# PRESIDENT'S MESSAGE

*Aloha e Mililani 'Ohana,*

As another year draws to a close, we reflect on the many things for which we are very thankful for. On behalf of the Mililani Town Association (MTA) Board of Directors, we sincerely thank all of our fellow homeowners for their trust and confidence placed in this Board. We do not take that trust lightly and remain committed to ensuring all decisions are made in the best interest of our homeowners.

Moving into 2026, we encourage every homeowner to help keep Mililani Town as one of the most desirable places to live and raise a family. Active homeowner involvement is key to our shared success. Your participation ensures our community remains dynamic, maintained, and truly reflective of the collective vision of all our residents.

There are many opportunities to get involved and make a difference. Connect with your neighbors, reconnect with friends at any of our seven recreation centers, attend and support MTA-sponsored events. We encourage all residents to stay informed via our monthly newsletters, email blasts, bulletins, and website postings and to maintain familiarity with the Mililani Town Association's governing documents, including the CC&Rs (Covenants, Conditions, and Restrictions), bylaws, and rules. Informed and engaged homeowners are the roots of a strong and dynamic community.

A fantastic way to ring in the New Year is to celebrate the grand reopening of your newly renovated Rec 3. Please stop by to view the updated facilities, including the tennis and pickleball courts, arcade room, keiki playground, and our newest cafe.

We hope to see you around in our neighborhood.

*With Aloha,*  
**Neil Takeda**  
 MTA Board President

## MILILANI TOWN ASSOCIATION

# ALOHA PLEDGE

A commitment to fostering a climate of open discussion and debate, mutual respect, and tolerance between all who live in, work in, and visit the Mililani Town Association community.

1. We expect each individual, whether a resident, guest, board member, MTA manager, staff member, business partner, or contractor, to be accountable for his or her own actions and words.
2. We believe all interactions in the community should be civil despite any differences of opinion on a particular issue. We believe in finding common ground and engaging in civil discussion about MTA issues important to each of us.
3. We vow to respect all points of view and will strive to provide a reasonable opportunity for all to express their views openly-without attacks and antagonization. We agree to keep our discussions focused on the business issues at hand, as well as on the ideas and desired outcomes.
4. We urge all residents to be engaged and informed. Get to know your neighbors, your board members, and your community manager. Attend meetings or serve on the board. Understand MTA's rules, regulations, and covenants, and the value they add. Ask questions, share your opinions, and vote.
5. We believe these commitments to aloha, as well as engaged and informed residents, are a vital part of our shared goal of being a vibrant, thriving community.

## WHAT RESIDENTS SHOULD KNOW ABOUT REPORTING LOOSE OR STRAY DOGS

Safety and proper reporting procedures are key to protecting both the public and the animals involved. According to City law:

### § 12-4.1 Definitions.

For the purposes of this article, the following definitions apply unless the context clearly indicates or requires a different meaning.

**Stray or Stray Dog.** Any dog:

- (1) On the premises of a person other than the owner of the dog, without the consent of an occupant of such premises; or
- (2) On a public street, on public or private school grounds, or in any other public place, except when under the control of the owner by leash, cord, chain, or other similar means of physical restraint; provided that such leash, cord, chain or other means is not more than 8 feet in length; and provided further, that this provision shall not be construed to permit that which is prohibited by any other law.

(Sec. 13-23.1, R.O. 1978 (1983 Ed.)) (1990 Code, Ch. 7, Art. 4, § 7-4.1) (Am. Ords. 00-68, 01-43, 11-1, 20-1)

### § 12-4.2 Strays prohibited.

It is unlawful for the owner of any dog to permit the dog to become a stray.

(Sec. 13-23.2, R.O. 1978 (1983 Ed.)) (1990 Code, Ch. 7, Art. 4, § 7-4.2) (Am. Ords. 00-68, 20-1)

For residents who spot loose dogs, the proper response depends on where the animal is found.

