PRESIDENT'S MESSAGE

Welcome to October Mililani! I know I've said it in the past, but I really enjoy this time of year. The weather starts to cool, the holidays are right around the corner and a "fresh start" New Year is on its way. I also really enjoy Halloween and how we get to spend time with our neighbors handing out treats to the kids and how much enjoyment it brings the kids and families of our community. It's just great!

I did a lot of traveling during the month of September. It was interesting and at times challenging but it was nice to travel once again. I can remember when I was a child my mother used to work for a major airlines. She was a reservations agent. Do you remember the days when you would call the airlines and book your reservation with them? Now we do it all ourselves online. I can even remember back when I was traveling with my mother as a child when the airplane was divided into two sections smoking and non-smoking. I can remember thinking even though those people that are smoking only a couple of rows away I can still smell it and I'm still breathing it in. It didn't seem safe to me even as a young kid. It's interesting to think how times have changed. It makes me wonder what airline travel or just travel in general will be like 20 or 30 years from now! I can also remember when everyone used to watch the same movie. They would have movie screens on the airplane and when the time was right they would play the movie and everybody watched. Now we bring our own entertainment with us. We can download hours of movies and TV shows and bring them on our own devices and watch whatever we want whenever we want. Another great example of how times have changed!

I wish you a wonderful and safe Fall season. It would be a great time to go pick up a pumpkin spice latte at the Rec 7 Café!

Aloha,

Bob Barrett

MONTHLY COVENANTS INSPECTIONS

In an effort to be proactive with our homeowners, MTA wants to inform everyone of the areas that are being inspected each month. The areas highlighted on this map are the areas scheduled for routine Covenant inspections for this month.

We hope to reduce the amount of violation letters we have to send out, by giving you an advance notice of where we will be. We are not trying to do our inspections in secret. We may be seen in an area that is NOT scheduled for a routine inspection. The reason is usually because we have a re-inspection, a complaint or a design project inspection in that area. Please remember, if you have any questions, please feel free to ask. We are very friendly and very willing to talk to you.

ROTARY CLUB CELEBRATES 25TH ANNIVERSARY

The Rotary Club of Mililani Sunrise (RCMS) was chartered on July 1, 1996, and became the 36th Rotary Club in Hawaii, (District 5000). RCMS is part of a global community with 53 Rotary Clubs in Hawaii, and 35,000 worldwide, in more than 220 countries and geographical areas.

With the backing of D5000 and the sponsorship of the Rotary Club of Wahiawa-Waialua, RCMS chartered with 30 Rotarians, under the leadership of Charter President, Dr. Steven Orimoto. Dr. Steve was able to recruit several other professionals in the healthcare industry, cable giant Oceanic and Verifone, attorneys, educators, and bankers. Two former MTA employees were also charter members, Calvin Maeda, general manager, and Crispin Bergatino, common area manager.

We want to recognize two former members who accelerated in their professions, Art Gladstone, now Chief Executive Officer of Straub and Pali Momi Hospitals, and Harry Saunders, now Divisional President for Castle & Cooke Homes.

What's Rotary?

Rotary is the world's premier international humanitarian service organization. We are a diverse global network of community, business, and professional leaders who address relevant social causes to change lives and build goodwill and peace at home and abroad.

We work with the World Health Organization, UNICEF, Centers for Disease Control and Prevention, the Bill & Melinda Gates Foundation, and national governments toward our top goal of eradicating polio worldwide.

We also focus our time, energy, and efforts on service projects encompassing:

- Peace and conflict prevention/resolution
- Maternal and child health
- Protecting the Environment
- Disease prevention and treatment
- Basic education and literacy
- Water and sanitation
- Economic and community development

Rotary, People of Action – Community Service

We base our service projects around Rotary International's areas of focus. RCMS has been involved in many community-service projects, some with our Interact partner. An Interact Club is the high school version of a Rotary Club. Mililani Sunrise sponsors an Interact Club at Mililani High School. Some of the notable service projects are feeding the homeless at Institute for Human Services, Friends of Mililani Library Booksale, Quest for Success at Mililani High School, Salvation Army bell ringing during the holiday seasons, involving seniors at the Plaza doing various arts and crafts, and Keiki Vision, an eye screening process for 3rd grade students at six elementary schools in Mililani.

