PRESIDENT'S MESSAGE

Aloha Mililani and welcome to July. I hope this summer month finds you in good health and in good spirits. The year is more than half gone and what a year it has been. I am hoping for a much better second half of 2020.

I know I have already talked to you about my vegetarian experiment. On New Year's Day, I stopped eating meat. I wanted to see what, if any, affect it would have on my overall health and especially my blood work and cholesterol numbers. Well the results are in. After 5 months of no meat, I had my bloodwork done. I was rattled to learn that my cholesterol numbers went up over 20 points! That day, I had chicken for lunch. Now this is not to say that I am abandoning vegetables. I

will try to eat as many veggies as possible, but if there is meat and I want some, I'm going to partake. This experiment is over for me, but there is still something for me to work on and that is exercise. During the last few months, my level of exercise has dropped way off. I have always thought that a good balance of diet and exercise was the key for me, and now more than ever, that is turning out to be true.

I hope you all have a good summer. I am partial to July since it is my birthday month! It is a time to enjoy summertime fun, fireworks, picnics and warm weather. This year might be a little different than those of the past, but I still have fond memories. I hope your plans to enjoy this summer are not greatly altered and you still have a chance to enjoy the time with family. I hope that by the time this is delivered to your home, our rec centers are open, the pools are open and back to normal and our café is operating once again. I don't know about you, but I sure can use one of the Rec 7 Café's famous shave ice right about now!

Cloha, **Bob Barrett**MTA Board President

MESSAGES FROM ELECTED OFFICIALS

A Message From **SENATOR DONOVAN M. DELA CRUZ**

First, I want to thank the community for doing their part to flatten the curve. Without your commitment to keeping everyone safe, we could not have contained the virus.

Opening Day of the 30th Legislature marked a day of collaboration. The Senate and House of Representatives announced a joint legislative package to make necessary changes to improve the quality of life for our constituents by increasing affordable housing, minimum wage, teacher salaries, and access to early education childcare. The economic impacts of COVID-19 drastically impeded these efforts. While this pandemic has forced the Legislature to re-evaluate how we will build a brighter future, it has also provided us an opportunity to build a stronger system from the ashes.

In response to Hawaii's first recorded case of the virus, the Senate established the Special Committee on COVID-19, which I chair, to provide a transparent platform to assess and review the State's response to the pandemic. We knew we needed a plan to flatten the curve, contain the virus, and prevent multiple fatalities like that seen on the mainland. After a few meetings, it quickly became apparent that centralizing oversight would enable more decisive responses and quicker economic recovery. Since our first meeting with the administration, the Committee helped to achieve, shape, and expedite many initiatives, including, but not limited to the:

- Stay at home order
- 14-day quarantine for all passengers
- Enforcement and monitoring of visitors
- · One-key initiative for hotel guests
- · Screening of all incoming passengers
- Ban on rental cars for anyone required to self-quarantine
- Color-coded reopening plan
- Daily updates on positive cases
- Redeployment of nonessential employees to assist with UI claims

The Committee is currently exploring the possibility of making homeowners and car renters who house visitors liable if their guest breaches the quarantine order. Cracking down on illegal TVUs and addressing loopholes in the quarantine system are vital if we want to safely reopen our state.

However, our success in flattening the curve came at a steep price. The shutdown of tourism devasted our economy. My concern regarding our reliance on out-of-state dollars was unfortunately realized this year. It has resulted in historically high unemployment numbers, and severely low tax revenues. All predictions indicate that our largest sector will not recover to pre-COVID levels for several years.

As Chair of Ways and Means, my colleagues and I have tackled the extremely arduous task of drafting a balanced budget. The significant decrease in revenues means we cannot maintain status quo. Although, we cannot make promises, we will do whatever it takes to maintain essential government services. We should not exacerbate one economic crisis to solve another.

