PRESIDENT'S MESSAGE

Aloha Mililani! Welcome to March and the promise of Spring! Even though our Winter was, and usually is, very nice, it is always great to welcome the Spring season.

We are moving forward with the renovation of Rec Center 3. Things have changed a little from the original plans. Instead of a tear down and rebuilding of the entire Rec Center, we have settled on a major renovation of the existing structure. This will save us money and still give us what we are looking for in a newly renovated and substantially updated facility for our Residents. With the addition of a Café, much like the Café at Rec Center 7, and an Arcade, we look forward to another exciting "new" facility that our community will enjoy for years to come.

Your Board of Directors passed the fiscal year 2023-2024 budget in January. The past year proved to be exceedingly challenging for a number of reasons. Like many other companies, MTA has struggled with supply chain issues, rising costs on just about everything and workforce issues, with little relief on the horizon. Before we pass the budget for the year, there is a lot of time spent pouring over the spreadsheets and discussing how best to maintain a thriving community, while keeping costs in check. Homeowner assessments are something that we take very seriously. We are all Homeowners in this community as well. While there are times that it is necessary to increase assessments, the good news for 2023-2024 is that we found ways to successfully navigate the challenges of 2022 and will not be raising assessments for this year.

Mililani lost a friend on January 17th. Ron Menor was a tireless public servant that served in both City and State government. Ron worked hard for his community and had an incredible impact. Our thoughts and prayers go out to the Menor Ohana during this difficult time.

Aloha,

Bob Barrett
MTA Board President

Learning is a Natural and Joyful Process

Rainbow School Mililani licensed by the State of Hawaii and accredited by the National Association for the Education of Young Children (NAEYC) has been in operation since 1995. Our campus is located in the heart of Mililani and includes interactive classrooms with spacious outdoor areas. We are licensed to teach children ages 2 to 5 years old.

At Rainbow School Mililani, children learn in a nurturing and engaging environment. Our teachers are dedicated to the idea that learning is a natural process and taken with a positive approach. Our environment provides opportunities that allow children to become more self-directed and build feelings of confidence and competency. Through a variety of developmentally appropriate activities, children will develop skills in many aspects including their physical, social, emotional, and cognitive growth. Their preschool experience will teach them about themselves and the world around them.

**Please email us for a virtual campus tour
at mililani@rainbowschools.com.**

Applications can also be download from our website at www.rainbowschools.com. Enrollment applications are accepted throughout the year.

Focused on Excellence Centered in Christ

Trinity Lutheran Church & School celebrates its 70th year of "Sharing the love of the Lord Jesus Christ as Savior, Friend, and Teacher through worship, service and educational excellence." Each day is an opportunity to demonstrate the love of Jesus Christ to all members of our church and school community. It is our prayer that students build a foundation of faith so they may share the light of Jesus Christ wherever they go.

Trinity is fully accredited by HAIS, WASC, and NLSA.

Our Preschool Program for 3 and 4 year olds offers learning through song, play, center time, academics, and consistent routine, both indoors and on our playground. Kindergarten through 5th grade learners receive individualized attention to challenge them to grow each day through core standards based academics, PE, music, art, project-based learning, and tech tools.

Middle School students excel through leveled math courses, reading curriculum based on student interest and ability, athletics, and unique elective opportunities like robotics, band, art, student-leadership, performing arts, yearbook, and much more!

Trinity is a Kamehameha Schools collaborator of the Pauahi Keiki Scholar and Kipona Scholarships.

A Nationally Recognized Leader in Social/Emotional Learning

Ho'ala School was founded 36 years ago by Sister Joan Madden who was ahead of her time in developing an educational philosophy of social-emotional learning.

A parent recently wrote:

"Ho'ala School has played a significant role in our children's education and development since we discovered it in 2018. The emphasis on encouraging and supporting each student's social-emotional skills and well-being while establishing positive relationships in addition to the focus on academics was influential in our decision of immediately transitioning one of our children, who had been experiencing bullying at school, to Ho'ala mid-year.

We watched as our child, who had cried every day for the first half of the school year at her previous school, became eager to wake up and get ready for a new school day at Ho'ala. The support our child received from the teacher and other students in helping her adjust to feel safe and welcomed in her new environment was astounding. By the end of that school year, we were certain that Ho'ala School would be a good fit for all four of our children. We are so grateful to have found Ho'ala!"

In an effort to recognize homeowners who keep their yards looking beautiful, which enhances their neighborhood, our Covenant Specialists will nominate front yards that catch their eye. There will be six yards nominated each quarter.

The winner will receive \$400 in cash or cash equivalent from the Yard of the Quarter sponsor.

There is no limit to the number of times a yard can be nominated, but a yard can only win once per year. To be eligible to be nominated, the property must be owner occupied and in good standing with the Association. In addition, the owner must agree to have a picture of their yard shown in the MTA newsletter and on the MTA web site. The winner will be published in a picture with the Sponsor and nominating Covenant Specialist.

