

## NOTICE OF CLOSURE

Aloha MTA,

This is to notify you of an upcoming closure of Rec. 3 for renovation. We do not have a construction start date yet, but anticipate it to be anywhere from July 2024 to December 2024, depending on when the building permit is approved. The project will take approximately one year to complete, once it is underway.

As part of the renovation project, we will be installing new flooring, new lighting, new bathrooms, a new roof with PV panels, new windows and doors, a café similar to the one at Rec. 7, and we're converting office space to recreation space that will include a video arcade. Outside we will be building a tot-lot between the pool and pickleball courts, and we will be completely renovating all the pickleball and tennis courts.

We are doing everything we can to minimize the inconvenience that the closure will cause. We are looking into options for an alternate pickleball location. We are moving classes to other Rec. Centers. The Admin. office will be open during construction, and the Rec. 7 business office is open weekends and evenings.

Thank you for your understanding, we will issue updates as new information becomes available.