In addition to these efforts, my colleagues and I are working to rebuild a diverse and resilient economy that offers new job opportunities. The Legislature is funding a robust CIP-driven construction industry, which historically has helped states weather recessions and recover more rapidly. As tourism is not projected to return for several years, new industries are necessary to provide jobs and income. We are working to develop fields with rapid job growth potential. I am personally committed to expanding and maintaining cybersecurity, agriculture, food manufacturing, energy, astronomy and construction pathways.

In Mililani, I am working to expand the first responder and public safety sector. We need to consolidate our first responders and public safety agencies that are scattered across the state, as well as update their antiquated training facilities and data centers. This is based on successful models in other states, such as Georgia's New Cyber Center, whose construction led to substantially increased federal and private investment into the local area, as well as hundreds of jobs, governmental programs, and government services. If done right, our very own First Responders Tech Campus and Cybersecurity Data Center can help drive a new resilient economy.

When we reconvene in June, I will do my best to serve you during these uncertain times. Please feel free to call my office if you are need of assistance. Mahalo.

A Message From **SENATOR MICHELLE KIDANI**

Aloha Mililani Community,

I want to start by saying a BIG mahalo to all of you who did your part to flatten the curve. We are at this point of low community transmission because of your efforts and commitment to community. I know that many of you, including myself, are eager to see life return to a "new normal" after the past few months, and I will continue to work to ensure that our economy is reopened in a safe and responsible manner.

I consider my role as the Chair of the Senate Education Committee my most important duty as a Senator. My role as one of six members of the Senate Special Committee on COVID-19 also became an important responsibility this year. Our Committee met many times with State and City agencies to gather important information and make critical decisions in order to fill the leadership gaps that arose in the handling of our State's pandemic response. From our offer in March to send 40 of our own staff to assist DLIR with Unemployment Insurance phone banking to the push for a 14-day mandatory quarantine on incoming travelers to requiring wearing masks, this Committee has been demonstrating leadership in maintaining accountability from State agencies. We were very fortuante that my fellow Mililani Senator, Donovan Dela Cruz, was elected to chair this Committee. He has worked tirelessly to keep Hawai'i safe.

While the State budget situation will not leave us with the fiscal freedom to fund some of the new budget items and programs initially planned, there are still bright spots to be found. The millions of dollars in Capital Improvement Projects (CIP) that myself and the other Mililani Legislators secured over the past two years have been released, including:

- Mililani Tech Park: \$2.77M for the additional acquisition of adjacent parcel lots for a Community Arts and Theatre Center.
- I have long advocated that Mililani is in need of a community arts and theatre center. Mililani has a wealth of community resources including recreation centers and open spaces but has always lacked a formal space for community productions and support of our local arts scene. We can acquire the land and move forward with deisng and construction. This facility would be shared with Leilehua Schools also as well as the First Responder Tech Park agencies
- Mililani Waena Elementary School: \$200K

for the planning of a campus-wide redesign and plan for 21st century learning spaces.

• During my summer conversations with each school, one of the issues we discussed was how Mililani Waena has reached capacity for building space. To accommodate the steadfast growth of its student body, we needed to take a good look at the modernization of the campus to accommodate student needs.

In closing, I want to end by sharing my heartfelt congratulations to our Mililani High School graduating class of 2020! I was proud to to be a part of the community's awesome graduation celebration on May 17th as we cheered on our graduates as they drove along Meheula Parkway. It was so heartening to see the turnout from friends, family and the local community who were committed to celebrating the successes of our 644 graduates, including 60 Valedictorians, 141 Summa Cum Laude, 104 Magna Cum Laude and 159 Cum Laude distinctions as well as 212 Academic Honors Certificates, 292 CTE Honors Certificates, 11 STEM Honors Certificates, 16 Seal of Biliteracy Recipients and 8 AP Capstone Diploma Honors.

