PRESIDENT'S MESSAGE

Aloha e Mililani Ohana,

This past month, I had the chance to "talk story" with some young Mililani homeowners who have lived here for less than 10 years. I was interested to know what brought them to Mililani, what they enjoy most, and what they hope to see in the next decade.

The most common reasons for choosing Mililani were similar to the ones many of us love — a beautiful, clean neighborhood, convenient local amenities, and an excellent school district for their young children. They appreciate that everything is close at hand: banking,

shopping, a wide variety of eateries, and essential services like doctors, dentists, and even veterinarians.

After nearly a decade here, these families said they make great use of our parks and recreation centers. They want to give a special shoutout to MTA's management and staff — from swimming instructors and special events crews to café baristas — for helping make Mililani such a welcoming community. Many mentioned how much they enjoy attending MTA-sponsored events or simply walking and jogging around the neighborhood. One young couple made an especially thoughtful comment: "while the events are fun for all ages, their real value is in bringing the community together."

Looking ahead, these homeowners hope MTA will continue to keep Mililani green, clean, and beautiful. They're excited about ongoing monthly events — like the recent Home Expo, where one couple even found a great exterior painter — and they look forward to seeing new types of events emerge as trends and family needs change. A couple also shared their excitement for the reopening of Rec 3. Wishing you all a safe and fun Halloween!

Next issue will feature the comments from residents that have lived here 40+ years.

With Aloha,

Neil Takeda

MTA Board President

MILILANI TOWN ASSOCIATION

ALOHA PLEDGE

A commitment to fostering a climate of open discussion and debate, mutual respect, and tolerance between all who live in, work in, and visit the Mililani Town Association community.

1. We expect each individual, whether a resident, guest, board member, MTA manager, staff member, business partner, or contractor, to be accountable for his or her own actions and words.

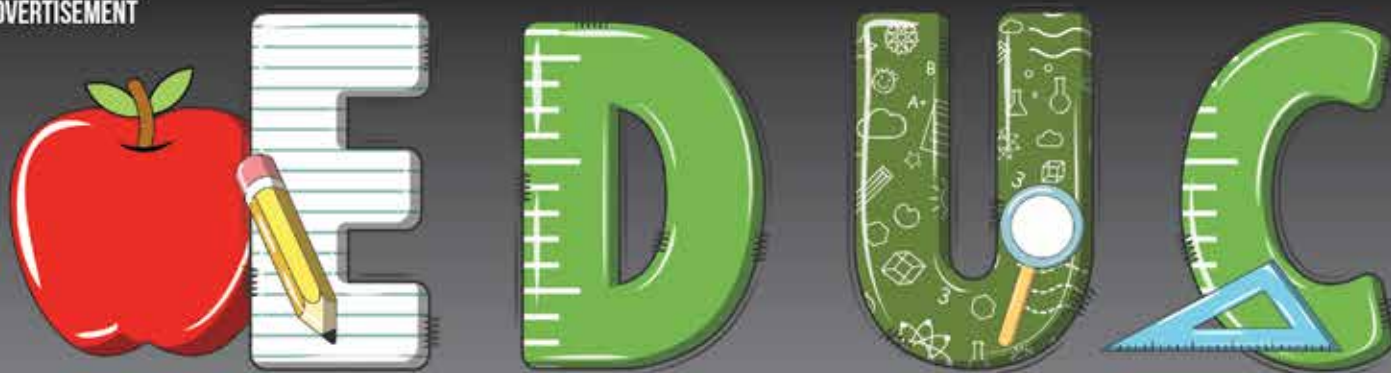

2. We believe all interactions in the community should be civil despite any differences of opinion on a particular issue. We believe in finding common ground and engaging in civil discussion about MTA issues important to each of us.

3. We vow to respect all points of view and will strive to provide a reasonable opportunity for all to express their views openly-without attacks and antagonization. We agree to keep our discussions focused on the business issues at hand, as well as on the ideas and desired outcomes.

4. We urge all residents to be engaged and informed. Get to know your neighbors, your board members, and your community manager. Attend meetings or serve on the board. Understand MTA's rules, regulations, and covenants, and the value they add. Ask questions, share your opinions, and vote.

5. We believe these commitments to aloha, as well as engaged and informed residents, are a vital part of our shared goal of being a vibrant, thriving community.

FOCUSED ON EXCELLENCE CENTERED IN CHRIST

At Trinity Lutheran School, your child's journey begins with a strong foundation. From our Preschool Program for 3- and 4-year-olds through 8th grade, we provide an education rooted in Christian values and academic excellence. Our Christ-centered approach weaves faith into learning, nurturing students not only in knowledge but also in character, compassion, and service.

With small class sizes, dedicated teachers, and a warm 'ohana community, every child is known, supported, and encouraged to thrive. Beyond the classroom, students grow through athletics, the arts, and service opportunities that inspire confidence, creativity, and leadership.

