The Mililani News is a monthly publication of the Mililani Town Association. The publication is used to notify owners of community issues, changes in association policies, scheduled meetings, hearings, programs, classes, special events and activities, and for recognizing MTA members and employees for their achievements and outstanding service. MTA Management has the authority to approve or disapprove editorial submissions, materials, or advertisements. MTA does not endorse and is not responsible for the merchandise or services advertised in this publication. The Mililani News is mailed to residential properties in Mililani. If you are a homeowner who is renting your home to a tenant and live outside of Mililani, or you are a property manager or business owner in Mililani, you are welcome to view the monthly newsletter online. If you are a property owner who would prefer to read the newsletter online, rather than receive it in the mail, call 623-7300 or send an email to jsuzuki@mililanitown.org to have your property address removed from the MTA newsletter mailing list.

PRESIDENT'S MESSAGE

You can see by this month's cover, we have revamped the Mililani Town Association app. I encourage you to download the app if you haven't already. If you do already have it, check if you need to do an update. We can do many amazing things on our devices; ordering food, making reservations, paying bills, etc. and the new and improved MTA app is no exception in the convenience it offers. You can make reservations for the halls and pavilions, pool lap lanes, and pickleball courts. Sign up for swim lessons, and MTA classes for seniors, tiny tots and women's exercise. You can even purchase your tickets for our many MTA events, the app will direct you to the appropriate

WebTrac page to complete your transaction. I have had some experience using the app and have found it to be extremely handy and convenient.

From the Homepage, the app features Recent News, the Pool Schedule, and four quick links the user can set. Another new feature is the ability to load your membership card into the app. The days of carrying your card and remembering to bring it with you are a thing of the past. And, one of my favorite features is being able to order from the Rec 7 Café and setting the time I want to pick up my drink!

It's hard to imagine that we are already halfway through this year. I hope 2022 has been good to you so far. The older I get, the more I realize how important it is to stop and smell the roses every now and then. Stay healthy and safe Mililani!

Aloha,

Bob Barrett

MONTHLY COVENANTS INSPECTIONS

In an effort to be proactive with our homeowners, MTA wants to inform everyone of the areas that are being inspected each month. The areas highlighted on this map are the areas scheduled for routine Covenant inspections for this month.

We hope to reduce the amount of violation letters we have to send out, by giving you an advance notice of where we will be. We are not trying to do our inspections in secret. We may be seen in an area that is NOT scheduled for a routine inspection. The reason is usually because we have a re-inspection, a complaint or a design project inspection in that area. Please remember, if you have any questions, please feel free to ask. We are very friendly and very willing to talk to you.

COMMUNITY CORNER

It has come to our attention that feral animals are being fed on MTA property. MTA is asking residents to please stop feeding all feral animals on any MTA property. Although it may seem harmless to feed them, there is a negative impact to MTA property and also to the surrounding homes as well. Not only is there an increase in the population of these feral animals, there is an increase in animal feces, litter from people that feed them and visible damage to the ground cover caused by the feral animals.

PLEASE DO NOT FEED FERAL ANIMALS!

As a reminder, the Declaration of Covenants, Conditions and Restrictions has provisions that address the types of uses allowed on MTA property. Because this is now an ongoing problem, the cleanup has become an added cost to the Association which violates that provision. Anyone caught feeding the feral animals on MTA property will be issued a trespass violation.

MTA requests your cooperation in maintaining the standards of which we have all come to appreciate and in keeping Mililani a wonderful place to live.

FOR YOUR SAFETY: PLEASE WALK & RUN ON THE SIDEWALK

We are fortunate to have beautiful landscaping and clean and safe sidewalks in Mililani. Please be safe and take advantage of the sidewalks instead of walking, running or playing on the roadways.

IT'S THE LAW:

The Pedestrian law 291C-76(a) states: (1) Where sidewalks are provided, it is unlawful for any pedestrian to walk along and upon adjacent roadway, bicycle lane, or bicycle path. (2) Where sidewalks are not provided, pedestrians walking along and upon any roadway, when practical, walk only on the left side of the roadway or it's shoulder facing traffic from the opposite direction.

