PRESIDENT'S MESSAGE

I must admit, I really enjoy this time of year. We don't get to see the leaves turning fall colors, but it does start to get a little cooler and rainier...and Rec 7 Café has Pumpkin Spice everything! Also, it is a sign that Thanksgiving and Christmas are right around the corner!

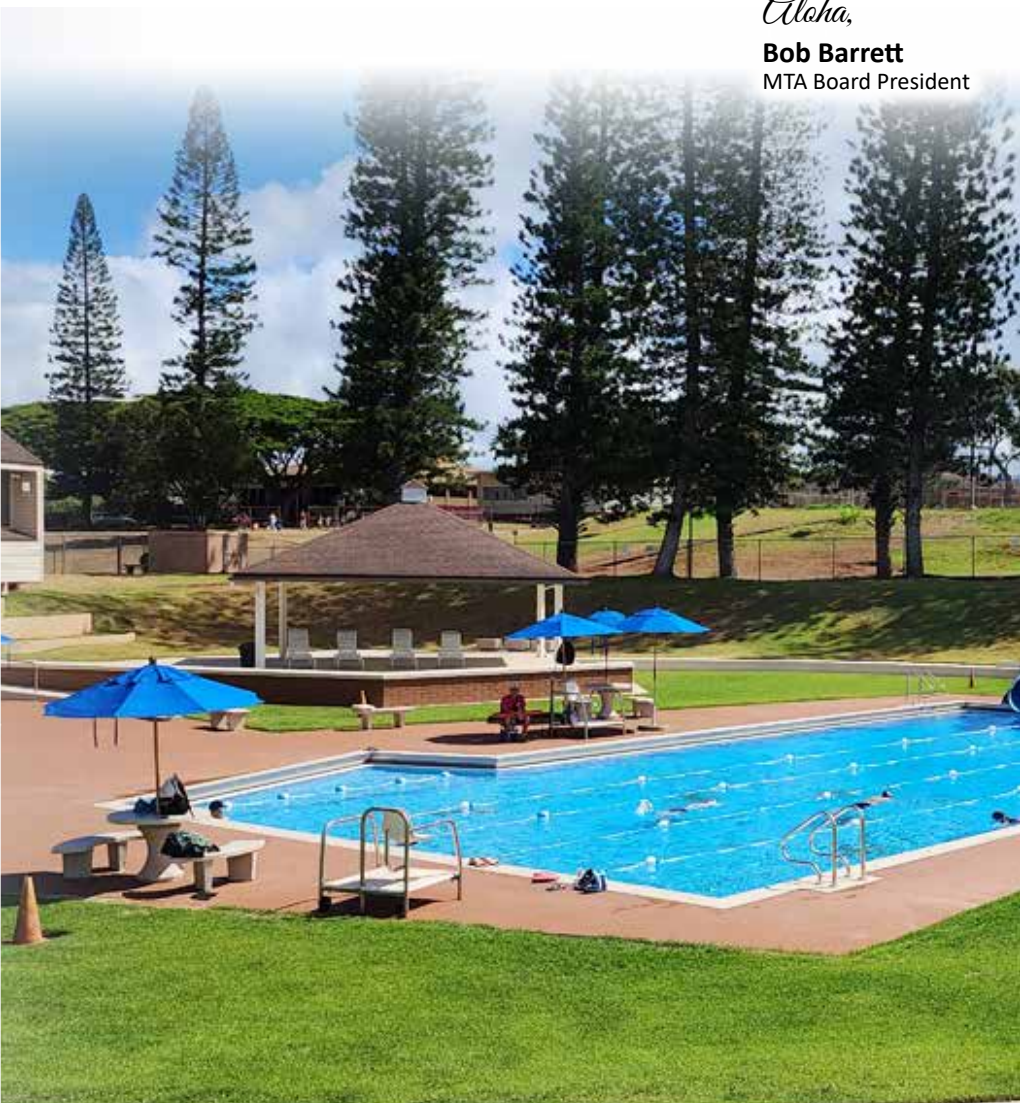

Halloween night is always a fun event in Mililani. I love seeing all the kids dressed up in their costumes and the joy on their faces when you drop some candy in their bags! Halloween gives our street a reason to have a little block party and it is really a great time.

