WELCOME TO APRIL MILILANI! 🇺🇸🇧🇪🇩🇪

Its April already and this year is chugging along rapidly as usual! For me, the theme for this year has been all about the vaccine and how to help my family, friends, employees, and myself get vaccinated. We recently moved my parents into a senior living facility and they received their shots as soon as they moved in. That gave me a small sense of peace knowing that they have a much better chance of remaining healthy as they start this new chapter in their lives.

It is my hope that as the year goes on, the restrictions will ease up and we will see more and more things opening up in and around MTA. I never thought I would miss things like meetings and traffic, but I do. I met with someone a few weeks ago and when our meeting was over,

he extended his hand for a handshake. Of course, I shook his hand without hesitation. Later, I found myself thinking about how foreign the handshake was to me now, and how much I miss that level of personal contact, from handshakes to hugs.

I know we are all anxiously awaiting the green light to have our gatherings again at our rec centers. I have missed meeting with you all at our in-person events, and look forward to shaking your hands again soon!

Aloha,

Bob Barrett

MILILANI TOWN ASSOCIATION BUDGET 2021-2022

The following is a budget for the upcoming fiscal year (April 1, 2021, through March 31, 2022) based on the Board of Directors' best estimate of the costs and expenses that will be incurred by the Association in the upcoming year in light of prior years' experience. The Association has historically minimized increases in membership assessments by using the Association's net income from other sources (e.g., cell phone tower rental income, event sponsorships, newsletter advertising) to defray part of the Association's expenses each year. As part of its financial practices and in order to protect against large unanticipated special assessments, the Association has also established and maintains capital reserves for repairs, replacements, improvements, etc. The Association's reserves are an essential part of maintaining home values in the Mililani Town and an important component of the Association's long-range planning. Before the beginning of each fiscal year, the members of the Association have resolved to treat as special assessments and capital contributions to the Association's capital reserves the amount of any excess revenues from membership assessments in the ensuing year, and these amounts have been added to the Association's capital reserves.

**** Excluding administrative expenses and net investment gain/loss

Now that we're a few weeks removed from 2020, it's a good time to reflect on such a momentous year. We can think about developments in the social and political spheres, but we also learned – or perhaps re-learned – some valuable lessons about investing.

Here are four of them:

• **A long-term perspective is essential.** Volatility in the financial markets is nothing new, but, even so, 2020 was one for the books. Of course, the COVID-19 outbreak was the driving force behind most of the wild price swings. Soon after the pandemic's effects were first felt, the S&P 500, a common index of U.S. large-cap stocks, fell 34% but gained 67% by the end of the year. Consequently, investors who stuck with their investment portfolios and kept their eyes on their long-term goals, rather than on shocking headlines, ended up doing well. And while 2020 was obviously an unusual year, the long-term approach will always be valuable to investors.

• **Investment opportunities are always available.**

The pandemic drove down the prices of many stocks but it didn't necessarily harm the long-term fundamentals of these companies. In other words, they may still have had strong management, still produced desirable products and services, and still had good prospects for growth. In short, they may still have been good investment opportunities – and when their prices were depressed, they may also have been "bargains" for smart investors. And this is the case with virtually any market downturn – some high-quality stocks will be available at favorable prices.

• **Diversification pays off.** Bond prices often move in a different direction from stocks. So, during a period of volatility when stock prices are falling, such as we saw in the weeks after the pandemic hit in March, the presence of bonds in your portfolio can lessen the impact of the downturn and stabilize your overall returns. And this, in essence, is the value of maintaining a balanced and diversified portfolio. (Keep in mind, though, that diversification can't guarantee profits or prevent all losses.)

• **The market looks ahead.** The pandemic-driven market plunge may have been stunning, but it made a kind of intrinsic sense – after all, the sudden arrival of a pandemic that threatened lives, closed businesses and cost millions of jobs doesn't sound like a positive event for the financial markets. But the strong rally that followed the initial drop and continued into 2021 has surprised many people. After all, the pandemic's effects were felt throughout the rest of 2020, and are still being felt now, so why did stock prices rise? The answer is pretty straightforward: The financial markets always look ahead, not behind. And for a variety of reasons including widespread vaccinations, anticipated economic stimulus measures from Congress and the Biden administration, and the Federal Reserve's continued steps to keep interest rates low the markets are anticipating much stronger economic growth, possibly starting in the second half of 2021.

All of us are probably glad to have 2020 behind us. Yet, the year taught us some investment lessons that we can put to work in 2021 – and beyond.

YARD OF THE QUARTER: Q2 2021 NOMINEES

In an effort to recognize homeowners who keep their yards looking beautiful, which enhances their neighborhood, our Covenant Specialists will nominate front yards that catch their eye. There will be six yards nominated each quarter.

The winner will receive \$400 in cash or cash equivalent from the Yard of the Quarter sponsor.