To the Mililani High School class of 2020, you have shown tremendous resilence and strength despite the challenges you have faced, which will serve you well in the future. I know you will make us proud as you move forward into college, your careers and beyond! Our community and I are so very proud of you and wish you the very best in all of your new endeavors.

A Message From **REPRESENTATIVE VALERIE OKIMOTO**

Aloha Friends and Neighbors,

Thank you for the honor and privilege to serve as your voice and advocate in the state House of Representatives. Due to the COVID-19 pandemic, the Legislature and the Capitol shut down on March 16, 2020. We returned to the Capitol on May 11, 2020 to address an anticipated \$1 billion budget shortfall due to the loss of revenue. On May 21, 2020, the House and Senate voted on 7 final versions of bills which were subsequently sent to Governor Ige.

I am happy to report that the Legislature was able to craft a budget without cutting the salaries of our public workers. As you may recall, Governor Ige had suggested that he would cut pay for public workers, including teachers, by 20%, and cut the pay for state first responders by 10%. Fortunately, the legislative money committees, working with

state departments, were able to cut unfilled positions and identify unspent money to avoid pay cuts.

The Legislature also allocated funds provided to the state from the federal CARES Act to pay for law enforcement, the PUA unemployment program, improvements to the state unemployment system, and additional funds for social welfare programs such as EBT and SNAP. Congress passed a separate act in April called the PPPHCEA, and the Legislature allocated \$36 million to set up thermal screening at our airports, and \$14 million for disease outbreak control and personal protective equipment (PPE) for the Department of Health.

The COVID-19 pandemic has significantly changed our daily lives, including the lives of our children. On May 17, 2020, I had the privilege to honor Mililani High School graduates at their virtual graduation. Congratulations Class of 2020!

Construction of the new classroom building at Mililani Middle School continues despite rain delays earlier in the year. Building footings have been poured, walls have been constructed, and electrical site work has started. This new classroom building will provide enough classrooms to remove the school from its current multi-track schedule when it is completed. Mahalo to Senators Dela Cruz and Kidani, Representatives Yamane and Matsumoto, and Principal Elynne Chung to ensure this much needed building broke ground.

Mililani is fortunate to have over \$11 million released by Governor Ige this year to improve facilities at our public schools. This includes the construction of a new girl's locker room, the design of a new performing arts center, and expansion of the administration building at Mililani High School. Additional funds were provided for the new classroom building at Mililani Middle School. Mililani 'Ike Elementary School will receive a muchneeded new bell and public-address system, and Mililani Mauka Elementary School will have a new covered play court.

Due to the pandemic, only 8 bills have been sent to the Governor for action. The Legislature will return to the Capitol in mid-June to continue deliberations on many bills and resolutions. I am optimistic that the Capitol will re-open, so the public has an opportunity to provide testimony in person.

Mahalo to everyone who reached out to me or my staff to share their thoughts, opinions and feedback on bills and resolutions that are still under consideration. As your state representative in the people's House, I will continue to vote for you and our entire community. My office remains open and continues to work for you and Mililani. If you have any questions, concerns or complaints, please contact me at (808) 586-9460 or via e-mail at repokimoto@capitol.hawaii.gov. Please continue to be safe and diligent in doing all we can to keep ourselves and our loved ones healthy. Working together we will all come out of this pandemic stronger and more resilient.

Sincerely, Rep. Val Okimoto

A Message From REP. LAUREN CHEAPE MATSUMOTO

Aloha Friends and Neighbors,

I hope and pray you and your family are doing well. Normally, this newsletter would mark the end of another full, 60-day legislative session and include a wrap-up detailing the notable bills that went to the Governor. But in these unprecedented times, I want to instead provide you and your family with some important information about economic resources, community updates, and let you know what the Legislature did during its short return to the Capitol in May.