MONTHLY COVENANTS INSPECTIONS

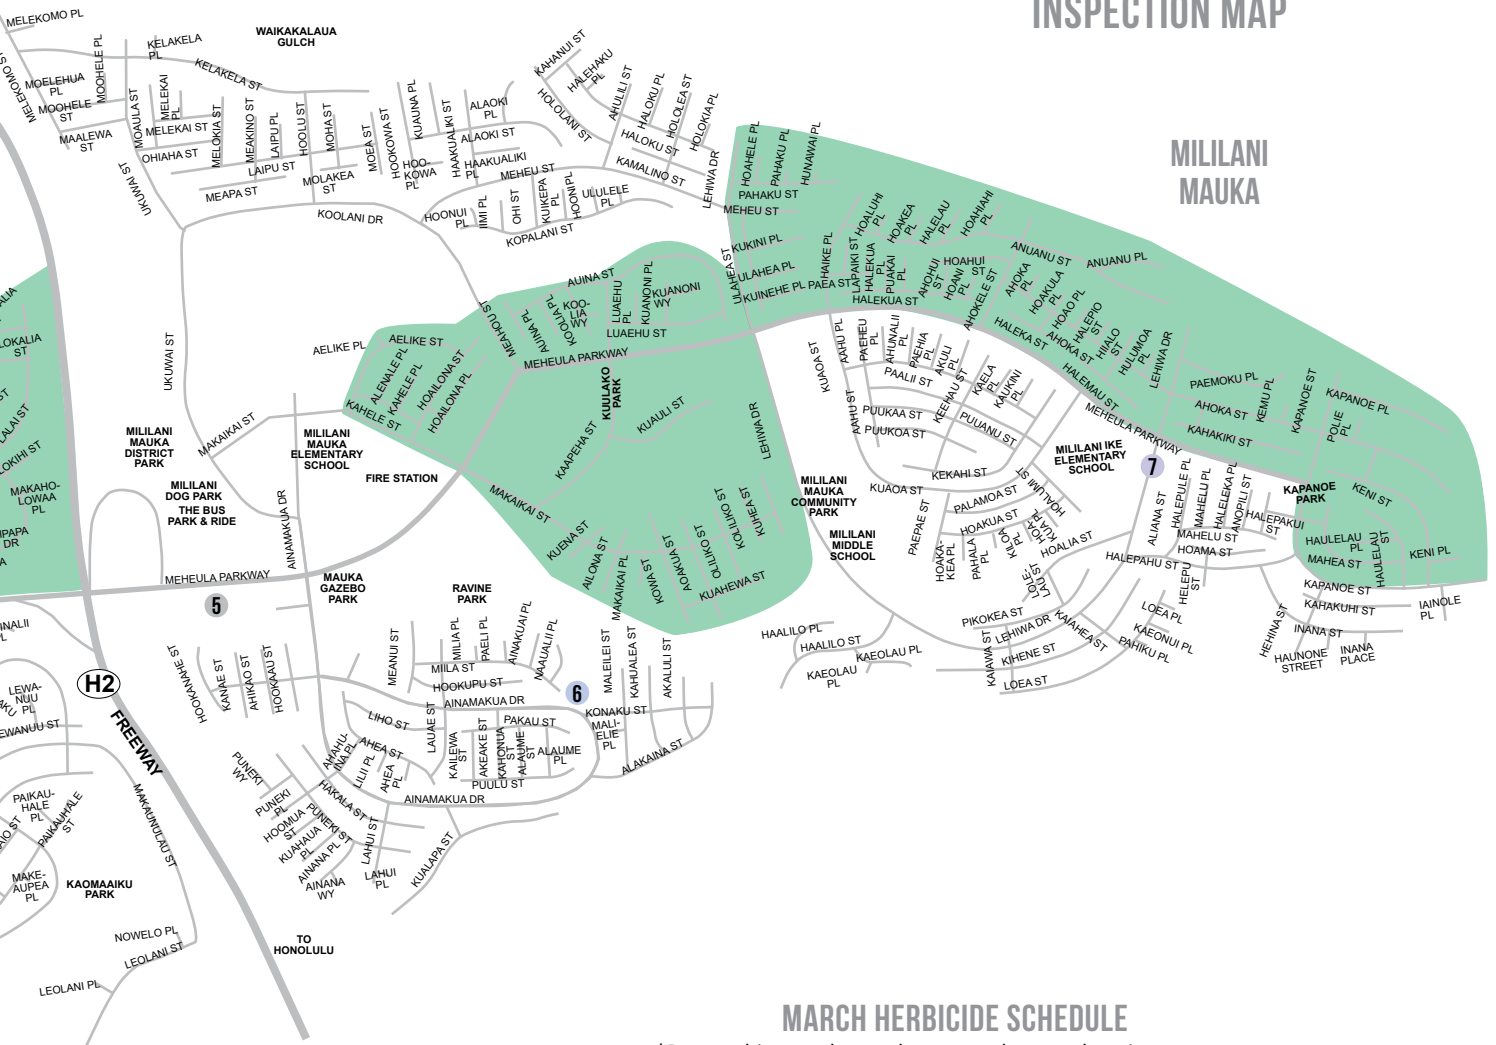

In an effort to be proactive with our homeowners, MTA wants to inform everyone of the areas that are being inspected each month. The areas highlighted on this map are the areas scheduled for routine Covenant inspections for this month.

We hope to reduce the amount of violation letters we have to send out, by giving you an advance notice of where we will be. We are not trying to do our inspections in secret. We may be seen in an area that is NOT scheduled for a routine inspection. The reason is usually because we have a re-inspection, a complaint or a design project inspection in that area. Please remember, if you have any questions, please feel free to ask. We are very friendly and very willing to talk to you.