There is no limit to the number of times a yard can be nominated, but a yard can only win once per year. To be eligible to be nominated, the property must be owner occupied and in good standing with the Association. In addition, the owner must agree to have a picture of their yard shown in the MTA newsletter and on the MTA web site. The winner will be published in a picture with the Sponsor and nominating Covenant Specialist.

MONTHLY COVENANTS INSPECTIONS

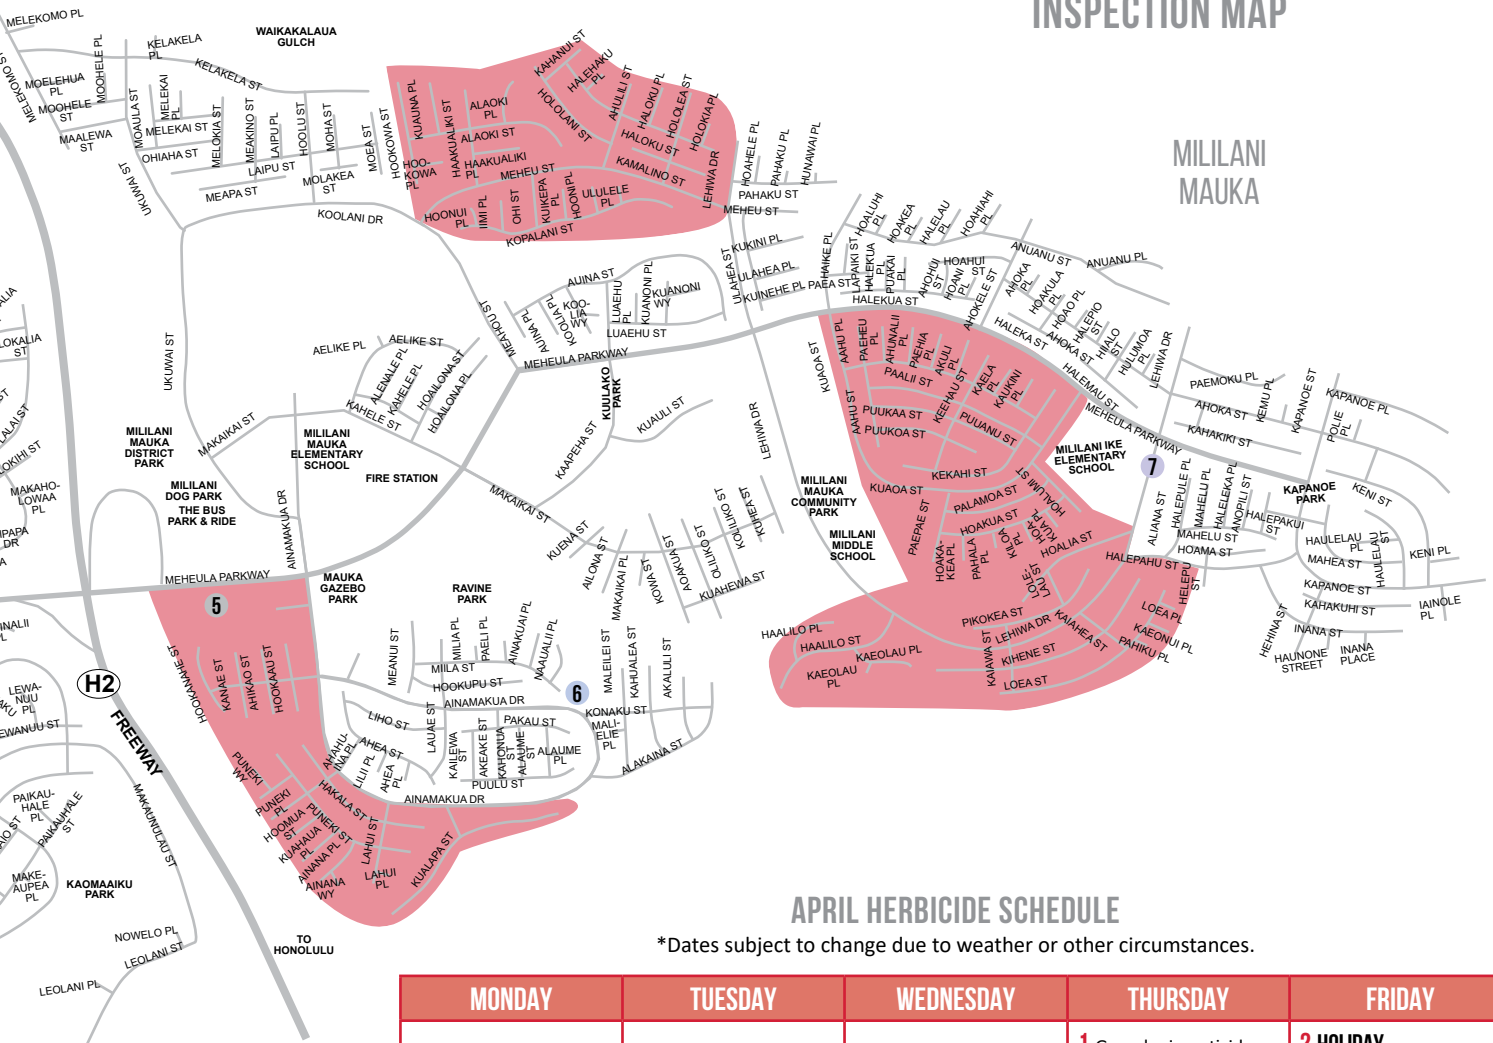

In an effort to be proactive with our homeowners, MTA wants to inform everyone of the areas that are being inspected each month. The areas highlighted on this map are the areas scheduled for routine Covenant inspections for this month.

