The following Emergency Rules regarding the Common Areas shall be in effect until further notice. These Emergency Rules will be amended as new guidelines and regulations are adopted. If a conflict arises between the Mililani Town Rules and these Emergency Rules, the Emergency Rules shall prevail.

The SARS-CoV-2 virus that causes COVID-19 may be present in the Common Areas. The CDC has stated that the SARS-CoV-2 virus is extremely contagious. The risk of contracting COVID-19 is very high when social distancing is not maintained, and facial masks are not worn. Many of the activities occurring in the Common Areas increases the risk of contracting COVID-19. For instance, those playing basketball will be very close to others. In many instances, those exercising may not be wearing facial masks. By using the Common Areas, you voluntarily assume the risk that you may contract COVID-19 while using the Common Areas.
