PRESIDENT'S MESSAGE

Happy March everyone! Last March I talked about what a busy year it has been and how we were in the middle of remodeling our bathroom. It's hard to believe that a year has gone by already. This year things are still very busy, and we are enjoying our bathroom. It was worth all the hard work. My wife has her eyes on an upgraded kitchen now. Where will it end?!

A year ago, I also talked about sending our son back to college on the mainland and how we were looking forward to attending his graduation. Well, hard to believe that too was a year ago but right after graduation, he came home. A month later, he was hired by his college and moved back, this time to live. It is different that when he was in school, he would come home after the school year and we could spend lots of time with him. Now that he is on the mainland and starting a whole new life, it's up to us to find time to go visit. Since his school was closed over the Christmas and New Year holiday, he came home for 10 days and we really enjoyed it. Hawaii will always be home for him, but the reality is that he has a new home now. We always wanted the best for him, and this is really a great opportunity, so we are very happy for him. It also gives us a chance to jump on a plane and go see him! It happens so fast. Those of you with young ones, cherish and enjoy these times with your kids. You will really appreciate them when you look back.

Aloha,

Bob Barrett

ASSESSMENT INCREASE NOTICE:

Owning a home within the Mililani Town Association (MTA) comes with many positives, all contributing to the quality of life of our residents and the value of their homes. We have great recreation centers, multiple tot-lots, six pools, a waterslide, a splash park, barbeque pavilions, and 220 acres of community-wide landscaping along major roadways. We've been told many times we have the best pickleball courts in Hawaii! We are currently out to bid to select the contractor for the new Rec. 3 Sports Complex (paid for with reserves), which will include a regulation size gym for basketball and volleyball, a 25-meter pool, an activity room and café, to go along with the existing tennis and pickleball courts. We are the innovators of events for all ages, that other associations want to copy. We teach hundreds of children to swim every year, and we offer a variety of exercise classes. We have over 200 employees to do all the functions required to run the operations at a high level.

When compared to other large community associations on Oahu, our assessments are very competitive.

Royal Kunia - \$159/quarter

Waikale - \$141/quarter

Ewa by Gentry - \$125/quarter

Kapolei - \$135/quarter

None of these associations combined have the amenities, events and programs that MTA provides. The effort of your Association to preserve, maintain and enhance the common areas continues to make MTA the ideal and best community to raise a family.

Over the past two years, the COVID-19 pandemic has significantly decreased MTA revenue that normally would offset association expenses in the budget. Many sources of revenue have been absent, from hall rentals, to events, swim lessons, Tiny Tots, and all our independent contractor classes. In addition, the pandemic resulted in inflation that hit nearly everything we use. To name a few, we have cost increases in supplies, parts, software and hardware, business insurance, shipping, legal advice/reviews, electricity, water, sewer, the price of gasoline, vehicle registration and the servicing of our vehicles and landscaping equipment. We also must continue to plan for the future. We do a professional reserve study every five years and follow it diligently by funding our reserves to allow us to repair, replace and improve our aging facilities and infrastructure.

Despite lower revenue, MTA was able to maintain essential operations and assessments in 2021 due to receiving a government grant and implementing a salary freeze. However, with the current tight labor market and minimum wage increases on the horizon, we must increase revenue through the quarterly assessment to continue to serve Mililani residents, retain staff, and remain fiscally sound.

Effective our new fiscal year (beginning with the first quarter payment due April 1, 2022) the MTA assessment will be increased from \$125/quarter to \$145/quarter, an increase of \$20 per quarter (less than \$7 per month).

NOTE: MTA homeowners currently using the SurePay Program will have their deductions automatically adjusted by the Association effective the first payment for April 2022.

The MTA quarterly assessment is collected in accordance with Article VI, Section 6.02 of the Mililani Town DCCR. **Assessment due dates are January 1st, April 1st, July 1st, and October 1st in the amount of \$145.00 per quarter (effective April 1, 2022).** Quarterly reminder notices are sent to homeowners. A \$10.00 late fee will be charged if payment is not received by the 10th of the month that payment is due.

THERE ARE 5 WAYS TO PAY YOUR ASSESSMENTS:

1. **SurePay Payment Plan** - SurePay allows your bank to automatically, electronically transfer your quarterly assessment payments from your checking or savings account through Automated Clearing House (ACH) to MTA. Fill out a SurePay form and turn it in to one of our business offices or send it to surepay@mililanitown.org. Submit a voided check with your form.

2. **Pay Online** - To safely pay your assessment online, homeowners must go through the official MTA website (www.mililanitown.org). Once on the official MTA home page, click on "Pay Assessments" in the top menu bar and you will be directed to the online payment page. Payments made through any other website is not recommended and are not guaranteed by MTA.

