WELCOME TO MAY MILILANI!

Last March, we were excited that the Department of Health and Times Supermarkets brought the Johnson and Johnson vaccines to Recreation Center 5. I hope you took advantage of the opportunity. As I mentioned in previous messages, I feel that this is our light at the end of the tunnel. While this virus may never go away, getting the vaccine makes sense as it relates to prevention and overall good health practices.

Each month I give a fair amount of thought as to what I will be writing about. I am always thoughtful about the personal content of my message and wonder if you would just rather hear about MTA business. This one will get personal and, you should know, I always

write with the intention of helping others.

As I mentioned in a previous message, my mother is suffering from Alzheimer's. We have known this for a little over a year now, but the symptoms are rapidly getting worse each week. Just last week she was telling me that she couldn't remember how to get dressed and she was upset because a strange man was trying to help her. This strange man was her husband. She temporarily forgot who he was. We know that it is only a matter of time before this is going to progress into her not being able to recognize anyone. Alzheimer patients have a fair long-term memory and very little short-term memory. This can explain why she is calling me every couple of days just to hear my voice and to remind me that I am her little boy. It's like holding onto a ribbon with a helium balloon of the end. Each time my grip loosens, the balloon slips a little further away. Soon it will be gone, and all I can do is watch it float away. I have also been extremely surprised with my dad. He has been so patient with her. I can only hope that I will have that level of love and understanding when I am his age. It's amazing to witness and it gives me some peace to know that, at the end of the day, all they have left is their love for each other and that is enough. Everything else is mostly meaningless. There is a huge life lesson there for me. There are some things that can be an irritation or sources of frustration, but if you have someone to love and they love you back, no matter what, that can sustain you. I know my physical time with my parents is coming to an end. It is my goal to be in every moment I can with them and to cherish the time we can spend together before it is gone.

Aloha,

Bob Barrett

If you're planning to retire in just a few years, you may be getting excited about this next phase of your life. However, your ability to enjoy retirement fully will depend, at least partially, on the resources you can draw from your investment portfolio. So, while you still have time to act, ask yourself if you're comfortable with your portfolio's risk level.

Your relationship with risk can change noticeably over time. When you started saving for retirement, you may have been willing to take on more investment risk, which translated into a relatively high percentage of stocks and stock-based mutual funds in your investment portfolio. As you know, stocks offer the potential for greater returns than other assets - such as bonds and certificates of deposit (CDs) - but they are also typically more volatile and carry more risk. But when you were many decades away from retirement, you had sufficient time to recover from market fluctuations. (Of course, there are no guarantees - it's possible that some stocks will lose value and never regain it.)

Now, fast forward to where you are now - closing in on retirement. Even at this stage of your life - and, in fact, even during your retirement - you will need some growth-oriented investments to help stay ahead of inflation. Over time, even a low inflation rate, such as we've had the past several years, can erode your purchasing power.

So, the issue isn't this: "Should I get rid of all my risk?" You shouldn't - and, in fact, you couldn't, because all investments, even the ones considered most "conservative," contain some type of risk, even if it isn't the risk of loss of principal. For instance, some investments run the risk of not keeping up with inflation. Instead, ask yourself these questions: "How much risk should I take within my portfolio?" "How much risk do I actually need to achieve my goals in retirement?"

Of course, there are no one-size-fits-all answers. You'll need to look at your investment portfolio to see if it's positioned to provide you with the income you'll require in your retirement years. You might have initially based your financial strategy on a specific type of retirement lifestyle, but now that you're nearing retirement, perhaps you've changed your mind. Your anticipated new lifestyle might require either more or less income than you had originally projected - and if that's the case, you may need to adjust the risk level in your portfolio or make other adjustments.

For example, suppose you had initially envisioned a rather quiet retirement, sticking around your home, volunteering and spending time with your grandchildren. But in recent years

- and especially since the confinement many of us have felt during the COVID-19 pandemic - you may have thought that you'd now like to travel extensively. To achieve this goal, which will likely cost more than your original one, you may have to work longer, or invest more each year until you retire, or seek a higher return on your investments - which means accepting more risk.

As you can see, managing risk is a balancing act - and you may need to make some tough choices. But as long as you're aware of how much risk you can take, and how much risk you may need to take to reach your goals, you can develop a strategy that aligns with your objectives.

MONTHLY COVENANTS INSPECTIONS

In an effort to be proactive with our homeowners, MTA wants to inform everyone of the areas that are being inspected each month. The areas highlighted on this map are the areas scheduled for routine Covenant inspections for this month.

We hope to reduce the amount of violation letters we have to send out, by giving you an advance notice of where we will be. We are not trying to do our inspections in secret. We may be seen in an area that is NOT scheduled for a routine inspection. The reason is usually because we have a re-inspection, a complaint or a design project inspection in that area. Please remember, if you have any questions, please feel free to ask. We are very friendly and very willing to talk to you.

FOR YOUR SAFETY: PLEASE WALK & RUN ON THE SIDEWALK

We are fortunate to have beautiful landscaping and clean and safe sidewalks in Mililani. Please be safe and take advantage of the sidewalks instead of walking, running or playing on the roadways.

(2) Where sidewalks are not provided, pedestrians walking along and upon any roadway, when practical, walk only on the left side of the roadway or it's shoulder facing traffic from the opposite direction.

SAFETY TIPS FROM THE ROAD RUNNERS CLUB OF AMERICA:

- **DON'T WEAR HEADPHONES AND ALWAYS STAY AWARE OF WHAT'S HAPPENING AROUND YOU.**
- **OBEY TRAFFIC SIGNS AND SIGNALS AND LOOK BOTH WAYS BEFORE CROSSING AT A CROSS WALK.**
- **WEAR REFLECTIVE MATERIAL OR LIGHT COLORED CLOTHES IF YOU MUST RUN BEFORE DAWN OR AFTER DARK.**
- **RESPECT PRIVATE PROPERTY AND PLEASE DON'T LITTER.**

MEMBERSHIP POLICY

To access MTA's Recreation Centers, participate in programs, classes and/or attend Special Events, members must obtain a valid MTA membership card.

The Owner listed on the property must submit an "Owner's Membership Information" form acknowledging that those listed are residing at the homeowner's property address.

The Member Services Department will be reviewing accounts. Proof of residency at the MTA property address may be required. An "Affidavit of Residency" will need to be signed in front of a Notary Public stating that the listed residents are permanently living with the Owner at the property address.

Misrepresentation of facts to obtain membership may result in the rescinding of MTA membership cards and/or suspension of privileges for the member(s) of the respective MTA property.

MTA MEMBERSHIP CARDS

Only one Member card is needed for your entire household. This will eliminate the need to purchase individual cards for everyone in your household.

No pictures or expiration date will be printed. A picture will still need to be taken for our RecTrac system only. At your convenience, please stop by any Recreation Center or Business Office to take your pictures.

MTA MEMBERSHIP ID CARD FEES:

Don't forget a picture ID for verification. You may also take a picture of the barcode on the back of the card with your phone in lieu of purchasing an additional card.

MTA GUEST PASS

Guests will be required to have a Guest Pass, good for one day, with a fee of \$10 per pass (each individual needs a pass).

This pass is good for the entire day it is used, at any MTA Rec. Center as long as the guest is accompanied by the member at all times.

Guest Passes may be purchased at Rec 1, 2, 4, 6 (credit card only), or at one of our Business Offices at Rec 3 and 7.
