The Mililani News is a monthly publication of the Mililani Town Association. The publication is used to notify owners of community issues, changes in association policies, scheduled meetings, hearings, programs, classes, special events and activities, and for recognizing MTA members and employees for their achievements and outstanding service. MTA Management has the authority to approve or disapprove editorial submissions, materials, or advertisements. MTA does not endorse and is not responsible for the merchandise or services advertised in this publication. The Mililani News is mailed to residential properties in Mililani. If you are a homeowner who is renting your home to a tenant and live outside of Mililani, or you are a property manager or business owner in Mililani, you are welcome to view the monthly newsletter online. If you are a property owner who would prefer to read the newsletter online, rather than receive it in the mail, call 808-623-7300 or send an email to jsuzuki@mililantown.org to have your property address removed from the MTA newsletter mailing list.

PRESIDENT'S MESSAGE

Welcome to September Mililani! I'm sure you are like me, feeling grateful that we have our trade winds to keep us cool when many parts of the mainland suffered through temperatures in the triple digits this summer. Thankfully we can grab a shave ice at the Rec 7 Café and hit the pools at the Rec Centers!

I wanted to remind our community about the orchard MTA has planted along the Ravine Park walking path. Those fruit trees are there for you and your family to enjoy. If you see something that you would like to take home and share with your family, please do so. Serving MTA members was always the intent of the community orchard. I know I have seen parents with their kids walking through and placing a few pieces of fruit in their tote bag to bring home. What a wonderful thing! Take a few and leave a few for others to enjoy.

Our MTA Staff are working on some wonderful events for our community in the coming weeks and months. This month we will be hosting our **Fall Craft Fair** (see page 18 & 19) on Saturday, September 24th at Rec Center 5. This is always well attended and rightfully so. The crafts, gifts and food booths are amazing!

In October, there will be the **Senior Fair** (see page 20 & 21) on Saturday, October 15th at Rec Center 5, and **Pā'ina at the Pavilions** on Saturday, October 22nd at Rec Center 7 - check out page 23 for more information about our Mililani version of Oktoberfest with beer, brats and live music by Ramon Camarillo. I hope to see you at one or all of these festive events!

Aloha,

Bob Barrett

We hope to reduce the amount of violation letters we have to send out, by giving you an advance notice of where we will be. We are not trying to do our inspections in secret. We may be seen in an area that is NOT scheduled for a routine inspection. The reason is usually because we have a re-inspection, a complaint or a design project inspection in that area. Please remember, if you have any questions, please feel free to ask. We are very friendly and very willing to talk to you.

BLAZE KOALI'I PONTES

"Don't stop grinding." For University of Hawaii Rainbow Warrior #7 right-handed pitcher Blaze Koali'i Pontes family support, hard work and sacrifices have manifested his goal to play professional baseball into a reality. After a breakout season with the Rainbow Warriors, Kamehameha alumnus and Mililani-raised Pontes was drafted in the 16th round of the 2022 Major League Baseball Draft by the Oakland Athletics.

When did you start playing baseball and what was your first episodic memory of the game?

I started playing baseball when I was about 5 years old. My first memories of the game were in tee-ball, when I would play with my helmet on for the entire game, even on defense! I remember during coach pitch times, playing on the little field at Mililani Uka trying to see if I could hit the ball to the basketball courts.

Was playing baseball professionally a lifelong dream? When did you realize it was in your reach?

Playing professional baseball was always in the back of my mind growing up, as a dream and goal. I worked hard and played hard season after season to make it to the next level. This past season at UH is when I realized I potentially have a real shot at moving on to post collegiate play. Now, this is where the real work begins.

Who was most instrumental in your development as a player? Why?

My parents, Bo & Jadelyn, are a big part of who I am and where I am today for the sacrifices they made - from baseball trips, to buying baseball gear and so much more than I can list. Their guidance taught me discipline and focus to be able to realize my dreams and goals.

Another person that had a huge impact on my baseball journey is Devyn Komatsubara, Coach D. This man is, to me, my pitching guru! He groomed and developed me to be the pitcher I am today. There are so many coaches and mentors that have helped me along the way as well. However, Coach D laid the foundation, he was the one that taught me how to pitch, skillfully and mentally.

What advice would you give to kids who aspire to play professional sports?

My advice to kids who aspire to play professional sports is to keep an open mind and don't stop grinding. No matter where you come from or how small the chance may seem, anything is possible. Believe in yourself, make the sacrifices, work hard and you will take yourself to places you only imagined.

Where were you when you received the call? What will you remember about that moment?

I was at home with my parents and sister Jessica when I received the call. It was the last day of the draft, and it was quickly coming to a close. I was in whatever happens, happens mentality. I was really stunned when the scout called and said I was just drafted in the 16th round! I will remember seeing how happy my parents and sister were the moment I told them - "I'm going to Oakland Athletics." In no time, we had my other siblings, Jaycie and Keola, on FaceTime to join the celebration. All our phones were blowing up with calls and text messages - and it finally hit me then, that all the hard work I had put in growing up had finally been recognized.

What will you miss the most about Hawaii while you're in the mainland?

I definitely will miss the beach and not being able to jump into the water on a hot sunny day! No home cooked meals, fresh poke or sushi and not being able to eat whatever and whenever will be an adjustment for sure.

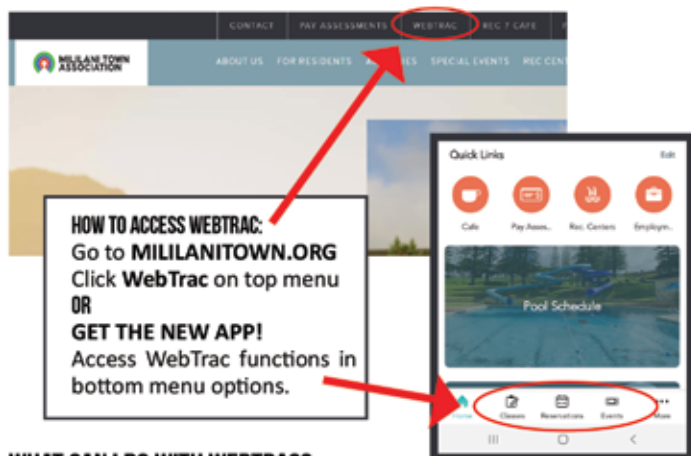

Who would you like to thank?

First and foremost, I would like to thank my family, for always having my back and being there whenever I need them. My strength coach, Clayton Uyechi, who has been such a positive influence and believer in me. He has taught me lessons in life, in and out of the weight room, guiding me in being a man. Much aloha to the coaching staff at UH, for believing in me and for the opportunities. A special shout out to Mathew Troupe, my former pitching coach, who has not only been my coach, but a mentor and brother to me on and off the field. I am grateful to be blessed with so much support from ALL my family, friends and friends who have become family.