At Trinity, we partner with parents to nurture each child's God-given gifts, preparing them to be lifelong learners and compassionate leaders.

Come discover how faith, learning, and 'ohana come together at Trinity Lutheran School. Visit our website to explore financial assistance opportunities and learn how we can make a Christ-centered education possible for your family.

ST. ANDREW'S SCHOOLS

LEGACY DRIVEN. FUTURE-FOCUSED.

Queen Emma founded St. Andrew's Priory in 1867 with a bold conviction that girls in Hawai'i deserved access to a high quality education. Today, we honor that vision by responding to the needs of a changing world—ensuring that more students can benefit from the transformative power of a St. Andrew's education.

Beginning in school year 26-27, St. Andrew's Schools will be fully co-educational from preschool to grade 12. With expert faculty trained in both single-gender and co-educational methods, the school will maintain its commitment to personalized, rigorous, and values-based learning that nurtures the whole child.

To prepare for success at every step of their journey, our students learn critical thinking and character skills that build their capacity to be determined and resilient—developing courageous, compassionate leaders who aspire to make the world a better place.

Let us help your daughters and sons discover the power of becoming their best.

Welcoming applications now for girls and boys from preschool to grade 12.

LEARNING IS A NATURAL AND JOYFUL PROCESS

Rainbow School Mililani licensed by the State of Hawaii and accredited by the National Association for the Education of Young Children (NAEYC) has been in operation since 1995. Our campus is located in the heart of Mililani and includes interactive classrooms with spacious outdoor areas. We are licensed to teach children ages 3 to 5 years old.

At Rainbow School Mililani, children learn in a nurturing and engaging environment. Our teachers are dedicated to the idea that learning is a natural process and taken with a positive approach. Our environment provides opportunities that allow children to become more self-directed and build feelings of confidence and competency. Through a variety of developmentally appropriate activities, children will develop skills in many aspects including their physical, social, emotional, and cognitive growth. Their preschool experience will teach them about themselves and the world around them.

