The Mililani News is a monthly publication of the Mililani Town Association. The publication is used to notify owners of community issues, changes in association policies, scheduled meetings, hearings, programs, classes, special events and activities, and for recognizing MTA members and employees for their achievements and outstanding service. MTA Management has the authority to approve or disapprove editorial submissions, materials, or advertisements. MTA does not endorse and is not responsible for the merchandise or services advertised in this publication. The Mililani News is mailed to residential properties in Mililani. If you are a homeowner who is renting your home to a tenant and live outside of Mililani, or you are a property manager or business owner in Mililani, you are welcome to view the monthly newsletter online. **If you are a property owner who would prefer to read the newsletter online, rather than receive it in the mail, call 623-7300 or send an email to jsuzuki@mililantown.org to have your property address removed from the MTA newsletter mailing list.**

WELCOME TO FEBRUARY MILILANI!

Each year in my February newsletter message, I encourage you to vote for your MTA board. Each year we mail out almost 16 thousand ballots and we only have about 20 to 25 percent returned. I like to think that everyone is mostly pleased with the work MTA is doing on your behalf, so the majority just do not vote. That said, it is a great way to show your support for your community by exercising your voice. Please take a moment and fill out your ballot and return it!

You will be glad to know that the recently renovated Rec 6 was reopened on January 2nd for reservation-based lap swim only.

The construction project at Rec 6 consisted of expansion of the hall, installation of new floor tile throughout the hall, complete renovation of the bathrooms and showers, re-tiling of the spa, re-paving of the parking lot and installation of a new hot water heater. We added 620 square feet to the hall space and removed interior walls to make one large hall. The hall at Rec 6 is now comparable in size to the hall at Rec. 3! I can't wait for it to be available for parties and events.

Aloha,

Bob Barrett

***What attracted you to run for the Board
and why do you feel you would make
a good director?***

Aloha! I am grateful for the opportunity to be considered as a MTA Director. I have dedicated my entire professional career to public service. Even as a retiree, I continue to invest my time and energy to contribute to the town where I reside.

Drawing upon my experiences in managing activities for youth, teens, adults, and seniors, I have an inherent skill to support venues that enhance the quality of life for all citizens. I possess a "can do, will do" attitude needed to accomplish tasks utilizing, but not limited to, available resources.

As the daughter of a U.S.A.F. veteran, my upbringing included moving frequently and living outside of the United States. This lifestyle has greatly contributed to my ability to adapt easily to new surroundings. I have acquired a unique perspective for meeting new people and advocating for all.

My cultural heritage and faith mirrors the heart of the Aloha Spirit where I love and serve those around me. It would be my honor and privilege to be a vested leader in the Mililani community.

Thank you for your consideration.

I have wanted to serve the Board for several years as it is the mechanism by which our Town of Mililani has been so successful. The MTA Board deals with many issues of concern to homeowners that I am also interested in dealing with and improving. I am interested in Financial management and as we deal with the Pandemic, want to help our Board stay solvent.

I believe my experience in both Government and Community Service would be an asset to the Board, and that my knowledge of the history of the community would be invaluable. I am a hard worker and a team player who wants to join the board to both serve and learn. I see the board position as a way to complete my work as a public servant and make a lasting contribution to Mililani's future.

I am currently serving on the MTA Board of Directors and would like to continue my role as YOUR Director for another 3-year term. During my tenure there has been many positive growth and updates to our existing seven beautiful recreation centers; providing easier access to the many events held each year; etc. I am proud to be part of this Mililani community, since purchasing my home many years ago. I am very involved with many organizations as indicated above and have served as a Legislature in the State of Hawaii from 2000 – 2010 and bring a breath of knowledge. 2020 with COVID-19 pandemic was definitely a very difficult/challenging year for everyone. Mililani has been my home for seventeen years and I love being a resident here. For the past six years, I have had the privilege of serving as a member of the MTA Board of Directors, and now as its Treasurer. Being able to collaborate with fellow directors and MTA personnel allows me to help our community. In 2018 and again this year, I was elected as a representative in the State Legislature to represent Mililani. It is an honor I hold dearly and is an extension of my desire to serve.

My favorite part of being on the Board is interacting with everyone in the community. I have enjoyed seeing many of you at events and hearing your input and suggestions on making our community better. I care very much about Mililani and am grateful my children can grow up here.

