PRESIDENT'S MESSAGE

Aloha Mililani Town Association Members,

Summers in Mililani provide many opportunities to engage in outdoor activities for you, and your ohana. On a personal note, my favorite daily outdoor activity is walking our two dogs for 45-60 minutes in my neighborhood. Beyond bringing joy to our pups, this has become a very rewarding experience for me because of the number of neighbors I have reconnected with and the many others that I've come to know. We share similar beginnings here in Mililani, have mutual friends, laugh at stories of the good ole days, exchange gardening tips, share travel experiences, and much more.

Studies have shown that outdoor activities, particularly those involving nature, can lower feelings of anxiety and promote relaxation. Exercise, whether it's swimming at one of our pools, walking in our fruit orchard, or biking around with family, helps to release natural mood boosters that can reduce stress and improve overall well-being.

I have also been told that Mililani is an awesome place for home gardening of fruits, spices, and vegetables. There are so many passionate gardeners that are always willing to share their knowledge about the many varieties of their plants, trees, and flowers, and for that, I'm thankful. Gardening is certainly a great hobby to boost social interaction and it's another way to be outdoors, connect with nature, and even get some exercise.

Whatever outdoor activities you are involved in, please remember to protect yourself. Stay well hydrated, protect yourself from the sun with sunscreen, and adjust your attire to the weather.

For those of you that prefer indoor activities, please check out our monthly newsletter for fun activities, educational workshops, and classes for all ages. Meet new neighbors, learn a new hobby or skill, and be a part of MTA's monthly activities. The most common comment that I receive is that our MTA management and staff does a heck of a job creating and facilitating different events and activities for you and our ohanas.

Hope to see you out there this Summer!

With Aloha,
Neil Takeda
MTA Board President

MILILANI TOWN ASSOCIATION

ALOHA PLEDGE

A commitment to fostering a climate of open discussion and debate, mutual respect, and tolerance between all who live in, work in, and visit the Mililani Town Association community.

1. We expect each individual, whether a resident, guest, board member, MTA manager, staff member, business partner, or contractor, to be accountable for his or her own actions and words.

2. We believe all interactions in the community should be civil despite any differences of opinion on a particular issue. We believe in finding common ground and engaging in civil discussion about MTA issues important to each of us.

3. We vow to respect all points of view and will strive to provide a reasonable opportunity for all to express their views openly-without attacks and antagonization. We agree to keep our discussions focused on the business issues at hand, as well as on the ideas and desired outcomes.

4. We urge all residents to be engaged and informed. Get to know your neighbors, your board members, and your community manager. Attend meetings or serve on the board. Understand MTA's rules, regulations, and covenants, and the value they add. Ask questions, share your opinions, and vote.

5. We believe these commitments to aloha, as well as engaged and informed residents, are a vital part of our shared goal of being a vibrant, thriving community.

MONTHLY COVENANTS INSPECTIONS

In an effort to be proactive with our homeowners, MTA wants to inform everyone of the areas that are being inspected each month. The areas highlighted on this map are the areas scheduled for routine Covenant inspections for this month.

We hope to reduce the amount of violation letters we have to send out, by giving you an advance notice of where we will be. We are not trying to do our inspections in secret. We may be seen in an area that is NOT scheduled for a routine inspection. The reason is usually because we have a re-inspection, a complaint or a design project inspection in that area. Please remember, if you have any questions, please feel free to ask. We are very friendly and very willing to talk to you.

MTA COMMUNITY CORNER

IMPORTANT NOTICE: RULES AND ENFORCEMENT AT OUR FACILITIES

Parents and Guardians, we need your help. We have seen an increase of our MTA staff issuing warnings to school aged members at our recreation centers. Warnings include use of profane language, bullying other members, running and screaming in the facilities, not cleaning up after themselves (example: leaving empty saimin bowls and drinks in the facility), abuse of MTA recreation equipment, rough-housing and "bombing" in the pools. MTA staff are instructed to give two warnings. The third warning will result in being ejected from the premises and parents being called. This is a daily routine for MTA staff, especially at Recreation Center 7.

Per the Mililani Town Rules:

Section C-8: "Any person using the facilities agrees to abide by the MILILANI TOWN RULES and instructions of MTA Staff on duty as a condition of remaining on the premises."

Section J-1: "Violation of any of the MILILANI TOWN RULES while using any of the Mililani Recreation Centers will result in two verbal warnings before being ejected from the premises. The individual will be refused Recreation Center use privileges for a period of 48 hours. Any activity that is dangerous to an individual or others and/or illegal will not require any warning and will result in immediate ejection from the premises. (If the individual refuses to vacate the premises as requested, HPD will be summoned, and the violator charged with 'trespassing')."

Section J-4: "Any repetition of the same violation will not require warning before being ejected from the premises. Additional penalties imposed may be more severe including, but not limited to, suspension of all privileges for a longer period as determined by the General Manager".

PARENTS/GUARDIANS:

PLEASE SPEAK TO YOUR CHILDREN WHEN SENDING THEM OR DROPPING THEM OFF AT THE FACILITIES.