Please call or email us at

MONTHLY COVENANTS INSPECTIONS

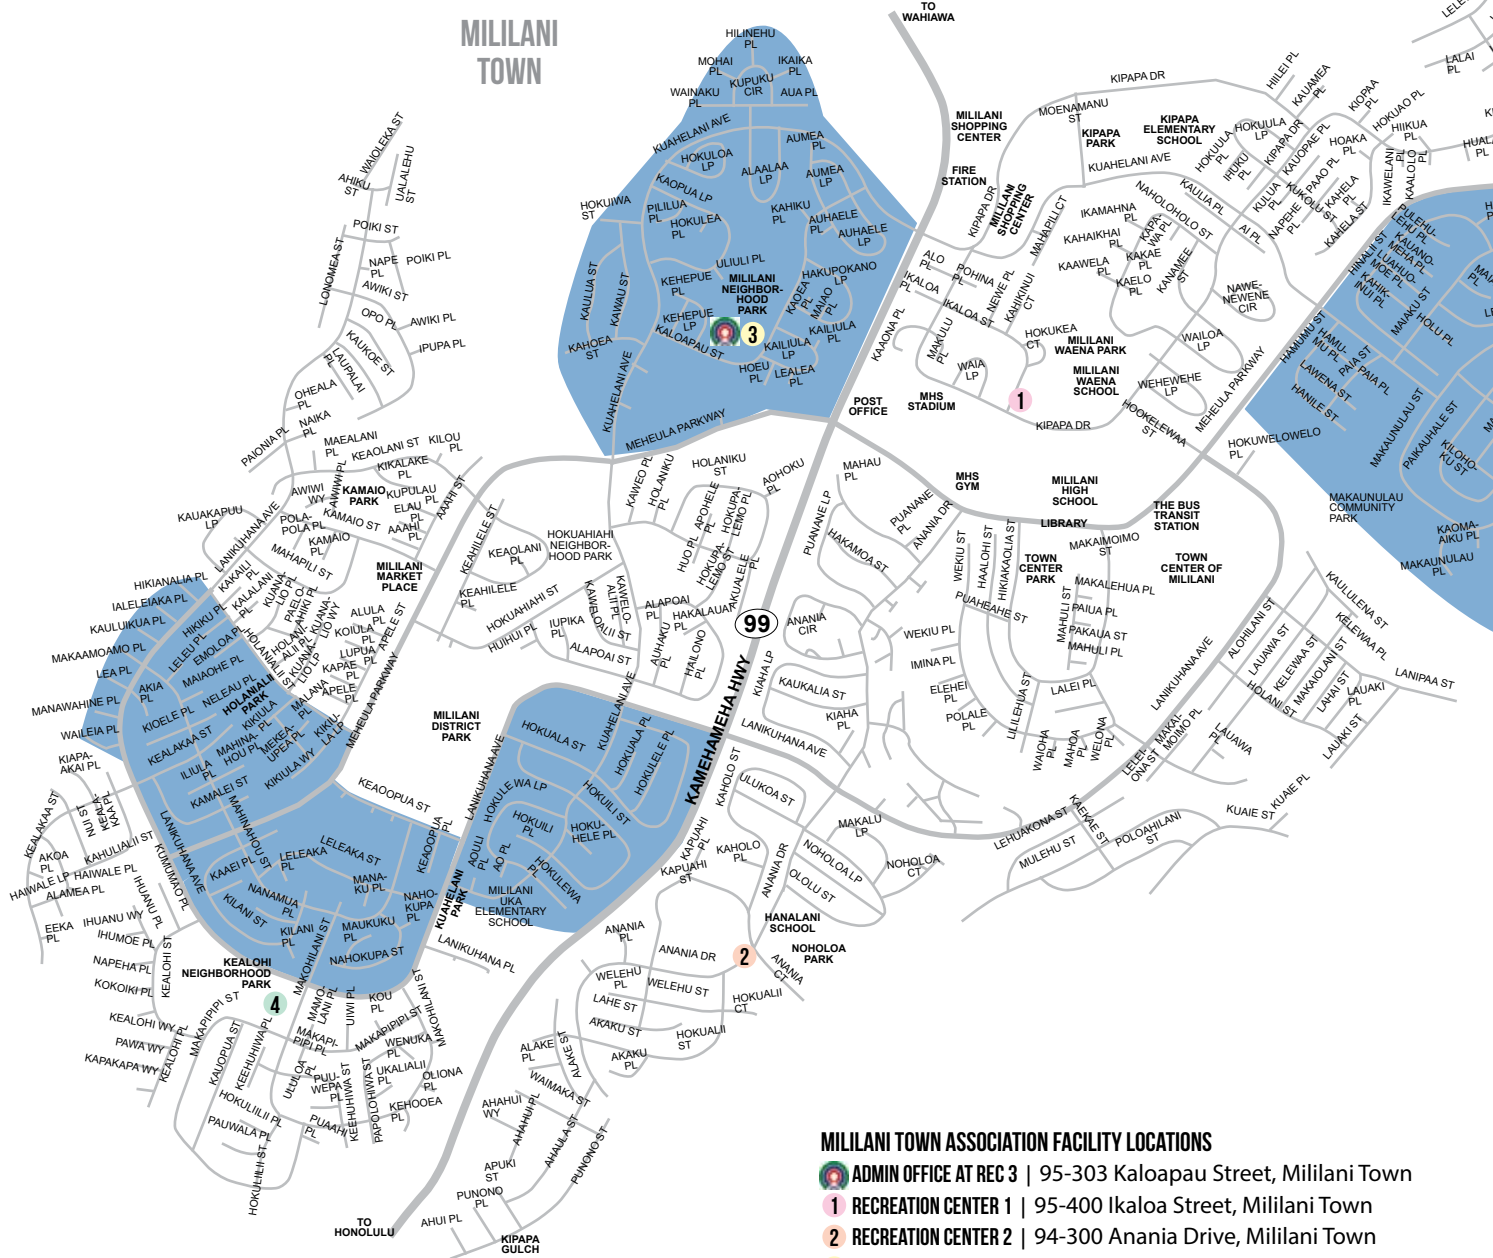

In an effort to be proactive with our homeowners, MTA wants to inform everyone of the areas that are being inspected each month. The areas highlighted on this map are the areas scheduled for routine Covenant inspections for this month.

We hope to reduce the amount of violation letters we have to send out, by giving you an advance notice of where we will be. We are not trying to do our inspections in secret. We may be seen in an area that is NOT scheduled for a routine inspection. The reason is usually because we have a re-inspection, a complaint or a design project inspection in that area. Please remember, if you have any questions, please feel free to ask. We are very friendly and very willing to talk to you.

MTA COMMUNITY CORNER: OOPS STATIONS

The Mililani Town Association has installed pet-waste stations across our neighborhoods to uphold cleanliness, protect environmental health, and strengthen community pride. You'll find them conveniently placed by parks, walking trails, and green spaces. MTA crews empty the bins daily and refill the plastic-bag dispensers twice a week, so every station stays neat and well-stocked.

Pet walkers should be considerate and use bags only as needed to ensure availability for everyone. Once the stations run out of bags, it will not be filled up until the next refill day.

Whether you're out for your dog's daily walk or just stopping by now and then, these stations make proper waste disposal effortless. Take advantage of this convenient service, do your part for our environment, use what you need, and help keep Mililani looking its best.

Mililani Moves with Us

Whether you are buying, selling, or exploring your options, we make the process smooth, informed, and tailored to your needs.
