## PRESIDENT'S MESSAGE

Happy New Year Mililani, welcome to 2022! My wish for you and your family is a year of health and happiness.

I really enjoyed the last Christmas season. Our son was home for a visit, and we had a great time with him. It seemed like old times. The only thing that was different this year was the way we celebrated with my parents. Instead of the usual gathering at their house, we went to visit with them at their assisted living facility. They don't like to travel anymore, even by car. So, we go see them. We had a nice visit, but as I know I have mentioned before, it's so hard watching them change and slip away. It seems like it is happening at a rapid pace. I am trying to cherish every moment.

For me, it's an important reminder for life. Every day is full of obstacles, challenges and rewards. I try to make the best of it all; not getting caught up in the things that can drag you down and away from the things that mean so much. I'm blessed with wonderful family and friends. They have made me who I am today and continue to help shape my future. As we enter into the new year, I know my success can only come from keeping my focus on family, friends, and overall good health and well-being.

*Aloha,*

**Bob Barrett**

# HOMEOWNER ASSESSMENTS

The MTA quarterly assessment is collected in accordance with Article VI, Section 6.02 of the Mililani Town DCCR. Assessment due dates are January 1st, April 1st, July 1st, and October 1st in the amount of \$125.00 per quarter (effective April 1, 2020). Quarterly reminder notices are sent to homeowners. A \$10.00 late fee will be charged if payment is not received by the 10th of the month that payment is due.

## THERE ARE 5 WAYS TO PAY YOUR ASSESSMENTS:

1. SurePay Payment Plan - SurePay allows your bank to automatically, electronically transfer your quarterly assessment payments from your checking or savings account through Automated Clearing House (ACH) to MTA. Fill out a SurePay form and turn it in to one of our business offices or send it to [surepay@mililantown.org](mailto:surepay@mililantown.org). Submit a voided check with your form.

**DOWNLOAD THE SUREPAY FORM AT:**

2. Pay Online - To safely pay your assessment online, homeowners must go through the official MTA website ([www.mililantown.org](http://www.mililantown.org)). Once on the official MTA home page, click on "Pay Assessments" in the top menu bar and you will be directed to the online payment page. Payments made through any other website is not recommended and are not guaranteed by MTA.

3. Pay in Person - Payments may be made at the Admin Office, Rec Center 3 or 7 Business Offices during their regular business office hours. Please bring your remittance stub with you when you make your payment.

4. Use Our Secure Drop-Box - There is a drop-box located inside the administration office and is only available during regular business hours.

5. Pay by Mail - To avoid late fees, please allow ample time for mail delivery and for your payments to post as received. Homeowners with multiple properties must submit a

separate remittance stub and payment, for each property address.

- If you are mailing a check with the remittance stub, please mail it to: Mililani Town Association, P.O. Box 29380, Honolulu, HI 96820-1780. This is a "Lockbox" service through Bank of Hawaii. Only the payment will be processed.

# FREE CHRISTMAS TREE SHREDDING

**JANUARY 8, 2022**  
**Saturday**  
**8:00 am - 12:00 noon**  
**Rec 3 & 7**

MTA has the proper equipment to recycle your fresh Christmas trees and turn them into mulch. Bring them to Rec 3 or Rec 7 on Saturday, 1/8/2022, or talk to your neighbors about consolidating the trees on your street. If you gather ten or more trees on your street, please call 440-2638 and MTA will pick them up.

Please note, City and County does not provide neighborhood pickups. Normal tree disposal is via your green waste bins (the tree needs to be cut up to fit). Makaunulau Community Park (Sixteen Acres) is NOT a designated drop-off point for trees. That service stopped many years ago yet residents continue to drop off trees there. Please kokua and take advantage of MTA's tree recycling service or dispose of your trees properly.

In an effort to recognize homeowners who keep their yards looking beautiful, which enhances their neighborhood, our Covenant Specialists will nominate front yards that catch their eye. There will be six yards nominated each quarter.

The winner will receive \$400 in cash or cash equivalent from the Yard of the Quarter sponsor.

There is no limit to the number of times a yard can be nominated, but a yard can only win once per year. To be eligible to be nominated, the property must be owner occupied and in good standing with the Association. In addition, the owner must agree to have a picture of their yard shown in the MTA newsletter and on the MTA web site. The winner will be published in a picture with the Sponsor and nominating Covenant Specialist.

## MONTHLY COVENANTS INSPECTIONS

In an effort to be proactive with our homeowners, MTA wants to inform everyone of the areas that are being inspected each month. The areas highlighted on this map are the areas scheduled for routine Covenant inspections for this month.

We hope to reduce the amount of violation letters we have to send out, by giving you an advance notice of where we will be. We are not trying to do our inspections in secret. We may be seen in an area that is NOT scheduled for a routine inspection. The reason is usually because we have a re-inspection, a complaint or a design project inspection in that area. Please remember, if you have any questions, please feel free to ask. We are very friendly and very willing to talk to you.

## WHAT SHOULD YOU KNOW ABOUT Investment Risk?

When you invest, you incur risk – there's no avoiding it. But the concept of "risk" may be more expansive than you realized. And by understanding the different types of investment risk and how these risks can be addressed, you can improve your skills as an investor.

The most common perception of investment risk is simply the risk of losing money. When you invest in stocks and stock-based vehicles, such as mutual funds, there are no guarantees that your principal – your initial investment amount – will be preserved. Generally speaking, if you hold stocks or mutual funds over a period of years, and even decades, you can reduce the likelihood of sustaining losses that could send your investments' value to zero. Hopefully, the value of your investments will rise over time. And it's worth noting that, since the Great Depression, U.S. stocks have averaged 9.59% annual returns, according to Morningstar Direct, an investment research service. However, past performance can't guarantee future results.

In any case, this type of risk is real, and it's a factor to consider when making your investment decisions. But you can't avoid all risk by avoiding stocks and putting your money into other types of investments. Consider bonds, for example. When you purchase a bond, you typically receive regular interest payments and you get back your initial investment when the bond matures, provided the issuer doesn't default. But if interest rates go up and you want to sell your bond before it matures, you'll have to offer it at a "discount," because no one will pay the full price for your bond when they can buy new ones at a higher rate.

You can help manage this type of interest rate risk by owning a variety of bonds with different maturities. When interest rates are rising, you can reinvest your short-term bonds at the new, higher rates. And in a falling-rate environment, you can still benefit from your longer-term bonds, which typically pay higher interest rates.

Foreign or international investments also contain specific risks. When you purchase foreign stocks, you'll find that fluctuations in the value of currencies relative to the U.S. dollar can affect your returns. Also, international investments may carry political risk, since some foreign governments and political systems may change in ways that work against businesses in those countries. To contain these types of risk, you'll want to maintain an appropriate allocation of international holdings and diversify across regions.

Ultimately, your most broad-based defense against all types of risk is to build a diversified portfolio containing U.S. stocks, international stocks, corporate bonds, mutual funds, government securities and other investments. Diversification works because it helps reduce the impact that market volatility can have on your portfolio if you only own one type of asset, such as domestic stocks. (However, diversification can't guarantee profits or protect against all losses.) And you'll also want your portfolio to reflect your individual tolerance for risk.

By being aware of the different types of risk, and taking steps to mitigate them, you can create a strategy that offers the potential to help you achieve your important goals, such as a comfortable retirement. And by doing so, you'll avoid the greatest risk of all: not investing for your future.