SAFETY TIPS:

From the Road Runners Club of America:

- Don't wear headphones and always stay aware of what's happening around you.
- Obey traffic signs and signals and look both ways before crossing at a cross walk.
- Wear reflective material or light colored clothes if you must run before dawn or after dark.
- Respect private property and please don't litter.

SEVEN EASY WAYS TO SAVE WATER

Our water resources in Hawaii are limited, so let's not waste a drop. If we save enough water now, we'll have what we need for years to come. Here are some simple ways to do your part.

1 WATER LAWNS JUST 2-3 TIMES A WEEK. Lawns don't need to be watered every day. Even during the summer. The fact is, if you water just once every three days, you promote deeper root growth, making your lawn healthier and more water-efficient.

2 DON'T WATER LAWNS BETWEEN 9 AM AND 5 PM. Water evaporates quickly when the sun is out. So if you water during the day, you're not watering the lawn, you're watering the sky. Instead, water in the early morning, evening or at night. It'll keep the water where you want it: in your lawn.

3 CHECK FOR LEAKS IN PLUMBING AND TOILETS. How? Turn off water throughout your house, check your water meter, and check back two hours later. If it has moved, something's leaking. Checking toilet leaks is even easier with a free Board of Water Supply test tablet.

4 INSTALL WATER-EFFICIENT PLUMBING FIXTURES. A new toilet can save five gallons or more every flush. A new showerhead can save up to five gallons every minute. An aerator on your kitchen faucet can save up to five gallons daily. And, rebates are even available for some water-efficiency upgrades.

5 TAKE SHORTER SHOWERS. Every minute you trim from your shower saves three to six gallons of water. So get in and out a little faster, or pause the water while you lather, shave or shampoo.

6 PUT A NOZZLE ON YOUR GARDEN HOSE. Left unattended, a running garden hose can waste over 100 gallons in just minutes. Use a shutoff or pressure nozzle, so you only use what you need when you're watering the plants, cleaning the house or washing the car.

7 DON'T LET THE FAUCET RUN AND RUN. Turn off the tap while brushing teeth or shaving. In the kitchen, use a dishpan for soapy water, and rinse with clean water quickly. Just imagine all that water running all over the counter or floor, instead of down the drain. That'll give you a hint at how much water you're accidentally wasting.

C21 COMMUNITY CORNER

MAKING A DIFFERENCE, ONE DONATION AT A TIME

Over the past couple of years, our company has been given the privilege to donate tens of thousands of dollars to various non-profit organizations in our communities. These donations have been made possible through our REAL ESTATE REWARDS PROGRAM. We would love the opportunity to help support your organization, too!

If you or anyone you know is buying or selling a home, just introduce them to any of our CENTURY 21 iProperties Hawaii Agents, and we will donate 10% of our commission to your charity.

Call one of our agents today for more information or visit our website at www.c21propertieshawaii.com

Featured Organization:

We'd like to acknowledge with gratitude CENTURY 21 iProperties Hawaii's Real Estate Rewards Program that has already provided over \$15,000 to us in donations over the past six months.

One reason Big Brothers Big Sisters has thrived for almost 60 years in Hawaii is that we've always known how to adapt. When the world of our children and youth was disrupted, we transitioned quickly. We created virtual programming and partnered with community organizations like, CENTURY 21 iProperties Hawaii, to provide more services and deliver essential necessities, from care packages to food, and much more. Our adaptations worked. Big Brothers Big Sisters' most recent national Youth Outcomes Survey showed that 85% of the children and youth we serve stayed on track with, or improved, their grades in school. And 75% of them kept a strong or increased sense of family connectedness. Yet even as we adapted our services, we've kept our guiding purpose: Helping to clear children's paths to their biggest futures. — Statement written by Kathy Driver, Community Relations & Marketing Manager for Big Brothers Big Sisters Hawaii

"To keep doing that, we rely on our community partners and donors. Having Abe Lee and his team's support means so much to us, and today it can mean so much more. Make it possible for us to keep transforming lives. As always, mahalo for your wonderful support as donors, volunteers, and advocates. We couldn't change lives for the better without you!" — Dennis Brown, President/CEO & Hawaii's first Little Brother.
