ENFORCEMENT PROCEDURES

J. ENFORCEMENT PROCEDURES

1. Violation of any of the "MILILANI TOWN RULES" while using any of the Mililani Recreation Centers will result in two verbal warnings before being ejected from the premises. The individual will be refused Recreation Center use privileges for a period of 48 hours. Any activity that is dangerous to an individual or others and/or illegal will not require any warning and will result in immediate ejection from the premises. (If the individual refuses to vacate the premises as requested, HPD will be summoned and the violator charged with "trespassing").
2. The member's MTA Membership I.D. Card will be withheld for the duration of the suspension. If the violator is a guest, the sponsoring member's MTA Membership I.D. Card will be withheld and he too will be suspended. The member may retrieve his card at the Recreation Center III office upon completion of the suspension period.
3. A letter will be sent to the violator (or to the parents if the violator is a minor) reiterating the violation and the subsequent penalties imposed.
4. Any repetition of the same violation will not require warning before being ejected from the premises. Additional penalties imposed may be more severe including, but not limited to, suspension of all privileges for a longer period as determined by the General Manager (Note: Suspensions and penalties may not necessarily be for the same rule violation).
5. A violator who is facing a suspension of Recreation Center use privileges for longer than 48 hours may appeal the suspension to the General Manager by requesting an appointment during normal business hours. On or before the meeting with the General Manager, the violator should provide a written statement explaining why the violator believes that no violation exists or the suspension is not justified, including the names and addresses of any witnesses and written statements from witnesses, if available. The General Manager shall decide on the duration of the suspension after meeting with the violator and considering the documentation provided by the violator.
6. A homeowner that refuses to honor the suspension imposed may have a temporary restraining order (TRO) issued by the Association against the homeowner. Any legal fees and court costs related to such action shall be assessed to the homeowner as authorized by the Mililani Town DCCR.
7. The member may appeal the charges and penalties imposed on him by submitting a written appeal, no later than ten (10) days from the date of the imposed charges and/or penalties, to the Board of Directors.

1. Rooms used for meetings and activities are reserved on a priority basis for MTA Board and Committees, MTA-conducted activities, and MTA-sponsored groups, in that order.
2. Meetings are to be conducted within the normal operating (office) hours unless an exception is made by the General Manager. A rental fee may be assessed to non-MTA-sponsored organizations.
3. Only MTA members may rent the facilities for a private function. A member who loses/rescinds/transfers his Mililani Recreation Center membership privileges because of sale of his property, termination of tenant lease, etc., also voids his facility rental privileges regardless of a signed MTA Rental Agreement. Information regarding the facilities available for rent, rental day/hours, rental rates, etc., may be obtained from the Administration Office.
4. "Homeowner(s)" or "Tenants" with a valid Transfer of Privileges Form on file may make a reservation up to one (1) year in advance but not less than 30 days from the desired date, on a first-come, first-serve basis. Only one reservation may be made per day per household. Tenant's privileges must be good through the intended

party date.

5. A “MTA Rental Agreement For Use of Recreation Center Facilities”, must be completed and submitted along with the required rental fee amount in full for each application before a rental reservation can be considered. A reservation is confirmed only after the General Manager has signed the Rental Agreement form.
6. Any cancellations of a rental must be submitted in writing. Changing the date, time and/or location of a reservation is considered a cancellation and cancellation fees will be assessed. A \$25 cancellation fee will be deducted from the hall rental payment and the balance refunded if the cancellation notice is received 120 days or more before the scheduled date of the activity. \$100 from the hall rental payment will be retained if cancellation notice is received by MTA between 120 days to 31 days from the scheduled date of the activity. Cancellation notice received 30 days or less will forfeit \$250 of the hall rental payment. Cancellation of a pool party due to inclement weather will be accepted with full refund provided such notice is given to MTA no later than 10:00 a.m. on the day of the rental. Pro-rata refund will be given if the Lifeguard cancels the pool rental in progress due to inclement weather. Pool cancellations: 120 days or more - \$25; 120-31 days - \$50; 30 days or less - \$100.

