## PRESIDENT'S MESSAGE

*Aloha e Mililani 'Ohana,*

I recently caught up with some friends, and I wanted to share their stories when I asked them, "What made them choose Mililani as their home?"

This first couple has been our friends for many decades, and in their own words:

"We were local newlyweds at the time, and we decided to move to Mililani in the late '80s because we loved the idea of a planned community for raising our family. Back then, the Town Center was still growing. After six years, work forced us to move to the mainland. While we always thought of possibly coming back to Hawaii, 31 years flew by! When we finally decided it was time to return, we thought, 'Where should we live?' After some thought, we decided to moved right back to Mililani. We noticed that the area transformed over the years, and we are still enjoying our time exploring everything our 'old/new' hometown has to offer." Hurray, welcome back home!

Next, I caught up with another couple who moved here from California in the mid-90s for work. Even though they've lived in several states since, Mililani left a lasting impression.

"As a young family, we were looking for a clean, safe, well-planned community with good schools. We wanted a town with an active, positive spirit and friendly neighbors—and Mililani checked every box. While rules and bylaws are good for maintenance, the real 'heartbeat' of Mililani was the people and the friendships they made."

Their family has since become a part of our 'Ohana, and we still see each other several times a year.

There are many different roads that lead to choosing Mililani, but these friends did a little homework and are incredibly happy with their decisions. One couple is back for a second round of homeownership, and the other couple still holds great memories of their time here.

*With Aloha,*

**Neil Takeda**

MTA Board President

# Performance Plumbing

## SUMMER PLUMBING TIPS:

### Be Mindful of What Goes Down the Drain

Avoid pouring grease, oils, or food scraps into sinks. They harden inside your pipes and lead to slow drains or backups.

### Know Where Your Main Water Shut Off Valve Is

In case of a leak or burst pipe, knowing how to quickly shut off your water is crucial. If you are unsure where it is, we can help to locate and label it for you.

### Watch for Early Warning Signs

Slow drains, unusual noises, low water pressure or higher than normal water bills can all signal plumbing issues.

# mta Yard of the Quarter

## 2026 Q2 WINNER

In an effort to recognize homeowners who keep their yards looking beautiful, which enhances their neighborhood, our Covenant Specialists will nominate front yards that catch their eye. There will be six yards nominated each quarter.

The winner will receive \$400 in cash or cash equivalent from the Yard of the Quarter sponsor.

There is no limit to the number of times a yard can be nominated, but a yard can only win once per year. To be eligible to be nominated, the property must be owner occupied and in good standing with the Association. In addition, the owner must agree to have a picture of their yard shown in the MTA newsletter and on the MTA web site. The winner will be published in a picture with the Sponsor and nominating Covenant Specialist.

## MONTHLY COVENANTS INSPECTIONS

In an effort to be proactive with our homeowners, MTA wants to inform everyone of the areas that are being inspected each month. The areas highlighted on this map are the areas scheduled for routine Covenant inspections for this month.

We hope to reduce the amount of violation letters we have to send out, by giving you an advance notice of where we will be. We are not trying to do our inspections in secret. We may be seen in an area that is NOT scheduled for a routine inspection. The reason is usually because we have a re-inspection, a complaint or a design project inspection in that area. Please remember, if you have any questions, please feel free to ask. We are very friendly and very willing to talk to you.

## INSPECTION SCHEDULE (Subject to change):

RED MAP	February	May	August	November