The State of Hawaii continues to expand its resources available for individuals, families, and businesses affected by the COVID-19 economic crisis. All helpful links will be posted at the end of this update. The Department of Labor and Industrial Relations (DLIR) has expanded their unemployment insurance (UI) claims processing with hundreds of volunteers at the Hawaii Convention Center and have added extra bandwidth to their servers to handle more claims and re-certifications. In addition to the federal government's assistance for business owners and farmers, the City and County of Honolulu has allocated \$25 million from the federal CARES Act to give direct grants to families and businesses in need.

The Legislature reconvened at the end of May to pass important legislation to address our State budget and economy. I'm happy to say that as of recess on May 21, 2020, we passed a budget that didn't raise taxes, cut public employee salaries, or take any further drastic measures. Instead, we passed several major pieces of legislation to address COVID-19 and lay the groundwork for a quick economic recovery. First, we funded shovel-

ready capital improvement projects and a complete overhaul and modernization of the unemployment insurance system. Second, the legislature allocated money from Hawaii's \$1.25 billion CARES Act cash infusion to go directly to counties, disaster response, and other programs to help us respond to the economic and public health impacts of the COVID-19 pandemic. Third, the Judiciary's funding bill was passed containing an important provision to require reporting and accountability to the Legislature of all inmates released under the Hawaii Supreme Court's decision. Community safety must be our number one priority and since there have been no cases of COVID-19 in our jails, the Judiciary must take a hard look at whether inmate release is in our community's best interests. Fourth, we passed a bill freezing pay raises for legislators, the Governor and his cabinet, and other public employees. Finally, we also passed a supplemental budget like in other even-numbered years. Due to the hard work of the State Council on Revenues and the House Finance Committee, we were able to pass a balanced budget that funds necessary priorities without cutting salaries. Complete information about the legislation passed during the May reconvening can be found on the capitol website linked below.

Thank you for everything you're doing to keep our community safe, flatten the curve, and prepare for a dynamic economic recovery. Whether it's the wonderful people I volunteered with at the Hawaii Food Bank. the essential workers who have kept our restaurants and grocery stores operational, or the dedicated stay-at-home residents who flattened the curve, you have each been doing your part to ensure Hawaii has some of the country's lowest COVID-19 infection and death rates. And we should also give a special shout out to all this year's graduates for accomplishing so much during this difficult time. Your community is so proud of you! From my family to yours, a big mahalo for working together and showing the world just what the Aloha spirit can do. As always, please don't hesitate to contact my office with any questions or concerns about happenings in our community. You can reach me at (808) 586-9490 or at repmatsumoto@capitol. hawaii.gov.

A Message From REPRESENTATIVE RYAN YAMANE

Aloha,

I hope you and your family are safe and healthy during this time. The past few months have been an incredibly challenging season for all of us due to the advent of COVID-19, but we have been able to weather it thus far thanks to the combined efforts of everyone in our state. My heart goes out to each and every person in the community—especially those hardest hit by the effects of the crisisas we begin the process of recuperating and moving forward. I would also like to extend a special congratulations to those who recently graduated in the Class of 2020. Although much was unfortunately taken from you during this graduation season, know that your incredible accomplishments can never be diminished. We are all very proud of you.

This has been an unprecedented time for the legislature as well. Our state's legislative session was suspended for the first time in history as an effort to slow the spread of the coronavirus, and our timetable has been affected as well. We have also had to reorganize our priorities to effectively address the drastic economic and social impacts of COVID-19.

A Message From **COUNCILMEMBER HEIDI TSUNEYOSHI**

Aloha.

I would first like to share my sincere appreciation to the Mililani Town Association (MTA) for the opportunity to share this legislative update and to the residents of Mililani for the opportunity to represent and work alongside you. There is so much good work that goes on each and every day and I am so proud to represent such a vibrant and resilient community.

