If you are a property owner who would prefer to read the newsletter online, rather than receive it in the mail, call 808-623-7300 or send an email to jsuzuki@mililanitown.org to have your property address removed from the MTA newsletter mailing list.

MOVING TOWARDS A SUSTAINABLE MTA

Aloha Kakou!

As the Sustainability Director for the MTA Board, our Board President Bob Barrett has asked me to share some exciting news as we continue to move Mililani towards a more sustainable future.

Water: MTA continues to install smart irrigation technology, which will use soil moisture detection, satellite weather imagery and other means to identify the optimal times to water, and when to conserve and let Mother Nature take over. By doing so, we are looking to conserve water while saving money as the cost of water rises.

Community Orchards & Flowers: Several years ago, MTA planted its first community orchard of various fruit trees in mauka. That orchard is thriving and much fruit has already been picked by homeowners to enjoy. We are now planning our second orchard, with mango and avocado trees, for Mililani Town. Along with the orchard, there will be a shower tree walkway, giving us another beautiful place to experience in our community.

In Mauka, we will be creating the Nature Walk at Ravine Park, a beautifully designed contemplative path that will feature a wide variety of flowers and lei-making trees. In just a few years, we should be able to pick flowers and create homemade lei for special occasions.

Land Management: In being good stewards, MTA will continue to cut down invasive Albizia trees in MTA ravines. Not only are these trees unstable and dangerous, but they choke out other native and endemic trees from growing.

Holidays: As we approach the holidays and gift giving, consider reusing gift bags for presents or newspaper/Midweek to wrap the gifts. If you have a Christmas tree, be on the lookout for MTA's Christmas tree recycling program. This is an easy way to dispose of the tree, while providing mulch for our community landscaping.

MTA's goals will continue to utilize our community's natural resources more effectively by providing additional amenities, while realizing financial savings and benefits for our homeowners.

Happy Thanksgiving!

Mahalo!

CANDIDATES WANTED FOR MTA BOARD

The Association is seeking diligent and enthusiastic candidates to fill the vacancies on the MTA Board of Directors. For this upcoming fiscal year beginning April 1, 2024, there are three director positions open, each for a 3-year term. The election will be held through mail-in and on-line ballots. Prospective candidates should be oriented toward serving the interests of the Mililani Town Association and have the time and energy to attend monthly board meetings. To be eligible to serve on the MTA Board of Directors, current law requires all candidates to be members of the Association (owners) and no more than one owner from the same unit may serve on the Board at the same time.

Members interested in running for one of the three positions may pick up a Board of Directors Candidate Application at MTA's Administrative Office, 95-303 Kaloapau Street, during normal business hours, Monday-Friday from 8:00 a.m. to 4:30 p.m. (except holidays) or download the application by visiting the MTA website at www.mililantown.org. If you prefer to have an application mailed to you, you may call (808) 440-2625.

The deadline for filing candidate applications is 10:00 a.m., Tuesday, December 12, 2023. Results of the election will be announced at the 56th Annual Meeting to be held on Wednesday, March 13, 2024, at 7:00 p.m. at Recreation Center 6.

If any resident knows a homeowner who would make a good director, please encourage that individual to file an application. If you have any questions about the candidate process or wish to submit the name of a prospective candidate, please contact Sheryl Kamikawa at (808) 440-2625.

IMPORTANT NOTICE: RULES AND ENFORCEMENT AT OUR FACILITIES

PARENTS AND GUARDIANS, WE NEED YOUR HELP. We have seen an increase of our MTA staff issuing warnings to school aged members at our recreation centers. Warnings include use of profane language, bullying other members, running and screaming in the facilities, not cleaning up after themselves (example: leaving empty saimin bowls and drinks in the facility), abuse of MTA recreation equipment, rough-housing and “bombing” in the pools. MTA staff are instructed to give two warnings. The third warning will result in being ejected from the premises and parents being called. This is a daily routine for MTA staff, especially at Recreation Center 7.

PARENTS/GUARDIANS: PLEASE SPEAK TO YOUR CHILDREN WHEN SENDING THEM OR DROPPING THEM OFF AT THE FACILITIES

Per the Mililani Town Rules

Section C-8: “Any person using the facilities agrees to abide by the MILILANI TOWN RULES and instructions of MTA Staff on duty as a condition of remaining on the premises.”

