The Mililani News is a monthly publication of the Mililani Town Association. The publication is used to notify owners of community issues, changes in association policies, scheduled meetings, hearings, programs, classes, special events and activities, and for recognizing MTA members and employees for their achievements and outstanding service. MTA does not endorse and is not responsible for the merchandise or services advertised in this publication. The Mililani News is mailed to residential properties in Mililani. If you are a homeowner who is renting your home to a tenant and live outside of Mililani, or you are a property manager or business owner in Mililani, you are welcome to view the monthly newsletter online. If you are a property owner who would prefer to read the newsletter online, rather than receive it in the mail, call 808-623-7300 or send an email to jsuzuki@mililantown.org to have your property address removed from the MTA newsletter mailing list.

PRESIDENT'S MESSAGE

Welcome to March! This is also the month for our Annual Meeting. I hope you had the chance to vote this year. I tried the online voting system, and I was very pleased how well it worked and how easy it was!

I am pleased to announce that we will not have an increase in our dues this year. Mililani is still ranked very high among other master communities on Oahu. By far, we have the most recreation centers and amenities, the most events and the best landscaping and we still manage to maintain very low association dues. I am in favor of raising dues when needed, it helps to keep the association healthy. Your MTA staff

and board of directors have worked tirelessly to achieve this. I am thankful to work alongside such dedicated and brilliant people.

There is much happening this month! You will be glad to know that your orchard is starting to produce fruit. I was told that we will be passing out over 500 apple bananas to those who would like them. It is exciting to think what this orchard will look like 20 years from now!

Take a good look through the newsletter for more information regarding Movie Night featuring Super Mario Brothers The Movie on March 9th, our popular Easter Egg Hunt on March 23rd and the Mililani Job Fair on April 6th.

On a personal note, after my mom's passing in August of last year, I went out and got a gardenia plant in her memory. Gardenia was, by far, her favorite flower and I thought it would be a great idea to have one in the yard to remind me of her. I was told that they need sunlight and plenty of shade and I knew I had the perfect spot for it. I was right, 8 months later, the Gardenia is thriving and very happy. It has yet to bloom, and I can't wait for that day. The fragrance will bring back many happy memories.

Aloha,
Bob Barrett
MTA Board President

Our campus is located in the heart of Mililani and includes interactive classrooms with spacious outdoor areas. We are licensed to teach children ages 3 to 5 years old.

At Rainbow School Mililani, children learn in a nurturing and engaging environment. Our teachers are dedicated to the idea that learning is a natural process and taken with a positive approach. MONTHLY COVENANTS INSPECTIONS

In an effort to be proactive with our homeowners, MTA wants to inform everyone of the areas that are being inspected each month. The areas highlighted on this map are the areas scheduled for routine Covenant inspections for this month.

We hope to reduce the amount of violation letters we have to send out, by giving you an advance notice of where we will be. We are not trying to do our inspections in secret. We may be seen in an area that is NOT scheduled for a routine inspection. The reason is usually because we have a re-inspection, a complaint or a design project inspection in that area. Please remember, if you have any questions, please feel free to ask. We are very friendly and very willing to talk to you.

Sector: Healthcare

Topic: Health Screenings

Objective: Decrease Colorectal Cancer

AI Assisted Colonoscopies

Covenant Physician Partners Hawaii now has enhanced screening with the aid of GI Genius™ intelligent endoscopy module that employs artificial intelligence (AI) to help physicians detect polyps—a powerful new ally in the fight against colorectal cancer.

Covenant Physician Partners has teamed up with Medtronic and GI Genius™

This device uses advanced Artificial Intelligence software to highlight suspicious polyps with a visual marker in real time—serving as the gastroenterologist's ever-vigilant second observer with a sensitivity rate per lesion of 99.7%.

The more our doctors find, the longer our patients live.

Studies show that AI-assisted colonoscopy can increase polyp detection rates, and every 1% increase in adenoma detection rate reduces the risk of colorectal cancer by 3%. Colorectal cancer is the third most common form of cancer diagnosed in the U.S., with almost 150,000 new cases every year.
