## PRESIDENT'S MESSAGE

Aloha Mililani friends and neighbors!

My wife and I have had several guests staying at our home with us this year. Whenever people come to visit, they are always so amazed how nice our community is. Of course, if you visit during the winter months, it could be a little more rainy and cooler but that does not matter. Actually, I think it makes it more appealing. Everything is greener and there are more rainbows every day! It is just beautiful. It is always a pleasure to "show off" Mililani to our guests when they visit. We always make a point to take them to a rec center for a shave ice or some Pickleball!

The Mililani Town Association election results were announced on March 15th at our annual meeting. There were eight candidates on the ballot, including four incumbent board members that were up for reelection. When the votes were counted, all four incumbent board members were reelected. Myself, Val Okimoto, Michelle Kidani were all elected to serve for a three-year term and Josie Kaanehe was reelected to serve a one-year term. I would like to thank all the candidates for their interest in serving our community. And to all those who voted, thank you for your support.

Also at the annual meeting, a fellow resident spoke to the Board about the use of electric bikes in and around Mililani. Electric bikes are relatively new and these days, they are everywhere. The issue she shared with the Board is the fact that the bikes are extremely fast, yet very quiet. So while she is out walking, they can appear out of nowhere and be quite startling. Another thing that has come to my attention is there are now a fair number of bikers on both electric bikes and bikes that appear to be more motorcycle than bicycle. These electric motorcycles are tearing up our green space. You can see the damage they are causing all throughout Ravine Park. There are tire marks all over and the grass is being torn up. Since these areas are not monitored, it is difficult for MTA to stop them. So, at this time I am asking those that ride these bikes to please be considerate of Mililani residents and MTA property. And if you are a parent of a child that rides these bikes, please talk to them as well.

In my opinion, Mililani is the most ideal place to live. We have the best people, the best climate, and the best community. I feel so blessed and fortunate to call this place home.

*Aloha,*

**Bob Barrett**

MTA Board President

## SOLICITORS IN MILILANI

We have been receiving many calls from concerned residents about solicitors in Mililani neighborhoods, and whether they are representing legitimate companies and legitimate products. MTA does not have the ability to control solicitors, but we can confirm that MTA does not recommend or endorse any company or product. Be wary of any solicitor who makes statements like "MTA has endorsed this product" or "The MTA Board recommends this product" or similar statements. If you are uncertain of the motives of any stranger in your neighborhood, we recommend you call 9-1-1 and report any suspicious activity to HPD.

## OOPS STATIONS

Mililani has an extensive and loving dog community and is fortunate to have many areas to walk our canine members of the family to keep them healthy. MTA has many Oops! Stations set up around heavily used areas so that members can easily dispose of their dog's waste. These stations are cleaned and stocked with bags regularly to help keep Mililani clean and beautiful.

MTA has received complaints that people are tossing their poop bags into storm drains. While this is a county violation and subject to fines, it's important to keep in mind that storm drains are only designed to handle rain water runoff. Any debris (poop bags, lawn cuttings, leaves, etc.) go into our storm system and directly into the ocean. It does not pass through our sewer system to be cleaned.

As a courtesy to our neighbors and for the health of Hawaii's oceans, please kokua and dispose of your pet's waste in one of the convenient Oops! Stations or when you get home. Mahalo!

### PLEASE KOKUA:

## MONTHLY COVENANTS INSPECTIONS

In an effort to be proactive with our homeowners, MTA wants to inform everyone of the areas that are being inspected each month. The areas highlighted on this map are the areas scheduled for routine Covenant inspections for this month.

