Directors. Nothing contained herein shall be deemed to restrict the power of the members or of the Board of Directors to remove a director for cause.

(c) Directors shall be elected by ballot by the members of the corporation. Each year, at least one hundred twenty days (120) days before the election, the Association shall publish a notice in the newsletter or otherwise inform the members of the deadline to submit nominations for the upcoming election of directors and the method for submitting nominations. The nomination deadline shall be at least ninety (90) days before the election. No further nominations will be permitted after the nomination deadline. After the nomination deadline and at least thirty (30) days prior to the next meeting of the members of the corporation, the Association shall provide ballots to the members. Unless another record date is selected by the Board in accordance with law, the record date for determining the members entitled to vote shall be the date the Association provides the ballots to the members. All votes must be received by the secretary or other person designated on the ballot by 4:30 p.m., two (2) business days before the meeting of the members of the corporation. The results of

the election shall be announced at the meeting of the members of the corporation following the election. The Board may establish policies and procedures for the election of directors consistent with this Section.

(d) Vacancies on the Board may be filled by a majority of the remaining directors though less than a quorum, and each director so elected shall hold office until his successor is elected by the members. Upon tender of a resignation by a director, the Board shall have the power to elect his successor to take office at such time as the resignation becomes effective.

ALL OWNERS AND OCCUPANTS OF ANY LOT, TENANTS, GUESTS AND INVITEES OF ANY OWNER, AS APPLICABLE, ACKNOWLEDGE THAT THE ASSOCIATION, AND ITS BOARD OF DIRECTORS, AND THE DESIGN COMMITTEE DO NOT REPRESENT OR WARRANT THAT ANY FIRE PROTECTION SYSTEM, BURGLAR ALARM SYSTEM OR OTHER SECURITY SYSTEM DESIGNATED BY OR INSTALLED ACCORDING TO GUIDELINES ESTABLISHED BY THE DESIGN COMMITTEE MAY NOT BE COMPROMISED OR CIRCUMVENTED, THAT ANY FIRE PROTECTION OR BURGLAR ALARM SYSTEMS OR OTHER SECURITY SYSTEMS WILL PREVENT LOSS BY FIRE, SMOKE, BURGLARY, THEFT, HOLD-UP, OR OTHERWISE, NOR THAT FIRE PROTECTION OR BURGLAR ALARM SYSTEMS OR OTHER SECURITY SYSTEMS WILL IN ALL CASES PROVIDE THE DETECTION OR PROTECTION FOR WHICH THE SYSTEM IS DESIGNED OR INTENDED.