- If the stray dog is seen on public property, such as a road, beach park, or sidewalk, residents are urged to call 911. Law enforcement will respond and coordinate with the appropriate animal control authorities to ensure the dog's safe capture.
- If the dog is on private property, the situation falls under a different jurisdiction. In such cases, residents should contact the Hawaiian Humane Society, which has the authority to respond to animals on private land.

City officials encourage owners to ensure pets are properly secured by fences or leashes and to check collars and tags regularly. Escaped or unrestrained animals can lead to injuries, traffic hazards, and potential liability for owners.

Preventing dogs from becoming strays protects everyone—the community, the pets, and their owners.

Residents can find more information about local animal ordinances and leash laws on the city's official website or through the Humane Society's community resources page.

REALTOR, BS FINANCE  
(808) 294-0810  
[beth.makanani@islandproperties.com](mailto:beth.makanani@islandproperties.com)

In an effort to recognize homeowners who keep their yards looking beautiful, which enhances their neighborhood, our Covenant Specialists will nominate front yards that catch their eye. There will be six yards nominated each quarter.

The winner will receive \$400 in cash or cash equivalent from the Yard of the Quarter sponsor.

There is no limit to the number of times a yard can be nominated, but a yard can only win once per year. To be eligible to be nominated, the property must be owner occupied and in good standing with the Association. In addition, the owner must agree to have a picture of their yard shown in the MTA newsletter and on the MTA web site. The winner will be published in a picture with the Sponsor and nominating Covenant Specialist.

### 2026 YARD OF THE QUARTER SCHEDULE

**Q3 JULY - NOMINEES | SEPTEMBER - WINNER**

**Q2 APRIL - NOMINEES | JUNE - WINNER**  
**Q4 OCTOBER - NOMINEES | DECEMBER - WINNER**

## MONTHLY COVENANTS INSPECTIONS

In an effort to be proactive with our homeowners, MTA wants to inform everyone of the areas that are being inspected each month. The areas highlighted on this map are the areas scheduled for routine Covenant inspections for this month.

We hope to reduce the amount of violation letters we have to send out, by giving you an advance notice of where we will be. We are not trying to do our inspections in secret. We may be seen in an area that is NOT scheduled for a routine inspection. The reason is usually because we have a re-inspection, a complaint or a design project inspection in that area. Please remember, if you have any questions, please feel free to ask. We are very friendly and very willing to talk to you.

## INSPECTION SCHEDULE (Subject to change):

RED MAP	February	May	August	November

Bring them to Admin or Rec 7 Parking Lots on Saturday, 1/10/2026 from 8:00 am - 12:00 noon, or talk to your neighbors about consolidating the trees on your street. If you gather ten or more trees on your street, please call 808-440-2638 and MTA will pick them up.

Please note, City and County does not provide neighborhood pickups. Normal tree disposal is via your green waste bins (the tree needs to be cut up to fit). Makaunulau Community Park (Sixteen Acres) is **NOT** a designated drop-off point for trees, that service stopped several years ago yet residents in the area continue to drop off trees there. Please **kokua** and take advantage of MTA's tree recycling service or dispose of your trees properly.

You take pride in your home's appearance... don't let it tell a different story.

*A stained, aging, or algae-covered roof or property exterior quietly erodes more than curb appeal—it erodes perception, property value, and pride of ownership.*

For Hawai'i's most discerning property owners, true pride isn't just about how your home or building looks—it's about how it endures.

At SoftWash Hawaii, we do more than clean; we preserve. Our eco-friendly soft washing system eliminates algae, mold, and organic growth at the root, extending the life of your roof, siding, solar panels, and exterior surfaces.

Unlike traditional pressure washing, our biodegradable, water-based solutions protect both your property and Hawai'i's environment—delivering lasting results without damage or waste.

Our clients are proactive stewards of their properties—people who understand that real peace of mind comes from prevention, not reaction.

With fully customizable maintenance plans, we help homeowners and managers safeguard their investments, maintain insurance compliance, and take back control of their property's health and appearance.

When you look at your roof and see it restored, renewed, and resilient, you don't just feel proud—you feel at ease knowing you've done it the right way.
