## WELCOME TO JUNE MILILANI! 🇺🇸🇧🇷🇵🇷

Welcome to the middle of the year! It's amazing how fast time flies!

You may recall the message I wrote 4 years ago about dropping our son off at college and coming home without him. That was a difficult time for my wife and I but we knew it was the best for him and that he would flourish and do well. He did both of those things, despite a global pandemic. We made the trip back to the mainland in May to watch him graduate. He finished college with honors and Magna Cum Laude. A proud parent moment. It was him that wanted the experience of going to college on the mainland. We knew he would do well, and he did.

At the time of this writing, there is a chance that he may get a job in his major and actually have a chance to use his degree. He will be staying on the mainland to pursue a career and since he is our only child, we are acting happy about that on the outside and wishing he was still at home on the inside. We know this is a new chapter in his life and it is up to us as parents to help him live it.

I also want to give thanks to my wife for 90 years of marriage! By the calendar, June 1st we celebrate our 30th wedding anniversary but since we work together, I multiply it by three. It's the marriage version of dog years. She has to put up with me all day and every day. Even I have a hard time putting up with me, I can't imagine how she does it! All joking aside, it has been a wonderful 30 years and I am honored to be her husband. When I look back at pictures, I see two young kids that loved and trusted each other. We are still those people, just a bit older and much wiser. We raised a fantastic young man and together we have touched many lives in a positive way. Here is to another 30 years! I love you honey!

*Aloha,*

**Bob Barrett**

## MONTHLY COVENANTS INSPECTIONS

In an effort to be proactive with our homeowners, MTA wants to inform everyone of the areas that are being inspected each month. The areas highlighted on this map are the areas scheduled for routine Covenant inspections for this month.

We hope to reduce the amount of violation letters we have to send out, by giving you an advance notice of where we will be. We are not trying to do our inspections in secret. We may be seen in an area that is NOT scheduled for a routine inspection. The reason is usually because we have a re-inspection, a complaint or a design project inspection in that area. Please remember, if you have any questions, please feel free to ask. We are very friendly and very willing to talk to you.

## VIEW YOUR *Financial Situation* HOLISTICALLY

What's the biggest financial mistake you can make? Choosing the wrong investments? Waiting too long to save for retirement? Underestimating the costs of retirement? All these are reasonable answers, but the biggest mistake you might make is not looking at your financial picture holistically – that is, not bringing into the picture all the elements of yourself.

Let's consider some of them:

- Your views on helping your family – Your decisions about helping your family are clearly going to be a major part of

your financial strategy – and this is true at virtually all stages of your life. When your children are young, you'll need to decide if you're going to put away money for their college education, and, if so, how much, and in what investment vehicles. When they're young adults, you may also need to decide how much financial support you're willing to provide for things such as the down payment on a new home. And when you're drawing up your estate plans, you'll need to consider how to distribute assets to your children, grandchildren or other family members.

- Your personal beliefs – As someone with civic, ethical and moral concerns, you want to positively affect the world around you. And that's why you may feel compelled to make charitable gifts throughout your life and then make philanthropy part of your legacy. To accomplish these objectives, you'll want to include gifting techniques in your financial strategy today and your estate plans for tomorrow. Of course, for the estate planning component, you'll need to work with your tax and legal advisors.

- Your purpose in life when you retire – When you retire, you may be stepping off a career path, but you're also entering a world of possibilities. How will you define, and live out, your new sense of purpose at this stage of your life? Do you seek to broaden your horizons by traveling around the world? Do you want to give back more to the community by volunteering? Can you spend more time pursuing the hobbies you enjoy? Each of these choices will carry different financial implications for how much you'll need to accumulate for retirement and how much you will need to take out each year from your retirement accounts, such as your IRA and 401(k).

- Your health – Your physical and mental health can play big roles in your financial plans and outlook. On the most basic level, the healthier you are, and the better you take care of yourself, the lower your health care bills will likely be during retirement, which will affect the amount you need to put away for health care. And you also may need to prepare for the costs of long-term care, which can be enormous – in fact, a private room in a nursing home can easily cost \$100,000 per year, according to the insurance company Genworth.

It can be challenging to weave all these elements into a single, unified vision, so you may want to get some help from a financial professional. But, in any case, be prepared to look at your situation holistically – because, when putting together a lifetime's financial strategy, every part of your life matters.

### PLEASE USE SWIM DIAPERS AT MTA POOLS

For clarity, swim diapers protect against fecal contamination in pools. Made to be waterproof and non-absorbent, swim diapers do not necessarily prevent urine leaks, but instead snugly hug the legs and waist of your child, containing fecal accidents and allowing you peace of mind. As for regular disposable diapers, these are made to be as absorbent as possible. When placed in the pool, regular disposable diapers quickly swell with water and may rupture, releasing absorbent gel beads that then clog the pool filters. Whether you decide to use disposable or reusable swim diapers is up to you, but either way swim diapers are a must while enjoying your time at our pools.

## MEMBERSHIP POLICY

To access MTA's Recreation Centers, participate in programs, classes and/or attend Special Events, members must obtain a valid MTA membership card.

The Owner listed on the property must submit an "Owner's Membership Information" form acknowledging that those listed are residing at the homeowner's property address.

The Member Services Department will be reviewing accounts. Proof of residency at the MTA property address may be required. An "Affidavit of Residency" will need to be signed in front of a Notary Public stating that the listed residents are permanently living with the Owner at the property address.

Misrepresentation of facts to obtain membership may result in the rescinding of MTA membership cards and/or suspension of privileges for the member(s) of the respective MTA property.

## MTA MEMBERSHIP CARDS

Only one Member card is needed for your entire household. This will eliminate the need to purchase individual cards for everyone in your household.

No pictures or expiration date will be printed. A picture will still need to be taken for our RecTrac system only. At your convenience, please stop by any Recreation Center or Business Office to take your pictures.

### MTA MEMBERSHIP ID CARD FEES:

**Don't forget a picture ID for verification.** You may also take a picture of the barcode on the back of the card with your phone in lieu of purchasing an additional card.

## MTA GUEST PASS

Guests will be required to have a Guest Pass, good for one day, with a fee of \$10 per pass (each individual needs a pass).

This pass is good for the entire day it is used, at any MTA Rec. Center as long as the guest is accompanied by the member at all times.

Guest Passes may be purchased at Rec 1, 2, 4, 6 (credit card only), or at one of our Business Offices at Rec 3 and 7.
