PRESIDENT'S MESSAGE

Hello Mililani!

As you can tell from the cover of this newsletter issue, it is time for our annual Board of Directors elections. As in the past, we have incumbents running for reelection and other Mililani residents throwing their hats in the ring, for the chance to get elected to the Board. It is a great and fair process. I ran for the first time in 2010. I lost my first election by 6 votes! I decided to try again the next year and was happy to be elected to the Board in 2011. Good luck to all the candidates running this year! Please do not forget to vote. Mililani has

approximately 16 thousand homes and each year we receive about 4 thousand ballots. That is approximately 25 percent of the people voting. Your ballots will be mailed to each household. Exercise your voice with your vote!

As I get older, I realize the things most important to me and try organizing my priorities. I feel that they change as you grow older. I am dealing with aging parents and know their time with us is limited. We are trying to make the most of the moments we have left. While I visit them all the time, the time spent with them during the Christmas season was extra special. Reflecting on the past holidays got me thinking about the things that have brought me the most joy over the years. While the presents have been long forgotten, the memories of the special experiences that I share with my wife and son will last a lifetime. Our son is living on the mainland now and having the chance to visit with him for a couple of weeks at a time is incredibly special. Chatting over dinner, spending the day taking in the local scenery, playing endless games of cards (our family LOVES all kinds of card games) and even a little pickleball; these are the things that really leave a lasting impression on me.

Happy February! I hope your year is off to a good start!

Aloha,

Bob Barrett

a good director?***

As a member of the MTA Board of Directors since 2011, and Board President since 2015, I am honored and humbled to have the opportunity to serve our Mililani community. My current three-year term included navigating through the pandemic—following the guidelines and maneuvering through keeping our offices open and supporting our staff, while keeping both them and our members safe. We kept our landscaping well maintained, we kept our pools open and operated them safely, and we had a record number of design requests to work through. It was a challenging time for all, and I am thankful that we are finally back to pre-pandemic status and looking forward to the future with many new and exciting community events being planned.

I truly love being able to give back to the neighborhood that my family proudly calls home. I have been a business owner in the neighboring community of Waipio for over 30 years. I have learned so much during my years of service in the community. I would be proud to continue to serve on the MTA Board, sharing the knowledge I have gained, and working together to enhance the future of Mililani.

Thank you for allowing me to volunteer as the Mililani Town Association (MTA) Board Secretary and Director. I am honored to have the privilege to be a part of the MTA team, making essential decisions on improvements to our facilities and common areas. Along with collaborating on fresh ideas, from upgrading our Recreation Centers to providing residents with events and programs to enjoy our community while always having the homeowner's best interest in all our decision-making. To the highest standards in the most cost-effective ways while implementing energy-efficient improvements. Mililani continues to be the best community in our state.

I am proud to call Mililani my home. Mililani is a beautiful place to live and raise our family and future generations. With M.T.A. monthly events, you can always find something to serve all ages and interests without leaving Mililani.

I respectfully ask that you consider me for re-election and allow me to continue to serve you and our Mililani community.

**MICHELLE
KIDANI***

COMMUNITY PARTICIPATION

I moved to Mililani in 1974, and my four children were born and raised here. I was first elected to the Hawaii State Senate in 2008 and currently serve as the Vice President of the Hawaii State Senate and Chair the Committee on Education.

I became an MTA Director (currently Vice President) almost 25 years ago and am very proud of our beautiful community.

Other roles include the Rotary Club of Mililani Sunrise which helps with many community service projects. I served previously for many years on the Mililani/Waipio/Melemanu Neighborhood Board; and coached girls and women's softball for many years.

***What attracted you to run for the Board
and why do you feel you would make
a good director?***

When I first ran for MTA Board, I wanted MTA to be the best association in the state. I wanted our residents to be proud to live here. Our MTA Board and its great staff have done an awesome job of being responsive to the needs of its residents and plans ahead for future needs. MTA has incorporated many new events that make us the envy of so many homeowner associations.