Section J-1: “Violation of any of the MILILANI TOWN RULES while using any of the Mililani Recreation Centers will result in two verbal warnings before being ejected from the premises. The individual will be refused Recreation Center use privileges for a period of 48 hours. Any activity that is dangerous to an individual or others and/or illegal will not require any warning and will result in immediate ejection from the premises. (If the individual refuses to vacate the premises as requested, HPD will be summoned, and the violator charged with ‘trespassing’).”

Section J-4: “Any repetition of the same violation will not require warning before being ejected from the premises. Additional penalties imposed may be more severe including, but not limited to, suspension of all privileges for a longer period as determined by the General Manager”.

PLEASE DO NOT FEED FERAL ANIMALS!

It has come to our attention that feral animals are being fed on MTA property. MTA is asking residents to please stop feeding all feral animals on any MTA property. Although it may seem harmless to feed them, there is a negative impact to MTA property and also to the surrounding homes as well. Not only is there an increase in the population of these feral animals, there is an increase in animal feces, litter from people that feed them and visible damage to the ground cover caused by the feral animals.

As a reminder, the Declaration of Covenants, Conditions and Restrictions has provisions that address the types of uses allowed on MTA property. Because this is now an ongoing problem, the cleanup has become an added cost to the Association which violates that provision. Anyone caught feeding the feral animals on MTA property will be issued a trespass violation.

MTA requests your cooperation in maintaining the standards of which we have all come to appreciate and in keeping Mililani a wonderful place to live.

Topic: Health Screenings

Objective: Decrease Colorectal Cancer

AI Assisted Colonoscopies

Covenant Physician Partners Hawaii now has enhanced screening with the aid of GI Genius™ intelligent endoscopy module that employs artificial intelligence (AI) to help physicians detect polyps—a powerful new ally in the fight against colorectal cancer.

Covenant Physician Partners has teamed up with Medtronic and GI Genius™

This device uses advanced Artificial Intelligence software to highlight suspicious polyps with a visual marker in real time—serving as the gastroenterologist's ever-vigilant second observer with a sensitivity rate per lesion of 99.7%.

The more our doctors find, the longer our patients live.

Studies show that AI-assisted colonoscopy can increase polyp detection rates, and every 1% increase in adenoma detection rate reduces the risk of colorectal cancer by 3%. Colorectal cancer is the third most common form of cancer diagnosed in the U.S., with almost 150,000 new cases every year.