You may remember, a while back I talked about my mom's struggle with illness. After a lengthy battle with Alzheimer's, she passed away in August. My mom lived a great life, though the last two years for her were very difficult. In her last six months, she could no longer get out of bed on her own or feed herself. In her final days, she just decided that she wasn't going to eat or drink anymore. Much to everyone's astonishment, she lasted 11 days without food or water. She was ready to go, but we are convinced that she held on as a way of giving us all a chance to get used to the idea of how to live without her. My mother was a very warm, caring and loving daughter, wife, mom, and nana/tutu to our entire family. If you were to meet her, the first thing you would notice was her smile. It could light up a room. My mom loved her family, especially the grandkids. She had a sign in her kitchen that read: "Tutu is the name and spoiling is the game". She was very proud of that! I am grateful that I had this time with her, and I am focusing on all the good memories and what she meant to our family. We will be having a celebration of her life later in the year and we plan on doing just that, celebrating her wonderful life. It is sad for those of us that are left behind without her, but at the same time we are grateful that she no longer suffers. A hui hou Mom.

Aloha,

Bob Barrett

MONTHLY COVENANTS INSPECTIONS

In an effort to be proactive with our homeowners, MTA wants to inform everyone of the areas that are being inspected each month. The areas highlighted on this map are the areas scheduled for routine Covenant inspections for this month.

We hope to reduce the amount of violation letters we have to send out, by giving you an advance notice of where we will be. We are not trying to do our inspections in secret. We may be seen in an area that is NOT scheduled for a routine inspection. The reason is usually because we have a re-inspection, a complaint or a design project inspection in that area. Please remember, if you have any questions, please feel free to ask. We are very friendly and very willing to talk to you.

A MAMMOGRAM today can add more tomorrows to your FUTURE.

Regular screening mammograms help detect breast cancer early, when it's more easily treatable. That's why it's recommended all women get a mammogram every year starting at age 40, or younger if there's a history of breast cancer in your family.

Schedule your mammogram in October at the Pali Momi Women's Center or at Straub Medical Center - Mililani Town Center Clinic, and you will receive a special gift while supplies last.

We make it easy with online scheduling at HawaiiPacificHealth.org/Mammogram.

10 WAYS TO PREVENT VEHICLE THEFT

HPD has seen an increase of UEMV's (Unauthorized Entry Into Motor Vehicle) in the Mililani area. Keep your family, vehicles and belongings safe with these ten tips to prevent vehicle related theft.

District 2 [Wahiawa Station]

Office (808) 723-8700

Burglary-Theft Detail (808) 723-8706

**1 LOCK YOUR DOORS**

Keeping your doors locked is the first step to deter thieves.

2 REMOVE YOUR KEYS FROM THE VEHICLE

Never leave your keys in the ignition.

3 DO NOT LEAVE A SPARE KEY NEAR YOUR VEHICLE

Some people may keep a spare key under the car or in their glove compartment, but thieves know where to check for an extra key.

4 CLOSE THE WINDOWS

Keep your windows closed completely.

5 PARK IN WELL LIT AREAS

Avoid parking in areas that are poorly lit or places not immediately seen by others. Thieves may be deterred if they know they can easily be seen.

6 INSTALL AN AUDIBLE ALARM SYSTEM AND ANTI-THEFT DEVICE

An unwanted attention attracted by the noise may chase off potential thieves.

7 DO NOT LEAVE VALUABLES IN YOUR CAR

Do not leave your handbag, cell phone or another high value item in a highly visible area of your car.

8 BE ALERT

Be aware of your surroundings when you park your car.

9 KNOW YOUR NEIGHBORS AND THEIR VEHICLES

Report any suspicious persons or vehicles in your neighborhood immediately to the police by calling 911.

10 DOUBLE CHECK

Before leaving your vehicle, double check that your doors are locked, windows are up and valuables are put away.
