## PRESIDENT'S MESSAGE

Happy New Year Mililani! Seems like I just got used to writing 2023 and now its 2024 already! How did that happen?!

I know I have mentioned this in the past, but it is worth writing about again because the issue is getting worse. The people that are riding their e-bikes and motorcycles on and around our common area, are ruining the landscaping and creating a very dangerous environment. Not only am I witnessing this personally, we are getting letters and phone calls from concerned residents saying that they are frightened to walk along, what used to be, a quiet and peaceful walking path. Here is an excerpt from one concerned resident's letter:

*The e-bikes and dirt bikes are becoming a problem. I see them riding almost everyday. I can see where they have damaged the grounds. I have counted three dirt ramps that they have created. They ride like it's a race track using the uneven field as ramps. It's a hazard to the people playing on the field with their family and people walking down the ravine. It's just an accident ready to happen. We have called the police many times. Today they were about ten of them all riding together riding without regard. What can we do as people who live in this neighborhood. It used to be a nice neighborhood. Now it gives me anxiety because of the noise of the dirt bikes. It is no longer a peaceful place to live.*

So, I am asking you, pleading with you, if you are a parent of someone, or you are someone that rides their electric or gas-powered bike or motorcycle in and around our common area, it does not go without consequence. You are negatively affecting the lives of other residents and you are destroying the beautiful and peaceful green space that we work so hard to keep nice. Please find somewhere else to ride. I know how much fun it is, I used to ride dirt bikes as well. I just found a space that was safe for me and the people around me. I am begging you to do the same.

I feel that we live in an ideal place. Not only are we blessed to live in Hawaii, but it is also my opinion that Mililani is the best place in Hawaii to live and raise a family. We should all be striving to keep it that way. Thank you, in advance, for your Kokua.

Aloha,

**Bob Barrett**

MTA Board President

# HOMEOWNER ASSESSMENTS

The MTA quarterly assessment is collected in accordance with Article VI, Section 6.02 of the Mililani Town DCCR. **Assessment due dates are January 1st, April 1st, July 1st, and October 1st in the amount of \$145.00 per quarter (effective April 1, 2022).** Quarterly reminder notices are sent to homeowners. A \$10.00 late fee will be charged if payment is not received by the 10th of the month that payment is due.

## WE DO IT RIGHT THE FIRST TIME!

At the **Aire Conditioner Shoppe** we specialize in residential air conditioning, and have been cooling off all of Oahu for over 43 years.

When it comes to comfort, nothing can beat cooling off your home with a quiet, energy efficient, split-system air conditioner. These systems save on energy costs by taking advantage of inverter technology, working only as hard as needed to reach and maintain your desired temperature, while targeting only the rooms that are in use.

Our customers ask for the most dependable systems to be installed in their homes, which is why we recommend Mitsubishi and Fujitsu split-systems for their reliability, outstanding 12-year warranty and consistent distribution network here in Hawaii.

As a Mitsubishi Diamond contractor and Fujitsu Elite contractor with an A+ BBB rating, you can count on the Aire Conditioner Shoppe to be knowledgeable, fair and straightforward.

## SUDDENLY IT'S ALL SO CLEAR

Let the window experts at Coastal Windows show you how to select windows and doors that will dramatically transform your home, both inside and out...opening up a room, letting in more natural light and cooling trade winds, and improving the safety and security of your home and family.

Operating since 1990, Coastal Windows is the only company that designs a complete line of windows and doors specifically for Hawaii, and manufactures exclusively in Hawaii. Coastal understands the challenges presented by the Islands' harsh climate, and their entire product line has been engineered specifically to meet these challenges and provide a lifetime of trouble-free operation.

You are invited to stop by the factory showroom and see Coastal's latest product innovation - CoastalGard™ impact-rated windows and doors. While you are there, take a tour of the manufacturing facility and see first-hand how the windows are made. You can also schedule a free in-home consultation. For MTA members, Coastal will provide you with your completed design submittal application package. Lic. #BC-18663

## MONTHLY COVENANTS INSPECTIONS

In an effort to be proactive with our homeowners, MTA wants to inform everyone of the areas that are being inspected each month. The areas highlighted on this map are the areas scheduled for routine Covenant inspections for this month.

We hope to reduce the amount of violation letters we have to send out, by giving you an advance notice of where we will be. We are not trying to do our inspections in secret. We may be seen in an area that is NOT scheduled for a routine inspection. The reason is usually because we have a re-inspection, a complaint or a design project inspection in that area. Please remember, if you have any questions, please feel free to ask. We are very friendly and very willing to talk to you.

# FREE CHRISTMAS TREE SHREDDING

JANUARY 6, 2024

Saturday

8:00 am - 12:00 noon

Rec 3 & 7 Parking Lot

MTA has the proper equipment to recycle your fresh Christmas trees and turn them into mulch. Bring them to Rec 3 or Rec 7 Parking Lots on Saturday, 1/6/24 from 8:00 am - 12:00 noon, or talk to your neighbors about consolidating the trees on your street. If you gather ten or more trees on your street, please call 808-440-2638 and MTA will pick them up.

Please note, City and County does not provide neighborhood pickups. Normal tree disposal is via your green waste bins (the tree needs to be cut up to fit). Makaanulau Community Park (Sixteen Acres) is **NOT** a designated drop-off point for trees, that service stopped several years ago yet residents in the area continue to drop off trees there. Please kokua and take advantage of MTA's tree recycling service or dispose of your trees properly.