One of my proudest legislative actions this year highlighted the years of good work by the MTA and allowed the City to support and enable that good work. Resolution 19-155 created a partnership between the City's Department of Facility Maintenance (DFM), Department of Planning and Permitting (DPP) and the Mililani Town Association to conduct timely repairs of sidewalks in Mililani. Over the past few years, many of the sidewalks that were maintained by the developer were transferred to the City. This led to delays of important repairs to sidewalks. With passage

of this resolution, MTA can perform repairs when tree root growth on adjacent MTA land damages sidewalks. I am very grateful to MTA for being a willing partner and entering into this partnership with the City which will greatly assist in timely and cost effective repairs to Mililani sidewalks.

I have also been working with the City Administration on needed improvements to the traffic signal at the intersection of Meheula Parkway and Makaikai Street. For years there have been concerns related to the heavy traffic in the mornings and afternoons with families making their way to Mililani Mauka Elementary School. This year, I included an appropriation to install a protected left turn phase for north and southbound traffic on Meheula Parkway to Makaikai Street. The City's Department of Transportation Services (DTS) also recognizes the need for this project and I look forward to working together toward its completion.

I continue to receive complaints regarding the potholes on Makaikai Street and regularly make requests for action to remediate this issue including pothole filling to address safety concerns. The City has also programmed Makaikai Street, between Meheula Parkway and Kuhea Street, for resurfacing as part of the City's Rehabilitation of Streets program as the long-term solution. Bid opening is set for early 2021 and DFM will continue to address the potholes until the long-term solution is implemented.

The Mililani Mauka Park and Ride is another important resource for the community that is in need of attention. The light poles have deteriorated due to rust and corrosion leading to concerns for the structural integrity of the poles. I have brought this safety concern to the attention of DTS for their attention. The DTS has identified that as a transit facility, the park and ride can qualify for Federal funding and a grant application has been submitted. Once the FTA grant is approved, the Department of Design and Construction (DDC) will put out a bid to purchase the light standards and fixtures and the DFM will be tasked with replacing the current fixtures when the new ones arrive.

I am grateful to have been able to work alongside the City and State officials and the dedicated faculty of Mililani Middle School for the realization of the much needed expansion which was made possible through an agreement between the City and State to utilize a portion of the adjacent City park land. Work on the expansion continues to progress and I am extremely happy with the work being done.

I would also like to acknowledge the fortitude and resiliency of the Mililani community during these challenging times. You have all come together to support each other in amazing and creative ways including the tremendous job of recognizing the Mililani High School Class of 2020. As a family member of a graduate, I am grateful for all the efforts of the faculty, teachers and supporters who made them feel so special.

Finally, I would like to share background on Resolution 20-108 which I introduced as a framework to move Hawaii forward in the face of the COVID-19 situation as we have met the goal set by the U.S. Centers for Disease Control and Prevention of a 14-day downward trajectory of documented new COVID-19 cases or percentage of positive COVID-19 tests in order to proceed to a phased reopening. Residents, businesses and other affected entities have done everything possible to comply with the stay at home orders and I believe that government should now be proactive and help our residents return to a sense of normalcy and restart our economy in light of their many sacrifices while continuing to focus on the health and safety of residents. I know with the right mindset and focused action we can come back stronger and not only survive, but thrive.

Mahalo again for the opportunity to represent you. If you have any questions or concerns please do not hesitate to contact me 808-768-5002 or htsuneyoshi@honolulu.gov. MAHALO!

A Message From **COUNCIL CHAIR EMERITUS RON MENOR**

Aloha! I have continued to work hard at the City Council to address the needs of our community. The following is a brief update on just a few of the areas to which I have been devoting my attention.

COVID-19 Heroes

We are tentatively moving towards reopening our community, guided by a caution borne out of a desire to protect our collective health and safety from this infectious and dangerous virus. What we are going through is unprecedented in our lifetime. It has changed almost every aspect of our lives.

If we look for a silver lining in this incredibly challenging ordeal, it could be the volunteer efforts of so many to help others less fortunate. The front line workers are putting themselves in harm's way every day as they do their jobs. Our appreciation goes out to the individuals and organizations who go above

and beyond to lend a helping hand.

