PRESIDENT'S MESSAGE

We held our annual meeting in March. The election results were shared, and the three incumbent board members were re-elected, each for a three-year term. I want to thank the newly elected board members for their dedication and hard work as well as the people that added their names to the ballot. I am always encouraged when people get involved in their community and run for election. When I first ran for the board, I lost by 6 votes. I ran again the next year and narrowly won by only 22 votes. I knew I had a desire to give back to my community and I'm certainly glad that I tried a second time! This year marks my 13th anniversary as a member of your MTA board.

At the annual meeting we had a few members want to speak and ask questions. The topics ranged from financial to landscaping to walls. See the article in this issue regarding common area walls. Another topic that came up is the electric bicycle and motorcycle use throughout our common areas. I wrote about it a few months ago and since then, the issue has not improved. Residents are still not feeling safe on the walking paths or sidewalks and the bikes are tearing up the common area landscaping. The next step we take is involving the authorities.

This is the first Mother's Day I will spend without my mom. I have several good friends that lost their moms recently and I'm sure there are many of you out there that are going through this or already have experienced this loss. My heart goes out to you. While I am at peace with my mom's passing because the end of her life was very bad, I will always miss knowing that I can't just go and see her or pick up the phone and talk with her. Wishing all the mothers a very happy and special Mother's Day.

Aloha,
Bob Barrett
MTA Board President

MTA COMMUNITY CORNER

REGARDING E-BIKES ON MTA PROPERTY

We are receiving frequent calls from members regarding e-bikes destroying the landscaping in Ravine Park, as well as near misses with pedestrians, and confrontations and obscene gestures aimed at people who point out they aren't allowed in the park. Large rocks have been placed along with temporary fencing to prohibit the e-bikers from destroying the hillside, but they have been recently moved or destroyed. E-bikes are not allowed in MTA parks/open spaces.

MTA is working with HPD, and e-bike riders caught in the parks are being issued trespass warnings. If caught a second time, they will be arrested for trespassing.

THE FOLLOWING LAWS PERTAIN TO E-BIKES:

§291C-143.5 LOW-SPEED ELECTRIC BICYCLES; OPERATOR AGE. No person under the age of fifteen shall operate a low-speed electric bicycle as defined under title 15 United States Code section 2085. [L 2019, c 208, §1]

§291C-145 RIDING ON ROADWAYS AND BIKEWAYS. (g) No person shall ride a bicycle equipped with a motor on any sidewalk.

So essentially, anyone under 15 years old riding an e-bike is breaking the law, as is anyone riding an e-bike on a sidewalk.

DAMAGE TO RAVINE PARK LANDSCAPING.

E-BIKES ARE NOT ALLOWED IN MTA PARKS/ OPEN SPACES.

REMINDER:

MTA Community Association Property (CAP) Walls

As a reminder, per the Declaration of Covenants, Conditions and Restrictions, Article III, Section 3.02 (d) "...The Owner of each lot will maintain in good repair any fence or wall along any street boundary of his lot which had been erected by Declarant..."

In addition, the Design Committee Rules, 12.8.1, "...Each owner that abuts the MTA common area wall is responsible for the maintenance and upkeep of that wall. No modification of any kind on CAP walls is permitted without the express written consent of the MTA. Design Committee approval is required for all changes and/or modifications to the wall or fence."

If you are unsure if you have a CAP wall or need further clarification regarding this rule, give us a call at (808)623-7300 anytime during normal business hours, 8:00 am - 4:30 pm Monday through Friday. You can also send us an email at: covenants@milianitown.org

NOTICE REGARDING UPCOMING REC 3 RENOVATION

Aloha MTA.

This is to notify you of an upcoming closure of Rec. 3 for renovation. We do not have a construction start date yet, but anticipate it to be anywhere from July 2024 to December 2024, depending on when the building permit is approved. The project will take approximately one year to complete, once it is underway.

As part of the renovation project, we will be installing new flooring, new lighting, new bathrooms, a new roof with PV panels, new windows and doors, a café similar to the one at Rec. 7, and we're converting office space to recreation space that will include a video arcade. Outside we will be building a tot-lot between the pool and pickleball courts, and we will be completely renovating all the pickleball and tennis courts.

We are doing everything we can to minimize the inconvenience that the closure will cause. We are looking into options for an alternate pickleball location. We are moving classes to other Rec. Centers. The Admin. office will be open during construction, and the Rec. 7 business office is open weekends and evenings.

Thank you for your understanding, we will issue updates as new information becomes available.

On the night of your fire, one of two things is going to happen:

**YOU GET OUT...
OR YOU DON'T.**

Chances are, you currently have a smoke detector that has no problem alerting you to white, cooking smoke. But, when it comes to deadly, black smoke, studies show that the same smoke detector in your home has been proven to fail at an alarming rate. And, in most cases, the smoke detector that you depend on to protect your family will simply melt off of the wall due to the extreme temperature of a life-threatening fire.

Do you want a smoke detection system that might work or an **ADVANCED SMOKE and HEAT sensing system that WILL WORK?**

MONTHLY COVENANTS INSPECTIONS

In an effort to be proactive with our homeowners, MTA wants to inform everyone of the areas that are being inspected each month. The areas highlighted on this map are the areas scheduled for routine Covenant inspections for this month.

We hope to reduce the amount of violation letters we have to send out, by giving you an advance notice of where we will be. We are not trying to do our inspections in secret. We may be seen in an area that is NOT scheduled for a routine inspection. The reason is usually because we have a re-inspection, a complaint or a design project inspection in that area. Please remember, if you have any questions, please feel free to ask. We are very friendly and very willing to talk to you.

MILILANI VENTURE CREW 808
 See CLUBS & ORGANIZATIONS on page 29
 for more information.

On April 6, Mililani Venture Crew 808 participated in the 8th Annual Onizuka Day of Exploration at the University of Hawaii West Oahu. This event organized by the Boy Scouts of America, Aloha Council, pays tribute to local hero and American Astronaut, Ellison Onizuka who died in the destruction of Space Shuttle Challenger. The event had over 100 booths run by various scouting units and non-profit organizations from all over the island with STEM related hands-on activities, workshops, and classes for all ages. Crew 808 ran a booth that taught participants how to build a miniature catapult out of popsicle sticks, rubber bands and a spoon, and showed off their life sized catapult that launches tennis balls. Crew members, Brayden, Chasen, Drew, Kaitlyn, Konnor, Preston, and Trina, took shifts running the booth. In addition to outreach events like this, Crew 808 has recently done lots of great activities like horseback riding, mountain biking, a karaoke night, and a beach cleanup. They are open to young men and women aged 14-21 and meet twice a month at the MTA, contact us for more information at venture808crew@gmail.com if you are interested in joining!
