TREE CITY USA (2018-2020)

1986 NATIONAL CIVIC LEAGUE ALL-AMERICA CITY

PRESIDENT'S MESSAGE ---

Aloha e Mililani Ohana,

Summer is over and our keiki are back in school! Many of us have children, grandchildren, or know of other children attending one of our eight schools or eight preschools here in Mililani - that's approximately 10,000 school-age keiki in Mililani.

With Summer vacation over and busier roads ahead, let's all contribute to keeping Mililani safe by focusing on traffic safety and pedestrian awareness, ensuring the protection of our children and community. Safety is a shared duty that

starts with every individual.

Back in July, a good friend sent me a text advising me of the Russian earthquake. At that time, it was just news from abroad. Then within minutes while shopping in WalMart, the phone alert beeped on every phone in the store which made it real, very eerie and then so very personal - a reminder of how quickly things can change. Family safety and preparedness became the priority. We were all very fortunate.

MTA Events - I recently attended two great events sponsored by MTA:

- Imagination Pop-Up & Shop at Rec 6 (July 12) This unique fair featured Labubu, a collectible designer toy, along with other fun, different and collectible goods. My personal favorites? The wide variety of sweets and treats offered by local vendors. Kudos to the vendors and MTA staff and for thinking outside of the box to bring something fresh and exciting to Mililani.
- Movie by the Pool at Rec 1 (July 26) This event continues to be a family favorite! A big mahalo to the sponsors and the MTA staff for knocking it out of the park.

COVENANTS & DESIGN

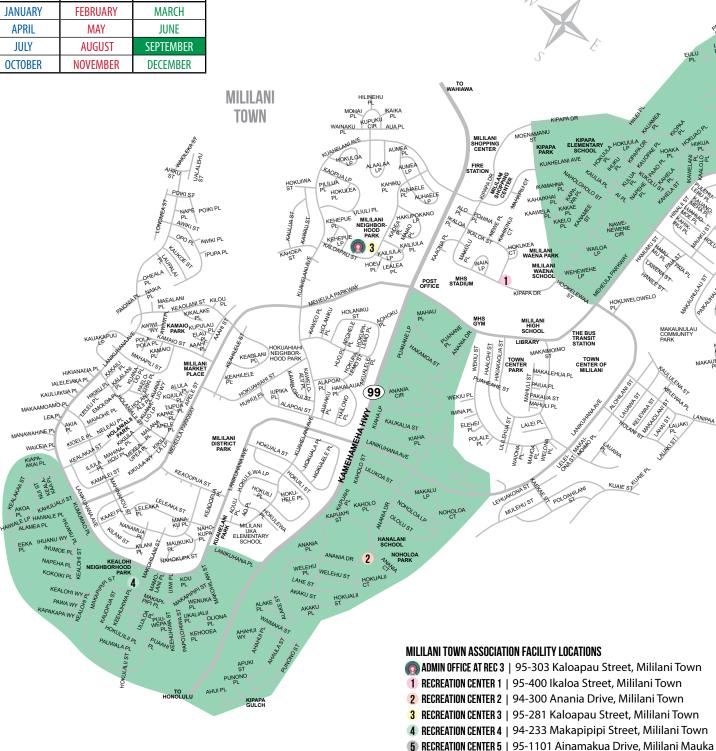

MONTHLY COVENANTS INSPECTIONS

In an effort to be proactive with our homeowners, MTA wants to inform everyone of the areas that are being inspected each month. The areas highlighted on this map are the areas scheduled for routine Covenant inspections for this month.

We hope to reduce the amount of violation letters we have to send out, by giving you an advance notice of where we will be. We are not trying to do our inspections in secret. We may be seen in an area that is NOT scheduled for a routine inspection. The reason is usually because we have a reinspection, a complaint or a design project inspection in that area. Please remember, if you have any questions, please feel free to ask. We are very friendly and very willing to talk to you.

MTA COMMUNITY CORNER

IMPORTANT NOTICE: RULES AND ENFORCEMENT AT OUR FACILITIES

Parents and Guardians, we need your help. We have seen an increase of our MTA staff issuing warnings to school aged members at our recreation centers. Warnings include use of profane language, bullying other members, running and screaming in the facilities, not cleaning up after themselves (example: leaving empty saimin bowls and drinks in the facility), abuse of MTA recreation equipment, rough-housing and "bombing" in the pools. MTA staff are instructed to give two warnings. The third warning will result in being ejected from the premises and parents being called. This is a daily routine for MTA staff, especially at Recreation Center 7.

Per the Mililani Town Rules:

Section C-8: "Any person using the facilities agrees to abide by the MILILANI TOWN RULES and instructions of MTA Staff on duty as a condition of remaining on the premises."

Section J-1: "Violation of any of the MILILANI TOWN RULES while using any of the Mililani Recreation Centers will result in two verbal warnings before being ejected from the premises. The individual will be refused Recreation Center use privileges for a period of 48 hours. Any activity that is dangerous to an individual or others and/or illegal will not require any warning and will result in immediate ejection from the premises. (If the individual refuses to vacate the premises as requested, HPD will be summoned, and the violator charged with 'trespassing')".

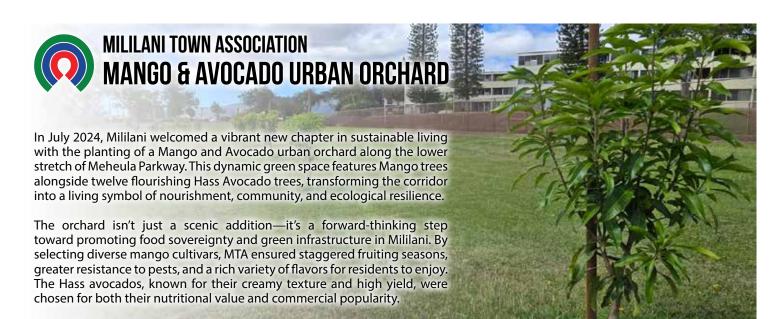

Section J-4: "Any repetition of the same violation will not require warning before being ejected from the premises. Additional penalties imposed may be more severe including, but not limited to, suspension of all privileges for a longer period as determined by the General Manager".

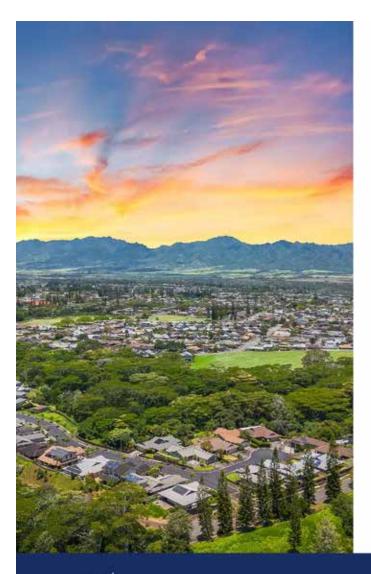

PARENTS/GUARDIANS:
PLEASE SPEAK TO YOUR CHILDREN WHEN
SENDING THEM OR DROPPING THEM OFF
AT THE FACILITIES.