All paperwork must be submitted to MTA at least 30 days prior to the date of the event. Party machines are prohibited at Recreation Center 2, 4 and 7.

FAIR HOUSING

O. NON-DISCRIMINATION POLICY

Pursuant to HRS Chapter 515, Title VIII of the Civil Rights Acts of 1968 as amended by the Fair Housing Amendments of 1988, and our non-discrimination policy, MTA does not discriminate on the basis of race, sex (including gender identity or expression and sexual orientation), color, religion, marital status, familial status, ancestry, disability, age or HIV (human immunodeficiency virus infection) in housing or real estate transactions. It is our policy to extend to all individuals the full and equal enjoyment of the advantages, facilities, privileges and services consistent with HRS Chapter 515 and the Federal Fair Housing Act. When providing services and facilities or enforcing the rules at the project, MTA will not allow discrimination, except as permitted by law. In particular, MTA will not treat any person unequally:

1. In granting or withholding any approval or consent required under the Association’s rules.
2. In enforcing requirements of the Association rules about occupancy restrictions or use of the recreational facilities which might unlawfully restrict families with children.
3. In connection with requests of disabled occupants or visitors of the project to have guide dogs, signal dogs, or other animals required because of the occupant’s or visitor’s disability; except that if the animals become a nuisance to others they will not be permitted at the project and will have to be removed.
4. In processing requests of disabled occupants to: (i) make reasonable modifications to an apartment or the common areas at their own expense; and (ii) have reasonable exemptions from requirements of the Association rules, to enable those occupants to have full use and enjoyment of the project.

The General Manager and Board will suspend any requirement of MTA rules which, if enforced, could result in unlawful discrimination. If, however, a resident of the project or a visitor is requesting: an animal; modifications to a lot or the common areas; or an exemption from the rules because of a disability, MTA may require written confirmation of the disability from a physician or other qualified person, including a statement from the physician or other qualified person as to the reasonable accommodation which is being requested. Please contact the General Manager if you have any questions.

P. POLICY AGAINST HARASSMENT

1. MTA seeks to promote reasonable use and enjoyment of the community without discrimination or harassment because of one’s race, sex (including gender identity or expression), sexual orientation, color, religion, marital

status, familial status, ancestry, disability, age, HIV infection, national origin, or handicapped status, or any other grounds protected under state and federal fair housing laws, regulations, and/or applicable executive orders.

2. Any incident of discrimination or harassment should be reported to the General Manager, his/her designee, or any person in MTA's management. MTA will make every effort to promptly investigate any allegations of discrimination or harassment in as confidential a manner as possible and to take appropriate corrective action if warranted.
3. A person should call the police if the person fears for his or her safety. The person may also seek a Temporary Restraining Order ("TRO") with the appropriate court. After the TRO has been obtained, the person can call the police if the harassing conduct happens again.
4. One aspect of our policy requires particular clarification: our prohibition against any form of sexual harassment. We have listed below examples of conduct that are prohibited as well as outlined procedures for addressing any complaints of sexual harassment that may arise.

Sexual harassment may include unwelcome sexual advances, requests for sexual favors, and any other verbal, visual or physical conduct of a sexual nature. Sexual harassment also may include unwelcome sexual flirtations or propositions, verbal abuse of a sexual nature, subtle pressure or requests for sexual activities, unnecessary touching of an individual, graphic or verbal commentaries about an individual's body, sexually degrading words used to describe an individual, a display of sexually suggestive objects or pictures in the work place, sexually explicit or offensive jokes, or physical assault.

Any resident or employee who feels a target of sexual harassment, including but not limited to any of the conduct listed above, by an MTA employee, vendor, or director should bring the matter to the immediate attention of the General Manager. Any resident or employee who feels a target of sexual harassment, including but not limited to any of the conduct listed above, by the General Manager should bring the matter to the immediate attention of the Board President. Every effort will be made to promptly investigate all allegations of harassment in as confidential a manner as possible and take appropriate corrective action if warranted.

5. MTA expressly prohibits and does not condone any form of retaliation against any individual who has complained of harassment, cooperated with the investigation of a complaint, or acted as a witness during the investigation of a complaint.