However, due to COVID protocol, several projects have been temporarily paused.

In November 2020, we thanked 1200 teachers and school staffs with masks that say, "School Superhero", accompanied with ear savers, by raising \$5000. Most recently, in June, members participated in the Mokuleia Beach cleanup and tree planting at the Gun Stock Ranch. On July 3, 10, 17, 24, RCMS assisted the C&C with Kaukau4Keiki food distribution. Our annual school supply drive was held on July 17, 18 at the Town Center of Mililani fronting Longs; we were able to collect 52 boxes of school supplies and over \$2500 in cash donations. August was Pedestrian Safety month, RCMS assisted Town Center of Mililani and the Wahiawa PD, by waving signs near Ruby Tuesday, a crucial intersection in the community, educating pedestrians and motorists of pedestrian safety.

However, the most rewarding community service project was the 21 scholarship golf tournaments hosted by RCMS. The golf tournaments provided 226 graduating seniors with \$377,000 in scholarship grants! In addition, 43 scholars sponsored by RCMS, received scholarships totaling \$159,000, from the Hawaii Rotary Youth Foundation. We are committed to tomorrow's leaders!

Mililani Sunrise has also been involved with international service projects and matching grants. Post-World War II, Sgt. Hugh O'Reilly, while touring Osaka, Japan, witnessed the poor living conditions of orphans. Subsequently, the 27th Infantry, Wolfhounds, "adopted" the Holy Family Home orphanage and donated their time and money. The Wolfhounds, a Battalion at Schofield, continues to support the orphanage to present day. Since 1998, RCMS has supported the Wolfhounds and Peace Bridge, a 501(c)3, by purchasing and donating toys to the orphanage during the Christmas holidays. The toys are hand-delivered to Holy Family Home by Wolfhounds.

Mililani Sunrise also participated with the Rotary Club of Manila Bay, our sister club, in The Rotary Foundation Matching Grant program. The purpose of the grant was to build water systems in 27 barangays, including 5 schools, in the Province of Quezon, Philippines, providing clean and potable water. (Barangays are small communities within a town; and many towns make up a province.) Consumption of polluted water is the #1 killer of children in the Philippines. The water wells benefitted 9,939 residents in the barangays and schools. Through TRF grants, RCMS was able to raise the Philippine Pesos 728,245, (\$17,790, with exchange rate of PHP 40.0 = 1 USD), to finance this water project.

With only 12 members, RCMS is considered a small club; however, we are committed to grow the club by 50% in this Rotary year. We welcome anyone interested in doing community service and connecting with other like-minded community members, to email President, Paul Nakachi, at xlender808@outlook.com.

To commemorate our 25 years of service, RCMS will be donating a Peace Pole to the Mililani community. A Peace Pole is an internationally recognized symbol of the hopes and dreams of the entire human family, standing vigil in silent prayer for peace on earth. Each Peace Pole bears the message May Peace Prevail on Earth in different languages on each of its four sides. There are estimated over 250,000 Peace Pole in every country in the world dedicated as monuments to peace.

HELP PROTECT *Your family's* Inheritance

Investing in an IRA is a great way to save for retirement. But if you don't need all the money, you may want to leave what's left to your children or grandchildren. What's the best way to do this?

Until recently, when you left the proceeds of your IRA to your beneficiaries, they could "stretch" required withdrawals over their life expectancies. These required withdrawals were generally taxable, so this "stretch IRA" was a good way to reduce the annual taxes due and benefit from longer tax-deferred growth potential.

But recent legislation has greatly limited the stretch IRA strategy, so you may need to look for alternatives. For example, you could convert your traditional IRA to a Roth IRA during your lifetime. By doing so, you would pay taxes on the amount converted, so your heirs could generally take withdrawals tax-free.

Another option is to purchase life insurance to ensure a specific dollar amount is passed on or to help your heirs cover taxes on their inheritance.

Consult with your tax and financial professionals before taking action. The more thorough your planning, the better the chance of meeting your legacy goals.
