The Mililani News is a monthly publication of the Mililani Town Association. The publication is used to notify owners of community issues, changes in association policies, scheduled meetings, hearings, programs, classes, special events and activities, and for recognizing MTA members and employees for their achievements and outstanding service. MTA Management has the authority to approve or disapprove editorial submissions, materials, or advertisements. MTA does not endorse and is not responsible for the merchandise or services advertised in this publication. The Mililani News is mailed to residential properties in Mililani. If you are a homeowner who is renting your home to a tenant and live outside of Mililani, or you are a property manager or business owner in Mililani, you are welcome to view the monthly newsletter online. If you are a property owner who would prefer to read the newsletter online, rather than receive it in the mail, call 808-623-7300 or send an email to jsuzuki@mililantown.org to have your property address removed from the MTA newsletter mailing list.

SUSTAINABILITY CORNER

Aloha e Mililani 'Ohana,

As we enjoy another beautiful season in Mililani, the Mililani Town Association continues to invest in projects that help keep our community green, healthy, and sustainable for future generations. One of our ongoing priorities is reducing water consumption throughout our parks, recreation centers, and landscaped common areas. By improving irrigation efficiency, closely monitoring water use, and implementing smart conservation practices, we're making meaningful progress in protecting one of Hawai'i's most valuable natural resources.

These efforts not only support environmental stewardship but also help manage operating costs that ultimately benefit our entire community.

Another exciting step forward is the expansion of renewable energy at Recreation Center 3. Additional photovoltaic (PV) panels are being installed to harness Hawai'i's abundant sunshine and generate more clean energy for Association facilities. Renewable energy investments like these reduce our reliance on traditional electricity, lower long-term utility costs, and demonstrate our commitment to responsible planning. Every improvement we make today helps ensure that MTA remains financially and environmentally sustainable well into the future.

You'll also notice new additions taking root along Meheula Parkway and Ainamakua Drive as we continue expanding Mililani's community orchards. New citrus, avocado, and mango trees have been planted to complement our existing landscape, bringing more color, shade, and seasonal fruit to our neighborhoods. Beyond their beauty, these trees provide habitat for pollinators, improve air quality, and remind us of Hawai'i's rich agricultural heritage. We look forward to watching these orchards flourish in the years ahead and thank our residents for helping care for the community we all call home. Together, we're growing a greener Mililani—one project, one tree, and one thoughtful step at a time.

With Aloha,

Will Kane

MTA Board Member & Sustainability Chair

MILILANI TOWN ASSOCIATION

ALOHA PLEDGE

A commitment to fostering a climate of open discussion and debate, mutual respect, and tolerance between all who live in, work in, and visit the Mililani Town Association community.

1. We expect each individual, whether a resident, guest, board member, MTA manager, staff member, business partner, or contractor, to be accountable for his or her own actions and words.
2. We believe all interactions in the community should be civil despite any differences of opinion on a particular issue. We believe in finding common ground and engaging in civil discussion about MTA issues important to each of us.
3. We vow to respect all points of view and will strive to provide a reasonable opportunity for all to express their views openly-without attacks and antagonization. We agree to keep our discussions focused on the business issues at hand, as well as on the ideas and desired outcomes.
4. We urge all residents to be engaged and informed. Get to know your neighbors, your board members, and your community manager. Attend meetings or serve on the board. Understand MTA's rules, regulations, and covenants, and the value they add. Ask questions, share your opinions, and vote.
5. We believe these commitments to aloha, as well as engaged and informed residents, are a vital part of our shared goal of being a vibrant, thriving community.

MONTHLY COVENANTS INSPECTIONS

In an effort to be proactive with our homeowners, MTA wants to inform everyone of the areas that are being inspected each month. The areas highlighted on this map are the areas scheduled for routine Covenant inspections for this month.

We hope to reduce the amount of violation letters we have to send out, by giving you an advance notice of where we will be. We are not trying to do our inspections in secret. We may be seen in an area that is NOT scheduled for a routine inspection. The reason is usually because we have a re-inspection, a complaint or a design project inspection in that area. Please remember, if you have any questions, please feel free to ask. We are very friendly and very willing to talk to you.

MTA COMMUNITY CORNER: OOPS STATIONS

The Mililani Town Association has installed pet-waste stations across our neighborhoods to uphold cleanliness, protect environmental health, and strengthen community pride. You'll find them conveniently placed by parks, walking trails, and green spaces. MTA crews empty the bins daily and refill the plastic-bag dispensers twice a week, so every station stays neat and well-stocked.

Pet walkers should be considerate and use bags only as needed to ensure availability for everyone. Once the stations run out of bags, it will not be filled up until the next refill day.

Whether you're out for your dog's daily walk or just stopping by now and then, these stations make proper waste disposal effortless. Take advantage of this convenient service, do your part for our environment, use what you need, and help keep Mililani looking its best.