We hope to reduce the amount of violation letters we have to send out, by giving you an advance notice of where we will be. We are not trying to do our inspections in secret. We may be seen in an area that is NOT scheduled for a routine inspection. The reason is usually because we have a re-inspection, a complaint or a design project inspection in that area. Please remember, if you have any questions, please feel free to ask. We are very friendly and very willing to talk to you.

MTA COMMUNITY CORNER

Mililani has an extensive and loving dog community and is fortunate to have many areas to walk our canine members of the family to keep them healthy. MTA has many Oops! Stations set up around heavily used areas so that members can easily dispose of their dog's waste. These stations are cleaned and stocked with bags regularly to help keep Mililani clean and beautiful.

MTA OOPS! STATIONS

MTA has received complaints that people are tossing their poop bags into storm drains. While this is a county violation and subject to fines, it's important to keep in mind that storm drains are only designed to handle rain water runoff. Any debris (poop bags, lawn cuttings, leaves, etc.) go into our storm system and directly into the ocean. It does not pass through our sewer system to be cleaned.

PLEASE KOKUA:

OOPS STATIONS ARE FOR OUR MEMBERS TO CONVENIENTLY DISPOSE OF THEIR DOG'S WASTE. PLEASE USE ONLY ONE BAG SO OTHER'S MAY USE THE STATION. MAHALO!

As a courtesy to our neighbors and for the health of Hawaii's oceans, please kokua and dispose of your pet's waste in one of the convenient Oops! Stations or when you get home. Mahalo!

Spring Cleaning? Where to Donate as You Declutter

With COVID-19 still a concern for many, you may be wondering what the latest protocol is for donating any of your holiday and household excess in during Spring cleaning. Although some charities are still not accepting donations, here are a few places that are.

GOT BOXES? Animal Shelters such as K9 Kokua in Wahiawa, K9kokua.org PH: 808.284.4310 or The Humane Society in Honolulu, HumaneHawaii.org PH: 808.356.2200, will gladly take your empty boxes, old newspapers, old sheets, towels and blankets for bedding and transporting, in addition to any kennels, leashes, animal toys and food you may be able to donate.

HOUSEHOLD GOODS, dishware, bags, gently used clothing, linens, toys, or school supplies can be donated to Tyrell's Angels in Waipahu, facebook.com/tyrellsangels/ PH: 808.397.7186. If you have extra remodeling supplies such as cabinets, tile, carpet, appliances or furniture can be donated to Habitat for Humanity's ReStore located in either their Kapolei or Honolulu Location www.leewardhabitat.org PH: 808.682.8411.

From all of our Agents, thank you Mililani for your continued community support.

MEMBERSHIP POLICY

To access MTA's Recreation Centers, participate in programs, classes and/or attend Special Events, members must obtain a valid MTA membership card.

The Owner listed on the property must submit an "Owner's Membership Information" form acknowledging that those listed are residing at the homeowner's property address.

The Member Services Department will be reviewing accounts. Proof of residency at the MTA property address may be required. An "Affidavit of Residency" will need to be signed in front of a Notary Public stating that the listed residents are permanently living with the Owner at the property address.

Misrepresentation of facts to obtain membership may result in the rescinding of MTA membership cards and/or suspension of privileges for the member(s) of the respective MTA property.

MTA MEMBERSHIP CARDS

Only one Member card is needed for your entire household. This will eliminate the need to purchase individual cards for everyone in your household.

No pictures or expiration date will be printed. A picture will still need to be taken for our RecTrac system only. At your convenience, please stop by any Recreation Center or Business Office to take your pictures.

MTA MEMBERSHIP ID CARD FEES:

New Card \$6.50 | 1 Year Renewal \$5 | Additional Cards \$2

Don't forget a picture ID for verification. You may also take a picture of the barcode on the back of the card with your phone in lieu of purchasing an additional card.

MTA GUEST PASS

Guests will be required to have a Guest Pass, good for one day, with a fee of \$10 per pass (each individual needs a pass).

This pass is good for the entire day it is used, at any MTA Rec. Center as long as the guest is accompanied by the member at all times.

Guest Passes may be purchased at Rec 1, 2, 4, 6 (credit card only), or at one of our Business Offices at Rec 3 and 7.