Our MTA staff led by General Manager David O'Neal, as well as all current Board members work to support our residents with great programs and events. We probably have the least expensive maintenance fees of any community in the state even with seven Recreation Centers while providing so many awesome year round events. My grandkids love the Movie by the Pool and the Splash Park. I have very much enjoyed being part of this wonderful community watching my children and grandchildren grow and thrive.

I am proud to be a long time homeowner in Mililani. MILILANI IS THE BEST COMMUNITY TO LIVE, WORK AND PLAY!

***What attracted you to run for the Board

I was first attracted to the Mililani Town Association because of my strong interest in Community Organizations and their operations. I further realized that the Association plays a leading role in keeping our Community orderly and beautiful through the covenants which are our Constitution.

Our Town Association is the largest on the Island of Oahu and has the reputation of being an organized and efficient businesslike organization. I think my experience in both government service and community activism will be an asset to MTA.

Mililani arose out of the Pineapple Fields of Central Oahu over 50 years ago and has become one of the most desirable communities on Oahu. After living here for 42 years, I have never wanted to live anywhere else.

I am willing and eager to serve you on the Mililani Town Association and you can be sure I will do my best.

What attracted you to run for the Board and why do you feel you would make a good director?

For 20 years, Mililani has been my home and I love being a resident here. Having the privilege of serving as a member of the MTA Board of Directors, and previously as Treasurer, allows me to collaborate with fellow directors and MTA Staff. In 2018 and 2020, I was elected as a Representative in the State Legislature for Mililani. This year, with support from our community, I was elected to serve on the Honolulu City Council. I hold both honorable positions dearly as extensions of my desire to serve, and value opportunities to compromise and problem solve for our community. Having leadership experience provides me with skills to work with others, adding to my passion and purpose, and allowing me to be an effective director on the Board.

Interacting with our community is my favorite part of being on the Board! I enjoy connecting with you and hearing input about how we can make Mililani better. I am grateful my children can grow up here. My goal is to continue to be a voice for all families in Mililani!

I humbly ask for your support and vote to continue serving you and ensuring our community thrives! Mahalo.