3. **Pay in Person** - Payments may be made at the Admin Office, Rec Center 3 or 7 Business Offices during their regular business office hours. Please bring your remittance stub with you when you make your payment.

4. **Use Our Secure Drop-Box** - There is a drop-box located inside the administration office and is only available during regular business hours.

5. **Pay by Mail** - To avoid late fees, please allow ample time for mail delivery and for your payments to post as received. Homeowners with multiple properties must submit a

separate remittance stub and payment, for each property address.

- If you are mailing a check with the remittance stub, please mail it to: Mililani Town Association, P.O. Box 29380, Honolulu, HI 96820-1780. This is a "Lockbox" service through Bank of Hawaii. Only the payment will be processed.
- If you are mailing a check without the remittance stub or with the remittance stub and other correspondence or enclosures (such as name or mailing address changes), please mail it to:

Our campus is located in the heart of Mililani and includes interactive classrooms with spacious outdoor areas. We are licensed to teach children ages 2 to 5 years old.

At Rainbow School Mililani, children learn in a nurturing and engaging environment. Our teachers are dedicated to the idea that learning is a natural process and taken with a positive approach. Our environment provides opportunities that allow children to become more self-directed and build feelings of confidence and competency. Through a variety of developmentally appropriate activities, children will develop skills in many aspects including their physical, social, emotional, and cognitive growth. Their preschool experience will teach them about themselves and the world around them.

A NATIONALLY RECOGNIZED LEADER IN SOCIAL/EMOTIONAL LEARNING

Ho'ala School was founded 35 years ago by Sister Joan Madden who was ahead of her time in developing an educational philosophy of social-emotional learning.

A parent recently wrote:

"Ho'ala School has played a significant role in our children's education and development since we discovered it in 2018. The emphasis on encouraging and supporting each student's social-emotional skills and well-being while establishing positive relationships in addition to the focus on academics was influential in our decision of immediately transitioning one of our children, who had been experiencing bullying at school, to Ho'ala mid-year.

We watched as our child, who had cried every day for the first half of the school year at her previous school, became eager to wake up and get ready for a new school day at Ho'ala. The support our child received from the teacher and other students in helping her adjust to feel safe and welcomed in her new environment was astounding. By the end of that school year, we were certain that Ho'ala School would be a good fit for all four of our children. We are so grateful to have found Ho'ala!"

To be eligible to be nominated, the property must be owner occupied and in good standing with the Association. In addition, the owner must agree to have a picture of their yard shown in the MTA newsletter and on the MTA web site. MONTHLY COVENANTS INSPECTIONS

In an effort to be proactive with our homeowners, MTA wants to inform everyone of the areas that are being inspected each month. The areas highlighted on this map are the areas scheduled for routine Covenant inspections for this month.

We hope to reduce the amount of violation letters we have to send out, by giving you an advance notice of where we will be. We are not trying to do our inspections in secret. We may be seen in an area that is NOT scheduled for a routine inspection. The reason is usually because we have a re-inspection, a complaint or a design project inspection in that area. Please remember, if you have any questions, please feel free to ask. We are very friendly and very willing to talk to you.

GRAFFITI ON HECO TRANSFORMER BOXES: HOW TO GET THEM CLEANED

Members of our community have reported several Hawaiian Electric Company (HECO) transformer boxes have been defaced multiple times with graffiti.

Per HECO, for these boxes to get cleaned, members of the community need to inform HECO by:

1. Taking a photo of the graffiti on the transformer.
2. Provide an address for the transformer.
3. Email photo and address of transformer to:
seccc@hawaiianelectric.com

This must be done for every transformer that needs to be cleaned.

Then HECO will send a team to inspect the transformer and later clean it.

Money Matters

If you're a certain age, you'll need to withdraw money from some of your retirement accounts each year. But in 2022, the amount you must take out may be changing more than in other years – and that could affect your retirement income strategy.

Once you turn 72, you generally must start taking withdrawals, called required minimum distributions, or RMDs, from your traditional IRA and your 401(k). Now, the life expectancy tables used by the IRS are being updated to reflect longer lifespans – a move that may result in lower annual RMDs than you'd have to take otherwise.

This change could help you. For one thing, RMDs are generally taxable at your personal income tax rate, so the lower your RMDs, the lower your tax bill might be.

Also, since lower RMDs mean that less money will be taken from your IRA and 401(k), these accounts may not be depleted as quickly.

Furthermore, the lower RMDs may give you more flexibility in planning and managing your retirement income.

Changes to the RMD rules don't happen too often. So, consider how the new, lower RMDs may work to your advantage.