Congratulations to the Class of 2020!

I would like to extend my heartfelt congratulations to the graduating seniors of the Class of 2020. They have endured a tumultuous senior year and suffered the loss of entire athletic seasons, proms and other once-in-a-lifetime special events. I would like to acknowledge them for their perseverance and hard work in getting them to this point of their lives and wish them all the best as they move forward to pursue their dreams and goals for the future.

COVID-19 Updates

For the latest updates from the State and City, here are the web addresses from Governor David Ige and Mayor Kirk Caldwell:

https://governor.hawaii.gov/emergency-proclamations/

https://www.honolulu.gov/mayor/proclamations-orders-and-rules.html

Drivers whose Hawaii licenses expired or will expire from March through June 2020 will get an automatic 90-day extension. The 90-day extension applies to all valid Hawaii learner's permits, driver's licenses and State I.D.s that expire during the specified months. It does not apply to licenses or IDs that expired before March.

License holders who are 72 or older and hold a valid, two-year driver's license that expires in 2020 may renew by mail. This does not apply, however, to drivers who have a reported medical condition requiring a secondary clearance for public safety. Drivers may mail in a completed application form, a doctor's certificate with vision clearance "up to one year current" and a check for \$10.00 for a two-year renewal. The mail-in option is also available for those with a valid State I.D. that expires in 2020. The State I.D. is good for eight years and the renewal fee is \$40.

Here is the web address for the latest information regarding motor vehicle registrations, safety checks and drivers licenses.

MONTHLY COVENANTS INSPECTIONS

In an effort to be proactive with our homeowners, MTA wants to inform everyone of the areas that are being inspected each month. The areas highlighted on this map are the areas scheduled for routine Covenant inspections for this month.

We hope to reduce the amount of violation letters we have to send out, by giving you an advance notice of where we will be. We are not trying to do our inspections in secret. We may be seen in an area that is NOT scheduled for a routine inspection. The reason is usually because we have a re-inspection, a complaint or a design project inspection in that area. Please remember, if you have any questions, please feel free to ask. We are very friendly and very willing to talk to you.

What if I don't have a printer?

Receipts can be shown on a smartphone. We just need to scan the barcode on the event tickets or read the reservation number for hall rentals. Printers are also available at public libraries and retail establishments such as copiers. To speed up check-ins, it is recommended to have the tickets printed out.

What if I don't have a computer?

Any device that has a web browser that can connect to the internet will work. We also have kiosk computers in the Internet Café at Rec 7.

What if I don't have a debit/credit card?

You will not be able to purchase online.

What if I have a 5 member household and want five tickets but you only have 4 left? Will I get 4 or do you skip me and go to the next member?

If you see the last 4 tickets left you can get those last 4. As long as it's in your shopping cart - it's yours. If you don't pay for them in 15 minutes, the tickets will be removed from your shopping cart.

What time can we go online to register or purchase tickets? Is it 8 am?

Most event tickets or program registrations are generally scheduled to be available at 8:00 am. This could change in the future. Please see event ads or visit mililantown.org for scheduled ticket availability dates/time. Members can log in at any time, but some items won't be available to be added to your cart until the scheduled day and time.

Will the system go down because everyone goes on at the same time?

Aloha Aquatics Swim Team has been around since 1971. We believe in building character, perseverance and commitment in all of

our swimmers. Our coaches are experienced and committed to developing these soft skills into your child while making swimming fun and enjoyable. Our goal is to develop in our swimmers a love for the sport while competing at the highest level of competition. Aloha Aquatics competes in USA swimming sponsored competitions in Hawaii and on the mainland. We offer four different levels of swimming experiences starting with our beginner swimmers (Bronze) up to our elite swimmers (Juniors). If interested, please drop us a line and we would be more than happy to help you find a nice fit for your child.