MONTHLY COVENANTS INSPECTIONS

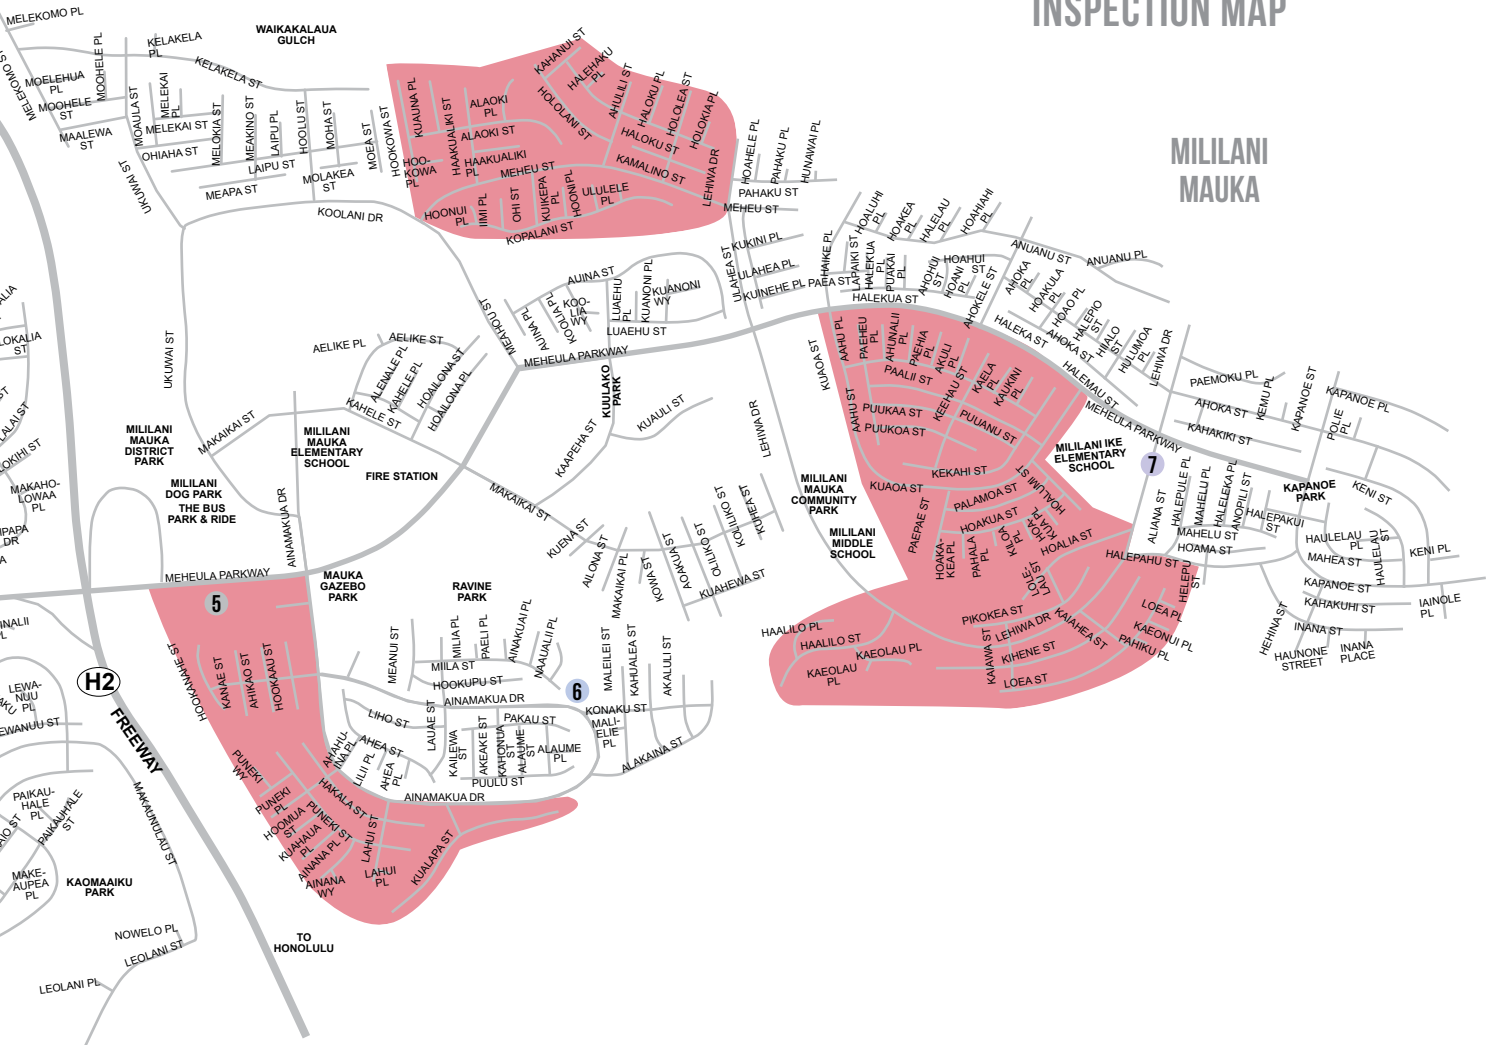

In an effort to be proactive with our homeowners, MTA wants to inform everyone of the areas that are being inspected each month. The areas highlighted on this map are the areas scheduled for routine Covenant inspections for this month.

We hope to reduce the amount of violation letters we have to send out, by giving you an advance notice of where we will be. We are not trying to do our inspections in secret. We may be seen in an area that is NOT scheduled for a routine inspection. The reason is usually because we have a re-inspection, a complaint or a design project inspection in that area. Please remember, if you have any questions, please feel free to ask. We are very friendly and very willing to talk to you.