MONTHLY COVENANTS INSPECTIONS

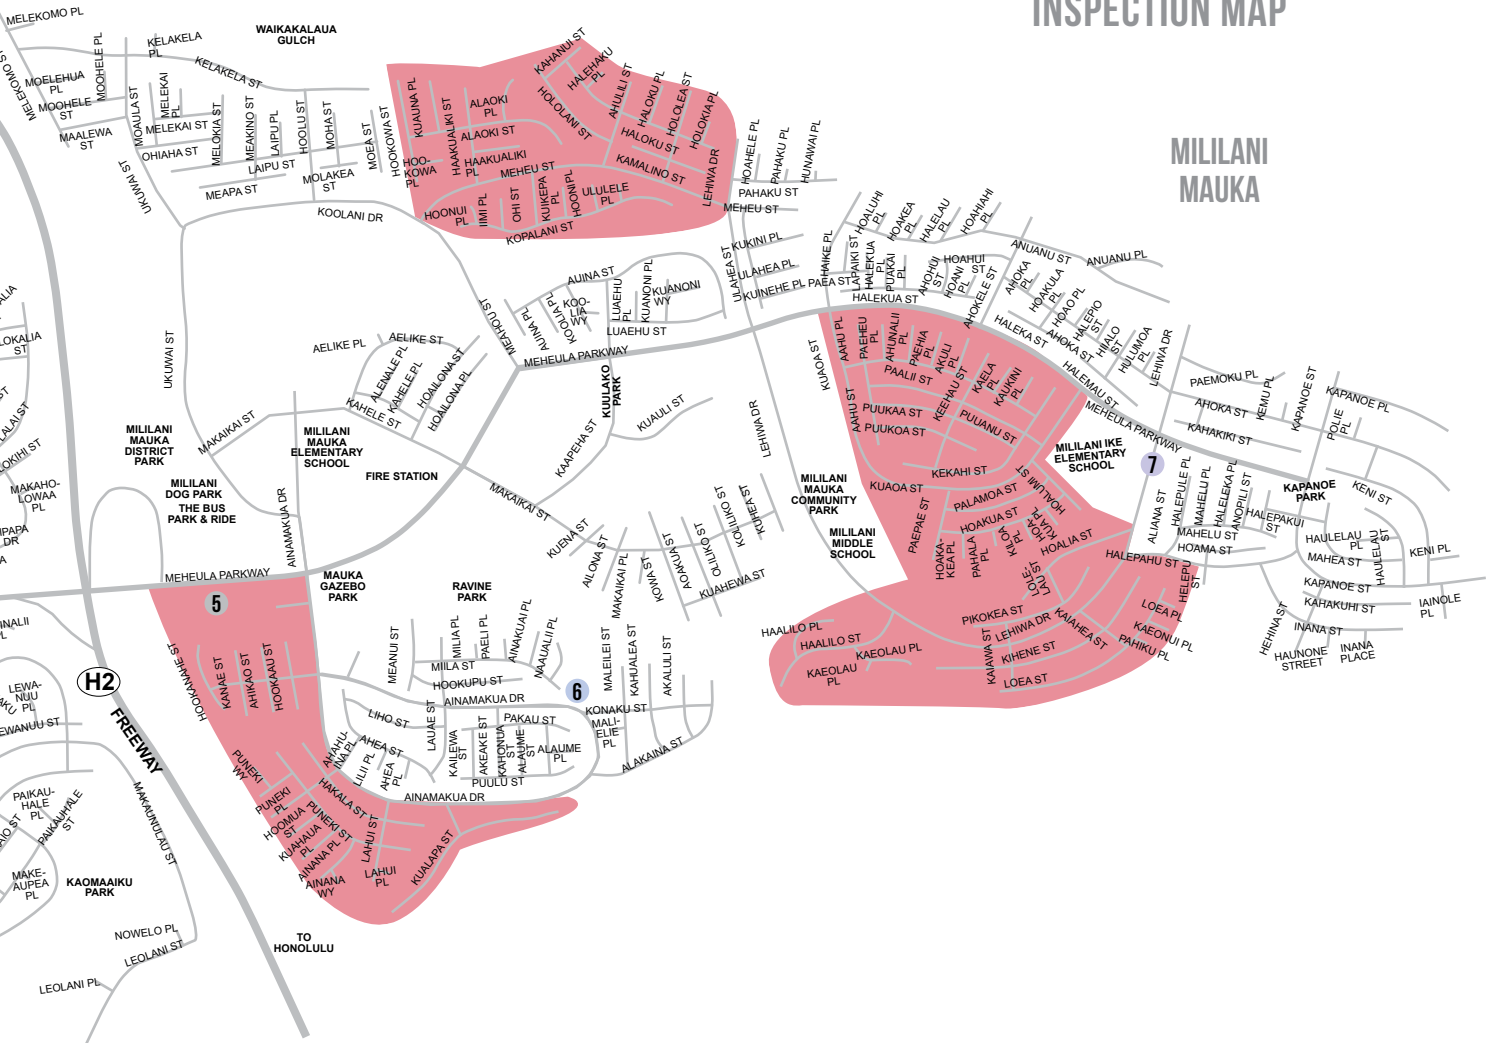

In an effort to be proactive with our homeowners, MTA wants to inform everyone of the areas that are being inspected each month. The areas highlighted on this map are the areas scheduled for routine Covenant inspections for this month.

We hope to reduce the amount of violation letters we have to send out, by giving you an advance notice of where we will be. We are not trying to do our inspections in secret. We may be seen in an area that is NOT scheduled for a routine inspection. The reason is usually because we have a re-inspection, a complaint or a design project inspection in that area. Please remember, if you have any questions, please feel free to ask. We are very friendly and very willing to talk to you.
