PRESIDENT'S MESSAGE

Happy September Mililani!

I hope you are safe and healthy.

One of the byproducts of 2020 events has been more and more people enjoying the great Mililani landscapes and exercising outdoors. I have not seen this many walkers, joggers and bike riders, ever! I can tell you that this has forced me to drive a little slower, be more mindful of pedestrians and just be more cautious overall behind the wheel. Especially when there are so many people with some sort of earphones. If they can't hear me, I better do a much better job at watching out for them! I am

especially careful when I am approaching or turning at a traffic light and when there are lots of parked cars along the side of the road. You never know when someone will enter the crosswalk at the wrong time or if there are children that could dart out behind a parked car. Maybe we can all be more mindful and careful, not only these days, but every day!

Back in July, we went through the stress and struggles of Hurricane Douglas. As it turns out, Douglas passed just to the north of Oahu and it was barely a rainstorm for us. But it was uncomfortably close. How fortunate and blessed were we?! Our family spent the entire day clearing off our lanai and moving everything into the garage and the house. We spent time securing things at our business to make sure we had a business to go back to when this was all over. Did you know that only two storms have made direct landfall? Hurricane Dot in 1959 and an unnamed storm in 1871. I can only imagine the destruction of a hurricane's direct hit on Oahu. The fact that Douglas just missed us will not stop me from doing all the same things to prepare the next time a storm is headed for us. Because when it comes to mother nature, you just never know. We should always be ready to plan for the worst and pray for the best. Stay ready Mililani! Hurricane season lasts through November 30.

Please kokua and be
 mindful of our friends
 & neighbors.

Aloha,

Bob Barrett

MONTHLY COVENANTS INSPECTIONS

In an effort to be proactive with our homeowners, MTA wants to inform everyone of the areas that are being inspected each month. The areas highlighted on this map are the areas scheduled for routine Covenant inspections for this month.

We hope to reduce the amount of violation letters we have to send out, by giving you an advance notice of where we will be. We are not trying to do our inspections in secret. We may be seen in an area that is NOT scheduled for a routine inspection. The reason is usually because we have a re-inspection, a complaint or a design project inspection in that area. Please remember, if you have any questions, please feel free to ask. We are very friendly and very willing to talk to you.

FERAL ANIMALS

It has come to our attention that feral animals are being fed on MTA property. MTA is asking residents to please stop feeding all feral animals on any MTA property. Although it may seem harmless to feed them, there is a negative impact to MTA property and also to the surrounding homes as well. Not only is there an increase in the population of these feral animals, there is an increase in animal feces, litter from people that feed them and visible damage to the ground cover caused by the feral animals.

As a reminder, the Declaration of Covenants, Conditions and Restrictions has provisions that address the types of uses allowed on MTA property. Because this is now an ongoing problem, the cleanup has become an added cost to the Association which violates that provision. Anyone caught feeding the feral animals on MTA property will be issued a trespass violation.

MTA requests your cooperation in maintaining the standards of which we have all come to appreciate and in keeping Mililani a wonderful place to live.

THANK YOU FOR HELPING TO KEEP
MILILANI BEAUTIFUL!

INSTRUCTIONS

- In a large frying pan, add oil until about half full and heat over medium to medium high heat.
- Put flour, corn starch, salt, and pepper into a plastic or paper bag, shake to mix. Put a few pieces of chicken into bag and shake to coat, shaking off excess flour. Fry chicken, a few pieces at a time in hot oil, about 15 minutes or until cooked, adjusting heat if necessary.
- Meanwhile, in a large pot, add shoyu, sugar, garlic, chili peppers, and half of the green onions and heat on low. When the sugar and flavors melt, turn off heat; set aside.
- As chicken finishes, using tongs, shake off excess oil from chicken and lightly dip into shoyu mixture. Shake off excess shoyu mixture and place chicken in a serving pan.
- When all chicken is cooked, garnish with green onion. Serves 8.

½ cup ketchup
1 can Coca-Cola Classic, Zero or Diet (12 oz.)