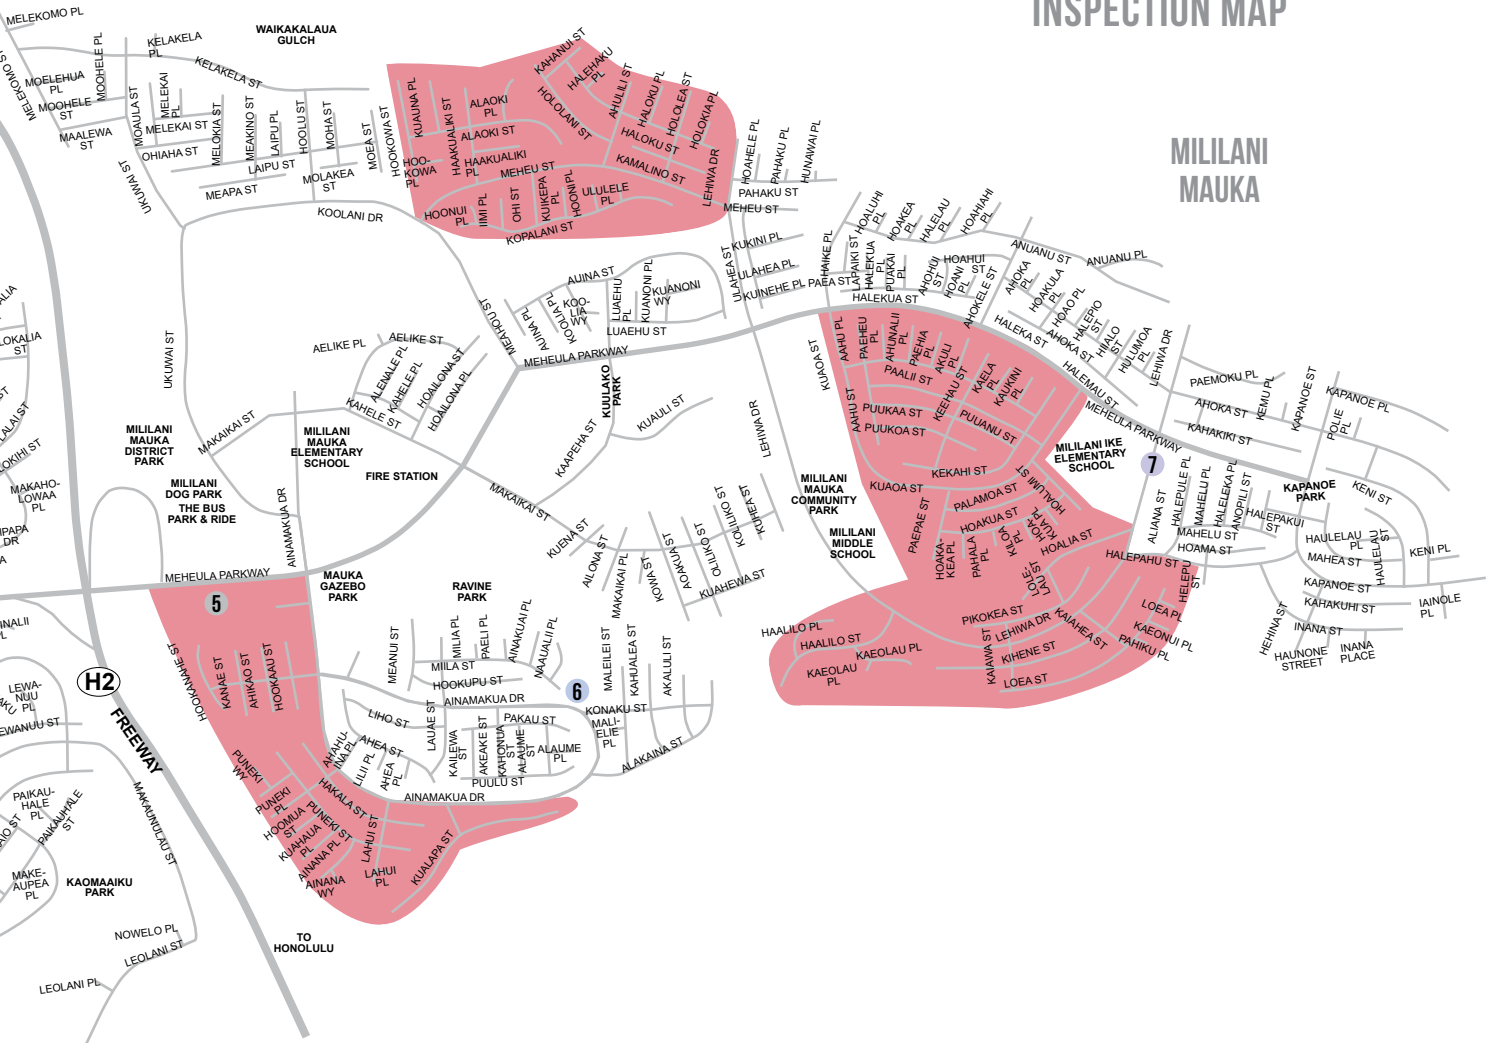

We hope to reduce the amount of violation letters we have to send out, by giving you an advance notice of where we will be. We are not trying to do our inspections in secret. We may be seen in an area that is NOT scheduled for a routine inspection. The reason is usually because we have a re-inspection, a complaint or a design project inspection in that area. Please remember, if you have any questions, please feel free to ask. We are very friendly and very willing to talk to you.