My leadership experiences have provided me with the skills necessary to work with people, the value of serving others, and the ability to compromise and problem solve. I ask for your support and vote allowing me to continue serving you and your families, be a voice for the residents here, and ensure our community continues to thrive.

Aloha! As a current Board Director, I am committed to the changes and adjustments with how MTA operates, especially during this pandemic. These are historical times where we must keep the community safe and stay in compliance with local government directives. Despite the challenges, the Board members, General Manager, and staff work cohesively to adapt to this environment. Also, I've been involved with a variety of projects such as energy efficient upgrades, process improvements to register for classes and events, upgrades to existing facilities, and other new projects. Additionally, we plan and collaborate to ensure Mililani stays on the forefront of being the best place to live in the future.

After living here for over 30 years, my husband Stanley and I continue to enjoy quality time in this community. Having raised children and now involved with the next generation our grandkids, I will continue to bring a collective perspective into the challenges we face, as board members and homeowners, and will seek solutions that are viable for all involved.

Please take part in this election by casting your vote. I would be honored for your vote again to continue to serve our Mililani community. MAHALO for your support!

**NEIL
TAKEDA***

COMMUNITY PARTICIPATION

I have been a proud Mililani resident since 1985 and have had the honor of serving on the MTA board of directors for the past 8 years. I have also been an involved community volunteer, supported our schools, coached youth sports, and attended many local events alongside all of you.

***What attracted you to run for the Board
and why do you feel you would make
a good director?***

My wife and I have raised our three children here in Mililani and also cared for aging relatives in our home. Like many of you, our family has benefitted from living in an age-friendly community with comfortable walking paths, accessible parks and sport facilities, and a wide variety of shops, restaurants, and amenities. Over the past decade, there has been many positive changes in Mililani that we can all be proud of. We have worked on updating our facilities, adapted association policies and covenants, and increased our use of technology to better serve our diverse community.

As an MTA board member, I am constantly thinking about how we can best meet the needs of our families, while continuing to support our great management team and staff. Now, more than ever before, we must be flexible, form new partnerships, and develop equitable solutions to help our community bounce back from this crisis as we collectively work to move Mililani forward. With your vote, I will continue to elevate your concerns, work hard to raise homeowner value and make Mililani a community for all to enjoy. Thank you for your support, please take care of yourself and your family.

MONTHLY COVENANTS INSPECTIONS

In an effort to be proactive with our homeowners, MTA wants to inform everyone of the areas that are being inspected each month. The areas highlighted on this map are the areas scheduled for routine Covenant inspections for this month.

We hope to reduce the amount of violation letters we have to send out, by giving you an advance notice of where we will be. We are not trying to do our inspections in secret. We may be seen in an area that is NOT scheduled for a routine inspection. The reason is usually because we have a re-inspection, a complaint or a design project inspection in that area. Please remember, if you have any questions, please feel free to ask. We are very friendly and very willing to talk to you.

PET OWNERS: PLEASE SCOOP THE POOP

Imagine cutting your grass when all of the sudden a brown, gooey or hardened substance flies out of the grass covering you from head to toe. The culprit: Animal Droppings! What a mess to clean up, and one of the hardest odors to remove.

The Covenants Specialists receive many calls about dog and cat messes left in someone's yard, on the ground, along sidewalks, bagged and left in the gutters, on the street, hanging on trees or bushes waiting for someone else to dispose of it.

We are asking residents to assist us to help solve this everyday occurrence. We could remind everyone about the City & County Ordinance but instead we are asking pet owners and/or caregivers to simply do their part.

Please clean up, bag, and remove your pet's droppings, for the benefit of the common area landscapers as well as for every single person who lives in Mililani. If you are a cat owner, consider leaving a litter box in your backyard for your cat to use.

O'ahu's Housing Market Rebounds with Year-End Spike in Activity

Record-low mortgage rates and low inventory drive heightened competition and modest increase in median sales prices for O'ahu's real estate market in 2020.

Closed sales of single-family homes on O'ahu were up 35.9%, and condo sales rose by 20.1% compared to the same period in 2019. New listings increased by 15.3% and 3.6% year-over-year for single-family homes and condos, respectively. Median sales prices for December 2020 were up 6.1% at \$870,000 for single-family homes and 6.9% to \$455,000 for condos.
