RESOLUTION RESPECTING CAPITAL CONTRIBUTIONS FOR THE FISCAL YEAR ENDING MARCH 31, 2025

Chair Bob Barrett moved for adoption of this resolution that WHEREAS:

1. Mililani Town Association (the "Association") is a homeowner's association that qualifies as a social welfare organization under subsection 501(c)(4) of the Internal Revenue Code of 1986, and, as a result, the membership dues, fees related to its exempt functions, and assessments collected by the Association during any tax year that the Association holds that status are treated as exempt income and not subject to tax.
2. Aside from collecting membership assessments, the Association has also historically engaged in activities that provide "alternate sources of income" that are taxable, including leasing certain common areas for cell phone antennae. The Association has used these alternate sources of income in order to defray part of the Association's operating expenses and thereby minimize the assessments charged members.
3. The quarterly amounts assessed the homeowners/members of Association include both amounts estimated to cover operating expenses and capital contributions to fund capital reserves for the repair, replacement, and improvement of the common areas and facilities of the Association.

4. As a historical matter, to the extent that, after application of the Association's alternate sources of income to pay operating expenses, the aggregate amount of the quarterly assessments collected from members to pay operating expenses might exceed the Association's actual operating expenses in the current and the next succeeding year, the members of the Association have by resolution, in advance of each year, designated that any such excess amount would also constitute and be treated as additional contributions to the Association's capital reserves.

5. With regards to the funds contributed to the Association's reserves, the Board has established certain special accounts and adopted certain special rules and restrictions limiting expenditure of the Association's capital reserves only for repairs, replacements, and capital improvements; and the Board has deposited and holds the members' capital contributions in such special segregated reserve accounts.

NOW, THEREFORE, IN THE FOREGOING CIRCUMSTANCES, BE IT RESOLVED THAT:

A. The members acknowledge that, as in prior years, the quarterly membership assessments for the fiscal year ending March 31, 2025, include amounts allocable to the Association's capital reserves. The members hereby resolve to contribute such amounts as capital contributions to the capital reserves of the Association. In aggregate, based on the annual budget for the upcoming fiscal year, the members hereby resolve to contribute a minimum of \$1,210,000 to the capital reserves of the Association out of the members' quarterly membership assessments, which amount shall be deposited and held in Association's special segregated bank accounts for the Association's capital reserves (currently at Bank of Hawaii) and held by the Board in accordance with the rules and restrictions governing the Association's capital reserve funds.

B. The members further resolve that, to the extent that the remaining amount of the membership assessments collected in the fiscal year ended March 31, 2025, turn out to exceed the net expenses of providing membership services for such fiscal year (after application of any alternate sources of income), any such excess shall also be contributed to the Association's capital reserves and shall be treated as special assessments and capital contributions to the Association's capital reserves, and shall also be deposited into one of the Association's special segregated bank accounts for the Association's capital reserves and also held in accordance with the rules and restrictions governing the Association's capital reserve funds.

Since there were no objections, the resolution was adopted by unanimous consent.

RESOLUTION RETENTION OF A BOARD OF NINE DIRECTORS

Chair Bob Barrett moved for adoption of this resolution, by the Mililani Town Association that: “A Board of Directors consisting of nine (9) Directors shall be retained for the fiscal year April 1, 2025 to March 31, 2026.”

Since there were no objections, the resolution was adopted by unanimous consent.

EXPLANATION OF SYSTEM

President, Bob Barrett explained that the system of voting is within the Association’s By-Laws that the election of Directors shall be by ballot. Homeowners were given an opportunity to vote on the candidates of their choice by mail-in ballots. These mail-in ballots were tallied electronically by Merriman River Group, an independent ballot-counting company. At MTA’s request, the League of Women Voters was engaged to be the Election Tellers by overseeing the tallying procedures. The League of Women Voters validated that the ballot-counting followed appropriate tallying procedures and confirmed the final election results. There were three (3) vacancies on the Board each for a 3-year term that needed to be filled.

The following individuals submitted their resumes in advance to the Association as candidates for the Board of Directors positions; their names appeared on the printed ballots in alphabetical order, by last name, as follows: Sabrina Gustafson, Josie Hart Ka’anehe, Michael Y. Magaoay, Elgine Onaka, Maui Quizon and Neil Takeda.

ELECTION RESULTS: Secretary Josie Hart Ka’anehe announced the following election results:

	<u>Number of Votes</u>
Josie Hart Ka’anehe	2,364
Neil Takeda	2,140
Michael Y. Magaoay	2,002
Sabrina Gustafson	1,110
Maui Quizon	1,080
Elgine Onaka	1,011

Total Valid Ballots: 3,362

The three (3) directors elected to each serve a three (3) year term of office are Josie Hart Ka’anehe, Neil Takeda and Michael Y. Magaoay.

CONGRATULATIONS

Chair Bob Barrett congratulated the elected directors and thanked all the candidates for their participation. He announced to the newly elected directors and the directors who were continuing their term of office that there would be a Board of Directors organizational meeting immediately following this Annual Meeting in the Administrative Office Conference

Room. The purpose of this meeting is to elect the corporation's officers and to establish the meeting schedule of the Board for the next fiscal year.

HOMEOWNERS' FORUM

Chair Bob Barrett opened the floor to MTA homeowners. Various homeowners addressed the Board.
